Chapter 1 : London Transport Museum - City Inside Out

The London Insideout City Guide includes a 64 page Insiders Guide, compass, and maps to help you travel intelligently around London. A classic London itinerary is.

Kurdish teenagers beat drums and practice folk dancing at a community center situated on an old Roman road that cuts through London. And still further along this ancient street, politicians in the financial district debate the construction of a skyscraper that looks like a nose-diving zeppelin. London Facts London restaurants serve food from more than 55 countries, including Tanzania, Peru and Mongolia. High unemployment, decrepit buildings and polluted air were all palpable signs of the recession that ravaged London during the early s. When the world economy revived, London was poised for change. Britons and foreigners flocked to London by the tens of thousands to work in banks, investment houses, hotels and creative industries. Ambitious gentrification projects turned industrial slums into posh neighborhoods. Tourism skyrocketed, from 20 million visitors in to 28 million in There are foreign banks in London, more than any other city in the world. London First Centre Today Britain is bound economically, politically and culturally to the world in a way it never was during the Empire. Fueling the new internationalism are two recent London phenomena: In the last half-century, however, Britain has opened its doors to refugees and workers from Asia, Africa, South America and Eastern Europe. London Facts More countries can be dialed direct from London than any other city in the world. London has 45 distinct ethnic communities. London has 5, pubs and bars, and 12, restaurants. London First Centre In neighborhoods like Brick Lane, immigrants are challenging traditional notions of what it means to be British. Bangladeshi men pray at local mosques. Women in saris buy halal meat. New wave Indian restaurants, fashion boutiques and dance venues cater to the urban chic. London has more foreign banks and exchanges more foreign currency than any other city in the world. As immigrants, artists and entrepreneurs batter away at old London, in its place emerges a new world city.
