

## Chapter 1 : Last Chance U Season 3: What's next for quarterback Malik Henry?

*It is worth noting that all three seasons of Last Chance U featured quarterbacks tied to Florida State. The first season featured John Franklin III who transferred to EMCC from Florida State.*

The eight-episode docuseries provided viewers with an all-access and completely uncensored look at what goes on with the football players both on and off the field. With the help of former top-level recruits, ICC was vying for a Jayhawk Conference title for the first time in more than 30 years. Much like the past two seasons of the show, the ICC Pirates had many players on their roster hoping to get a second chance to play for a championship-caliber Division I team. He is an ex-Florida State Seminole and was suspended from the program for violating team rules. Henry later departed from Tallahassee and landed at ICC. He also attempted to make the play calls on his own. In the first few episodes of the show, Henry showed a blasé attitude towards the team and his situation being in rural Kansas. Beyond anything else, Henry showed that he is a fiery competitor. In the last episode of the season, Henry was reported to have still been awaiting an offer from a Power 5 school. His recruiting profile showed much of the same but it indicated that he received an offer from Ole Miss on October 1. While Henry awaits more offers from major schools, he will still be a highly sought-after recruit because of his raw talents at quarterback. As reflected in his original recruitment in addition to what was seen on screen, Henry, without question, has a powerful arm and can be a playmaker with the balls in his hands. In playing for ICC, Henry threw for 1,000 yards and 10 touchdown passes in 10 games played. He also averaged 100 yards per game. Henry still has three years of NCAA eligibility left and can still make a significant impact on any team he joins. His most likely destination may be with an SEC team. Although, in the series, it was noted that Henry gauged interest from Oklahoma State. Gooden will play for Tennessee this upcoming season while Boyd will suit up for Arkansas. In previous seasons, several players in the show that attended East Mississippi also transferred to SEC schools. Near the end of the season, Henry was on record talking with his father and a trainer about a diet and exercise plan. The group mentions a goal for Henry was to put on roughly 30 pounds. So perhaps, he is going to focus on building up his strength before returning to the gridiron. With the advent of college football players opting to transfer more frequently than ever before, Henry can find an opportunity to rescue a school that is in need of reinforcement.

Last time I saw him, about a week ago, he had a better " you know, he just had a lot more confidence in himself. I wish I could coach him for another season. It takes more than three months to build a relationship with someone, and all the adversity that I had to go through with him made it a stronger bond. Had I had one more chance to coach him for one more year, I think we could really take the lid off something and put big-time numbers up. According to Rivals , Henry was a four-star recruit, and the No. He originally committed to Florida State, which set up a highly anticipated quarterback battle with Deondre Francois. It was not the competition that the Seminoles coaching staff expected as Tallahassee never really clicked for Henry. Listen to the message and not the tone. Henry noted his father was not involved in his life until it came time for him to deal with recruiting. Henry admitted his relationship with his father was rocky at times, but Last Chance U showed the two are on good terms now. On one of the early episodes, Marchell Henry noted his son wanted to play baseball rather than football. His father vetoed it, telling him he had a better future with football. Henry noted that his state of depression contributed to him not feeling himself in Tallahassee and, ultimately, transferring from Florida State. USA Today provided a brief recap of the scene. On multiple episodes, Henry displayed his knowledge of the game by drawing up plays, and dissecting defenses on the fly in discussions with coaches. Hopefully things will finally click for Henry this season. Possesses a smooth, quick stroke " possibly his best trait. Possesses very good height at an early stage.
