Long Texts to Inspire Romance and Kisses: What can I say? I know we fight, but every relationship has its ups and downs. I feel so comfortable with you. I love you so much! Being with you has opened up my world and I feel like I see things differently now in a good way. I know we fight sometimes, but I just wanted to tell you so you know for sure that I love you with everything I have. There is nothing left for anyone else. From the moment I first saw you I knew that we were going to have something special. It was just how when we came together, we found ourselves in our own world. You put color into my world. I love you I love you I love you. You have become a part of me and who I am, and I am so thankful for it. You mean so much to me sweetheart. I love you so much. You are my world. I love you with my entire heart and soul, babe. The only way you can beat my crazy was by doing something crazy yourself. I knew it the minute I met you. I just got stuck. Thank you for putting up with me. You are the best thing that has happened to me. You are the most amazing guy in the world. You treat me the way a woman should be treated. You are the ground that I stand on, my knight in shining armor. I love you to the moon and back and then some. I could never ask for a more amazing boyfriend, because I have the best one already. I love you so much baby, forever and always. I love you with all my heart. Together, we have created a beautiful world. It has been the best ever! You are truly my best friend. Gosh, I love you so much! You are seriously my best friend! The sun to my cloudy day! My one true love! No matter what the reason, here are some romantic paragraphs that you can send your boyfriend to tell him how you feel and make him smile. What would I do without you? You make me smile every day. Even though we have our fights, I know we can work through anything. You help my family out so much. The little things you say to me always put a smile on my face. You make me want to listen to love songs, you still give me butterflies, and you still make me speechless. I am truly blessed. I love you to infinity and beyond. You have always been my rock and inspiration. You are all I want and hope to be, I love you unconditionally. I love you wholeheartedly and unconditionally. Thank you for always being my shoulder to cry on through the good and the bad. You are and forever will be my heart. People ask me how we can stay in this long distance relationship for so long and I just smile. I would be a fool to ever give up what we have. I would be a fool to think I could find someone like you anywhere else. You are the only you. And you are the only you for me. It is so worth it. Until then, I hope you know that I love you. I want all of you, forever, you and me, every day. I feel like there are so many signs in my life that show we are meant to be together. There are so many things about you that I love. Each day that I get to know you, I learn more about how wonderful you are. I brag about you all the time to my friends and family and even though they might get sick of hearing about you, I never get sick of talking about you. I hope you have a good night and that you sleep well. I just kept looking out the window at the moon, wondering what you were thinking about, or dreaming about. You are such an amazing partner. But even though we have our differences, I believe in us and believe that we can make this work. Because the thing is " I think about you all the time. So, my favorite " how are you? We can walk by the river Seine and hold hands while we do. I want to go everywhere with you. Chin, eyes, cheeks, lips, eyelashes, eyebrows, forehead, nose " these are the pieces of your face. But when put together, they turn into someone very special. You are my sweetums and I love you forever. Weasons why you love your boyfriend?

Check new design of our homepage! With 30 cute quotes about kissing and hugging, this Quotabulary post is out to share beautiful ideas on the subject. Quotabulary Staff Last Updated: Mar 2, Time for Some Facts A full-body hug can help reduce social anxiety, relieve stress, defuse tension, and increase self-esteem. With 58 hours, 35 minutes, and 58 seconds, a couple from Pattaya, Thailand, Ekkachai and Laksana Tiranarat hold the world record for the longest kiss. Getting into a relationship, romantic or otherwise, is easy; the task of maintaining one is tough as it requires constant work and dedication from both sides. We try to express our feelings for the other person through words and gestures. Although some people may find it difficult to do so, there are always other means to show affection. Through our hugs and kisses, we make ourselves vulnerable, and in return, ask the other person to do the same. And to sum up these emotions as accurately as we can, through words, we have compiled a list of 30 wonderful quotes about hugging and kissing. Oftentimes, we hug an individual for a few seconds, or give a sweet, inviting kiss that conveys our deepest, most loving sentiments. These are the two emotions that when expressed, can conquer hearts every time. You may not want to hug - which is all the more reason to do so. Seven Steps to Self-Fulfillment "I have learned that there is more power in a good strong hug than in a thousand meaningful words. Where everyone hugs instead of tugs, Where everyone giggles and rolls on the rug, Where everyone kisses, and everyone grins, and everyone cuddles, and everyone wins. Heaven knows they need it. It makes their day, you know? I love that, and I get positive energy from that. It seems that life gets harder on a personal level each and every day. Hug and kiss those you love every day. You never know when the tragedies of this world may visit your life. I still hug everybody in my meet-and-greet lines. You just want to give people a hug. I wish I was an octopus, so I could hug 10 people at a time! It changes your metabolism. Why this, as some approve: The sure, sweet cement, glue, and lime of love. Why else would they be so stingy with them? A kiss for you means I love you. A call for you means I miss you. It changes the relationship of two people much more strongly than even the final surrender; because this kiss already has within it that surrender.

Chapter 3 : What Does It Mean When I Dream About Kissing? | Exemplore

The book got here in time enough for me to clear an outrageous fine with my local library. The condition of the book was a little worse than I'd anticipated, but it was still in sufficient condition to be accepted as a replacement for a lost copy of the same book.

Contact Author A dream about kissing someone can mean different things depending upon who you are kissing in the dream and where on their body. Kissing is a common dream theme, because kissing is a big part of life. We kiss our partners, our close relatives, and our children. In some parts of the world it is customary to kiss friends both old and new. Kissing has been a longtime symbol of passion, desire, love, and friendship. Kisses themselves are powerful in most cultures. They appear as magic and life-giving in fairy tales. Think of how much a simple kiss meant to Snow White or Sleeping Beauty. For the frog-prince, a kiss broke the spell. When it comes to kissing dreams, there are several different variations. These dreams each have different meanings. In order to understand your own dream, you have to know: Where on the body you kissed them. The type of kiss. Your emotional state when you had the dream. Kissing someone on the lips in a dream is a form of spiritual communication. A kiss on the lips can be interpreted as a way of sealing an agreement. If the kiss in your dream is a French kiss, then you need to express your emotions more honestly and need more passion in your life. If you yearn for something in your dream, it means that you will soon have an opportunity to get what you want. Who Did You Kiss in the Dream? If you dream of kissing a specific person, this can symbolize several different things. It depends upon who it was. It may also mean that you want to act out sexually. It may be a sign that you are jealous of that person. If you have a dream about kissing a stranger, this may be an acknowledgement that something is missing from your life. The missing thing may be love or a special bond, or not. Your kissing the stranger is a symbol of acceptance. If the stranger kissed you, it represents self-discovery that you are missing a key attribute in your life. If you dream of kissing your close friend or about them kissing you, it may mean that you admire and respect them. The kiss represents your strong bond. It may mean that you want something more with them. This dream may be your unconscious telling you that you are missing something in your life, specifically love. This may mean that betrayal and deceit are afoot. It may also mean that you are refusing to accept something. If you kiss your brother or sister in a dream it may represent your special bond with them. It may mean that the two of you have a good relationship. Dreaming about kissing your own romantic partner may mean that you need more romance with them. Is romance missing in your relationship? The dream may also represent your strong desire and passion for them. If you were watching your partner kiss someone else in the dream, this represents an unfaithful tendency or a deceitful past. If you dreamed about kissing your mother, you will have great success in life and business. It may mean that you will be honored, loved, and respected by others. If you kiss someone that you barely know in a dream, you may have feelings for them. If you wait in the distance to view the person in your dream, it may mean that you yearn for a real-life fantasy. If you kiss someone that you have very little interest in, this may mean that you feel awkward or uncomfortable about some aspect of your life. If you dream about kissing a child, this represents a happy family life or reunion. If the child is your own, it denotes your love for them. It may also mean that they need something from you. If you dream about kissing someone who is crazy, you may be making bad decisions or judgements in your life. Kisses on specific area of the body hold different symbolic meanings. It can be a sign of loyalty. If you dreamed about kissing someone on the foot or leg, this may mean that you are humble. It is a sign of humility and respect. If the person kisses you on the foot or leg, this means that they respect and are comfortable with you. If you kissed someone on the forehead or someone kissed you there in your dream, it may mean that you are displeased with their actions or they are displeased with yours. If you dreamed that you kissed someone on the cheek, or that they kissed you there, this means that you admire them or they you. This kiss represents friendship, loyalty, respect, courtesy, and reverence. If you dream about kissing someone on the neck, or about someone kissing you on the neck, this may mean that you are giving in to your wants and desires. This is a symbol of lust and desire or that you yearn for passion. The question is, do you feel affection for the person you kissed in the dream? Or for someone else? Kisses on

the lips are very often interpreted as a form of spiritual communication. They can be thought of as a way of securing an agreement. Consider your current relationships, either with the person you kissed or with others, and whether you are entering a new phase in any of them. Perhaps your dream represents your desire to "seal the deal" in some way. What Type of Kiss Was It? What type of kiss was it? Was it passionate, friendly, respectful, or polite? If you dream that you are French kissing a person, this means that you need to express your emotions in an honest way. It may mean that you need more passion and desire in your life. Kissing the ground in a dream may represent negative emotions. It may mean that you will have emotional distress and setbacks in your life. A dream about a kiss can symbolize passion, desire, deceit, respect, loyalty, and many other feelings. The only way to know for sure what your dream means is to ask yourself: How did I feel when I had the dream? How did I feel in the dream? Sigmund Freud, the psychoanalyst who made a study of dreams and the unconscious, argued that dreams were a form of repressed desire. His theory was that emotions that we repress in our waking lives bubble up in dreams. Another dream researcher, Dr. Ernest Hartmann, found that the central image of the dream in this case, a kiss is directly related to an underlying emotion. Other theories attach symbolic meaning to the emotions experienced in dreams. Feeling afraid in a dream means the dreamer is experiencing self-doubt in their waking life. Aggression symbolizes repressed sexual desire. Feeling amorous in a dream means that your runaway emotions will get you into trouble in your waking life. Dreaming about love means that love in your waking life is strong and has spilled over into your unconscious.

The short answer to "Why does XO stand for hugs and kisses? According to Marcel Denasi, professor of semiotics and linguistic anthropology at the University of Toronto and author of *The History of the Kiss: The Birth of Popular Culture*, no one has kept a written record of why the symbols of XOXO were used; they simply began using them in letter writing. But what does X mean really? Initially, the X was meant to symbolize "Christ," but somewhere along the way, it evolved into a way of signing with a kiss. Perhaps, Denasi says, it reflected a cultural shift to placing greater importance on love and affection. As people followed tradition and signed and sealed their letters with an X, it eventually came to mean they were sealing it with a kiss, perhaps even physically kissing the scroll or paper once sealed, Denasi believes. Denasi notes that tic-tac-toe, a game that uses X and O symbols, developed in the medieval period as well. So these two symbols have long been connected. Regardless of how it began, the O can be seen as a visual symbol of a hug. Usually XOXO is reserved for a romantic partner, but occasionally, one might find it appropriate to use XOXO with a friend or family member in a text or note. What does a simple XO stand for? During World War I, soldiers and sailors used to sign love letters with this acronym, meaning "sealed with a kiss. Today, we have kiss and heart emojis to express affection to our loved ones via text and chat. Even with all these different ways of sending kisses and hugs, XOXO endures. They get passed on from generation to generation. If it takes little effort to repurpose it, it will continue to be used. And there are many ways of doing so. A professional designer can make sure the XOXO logo is perfect for your style and can help you create a cohesive look throughout the event. Once you have an XOXO symbol, you can carry it into other pieces of wedding stationery, such as the menu, table cards and escort cards. XOXO Cocktail Hour Xs and Os work great at the cocktail hour, which can have an intimate and social feel, says Sarah Chancey, founder and creative lead of wedding planning and design company Chancey Charm. Cocktail napkins can also be emblazoned with XOXO. Set up a table where guests can find their table numbers on cards shaped like an X or O. For an elegant look, crown your dessert with a shiny, metallic XOXO cake topper. If you want a more modern spin, have your designer create an XOXO pattern in fondant icing and cover the cake with it, Orsini says. Look for metal tabletop Xs and Os to accent your sweetheart table or the bar. Creating that cohesive feeling gives your wedding its own unique brand, and guests really do notice that attention to detail.
