

Chapter 1 : Love, Loss, and What We Ate (ebook) by Padma Lakshmi |

Love, Loss, and What We Ate is an intimate and unexpected story of food and family—both the ones we are born to and the ones we create—and their enduring legacies. "Love, Loss, and What We Ate is the Padma we didn't know" a frank, introspective look at a fascinating and unusual life.

Sep 14, Mary rated it it was ok I hate most autobiographies. People tend to try to make their lives sound extraordinary, while remaining humble, and deserving. They gloss over the juicy bits, the stuff we really want to know, and try really hard to justify their shitty behavior. This book is exactly like that. I am not a hater. I love Top Chef. Padma has always struck me as a beautiful woman and an adequate host. A bit bland, a bit whiny, perhaps. In this memoir, Padma is just that. Bland and whiny, dare I say vapid and boring? I hate most autobiographies. Scarred in a terrible auto accident, yet she went on to become an international model and actress. She never felt like she belonged, yet she went to good schools and travelled all over the world, had an incredible social life and a strong supportive family. Apparently her lack of confidence in her own intellect was the driving force behind her affair and eventual marriage to the most amazing and creative man she could find, Salman Rushdie. Even though he was very married, a father to a small child, and way too old for her. I am NOT judging her. Everyone makes mistakes, does stupid things, behaves badly. She spends an awful lot of time trying over and over to make us understand why. I had a hard time sympathizing with her poor me attitude any time life threw her a curveball. OK, I will sympathise with her struggle with endometriosis. I skimmed past most of it. Page after descriptive bloody page For the most part, Padma leads a charmed life. She travels, dates wealthy men, lives the high life, all the while bemoaning her sad state. I wanted to get to know her, even, to like her. She ended up annoying me more than anything. The writing is overdone, almost to the point of being pretentious. I stopped caring about anything she had to say less than halfway through. Skip the book, watch Top Chef. Egg in a Hole is hardly a recipe.

Chapter 2 : Ebook Love, Loss, And What We Ate : A Memoir

A vivid memoir of food and family, survival and triumph, Love, Loss, and What We Ate traces the arc of Padma Lakshmi's unlikely path from an immigrant childhood to a complicated life in front of the camera—a tantalizing blend of Ruth Reichl's Tender at the Bone and Nora Ephron's Heartburn.

HPB condition ratings New: Item is brand new, unused and unmarked, in flawless condition. No defects, little usage. May show remainder marks. Older books may show minor flaws. Shows some signs of wear and is no longer fresh. Used textbooks do not come with supplemental materials. Average used book with all pages present. Possible loose bindings, highlighting, cocked spine or torn dust jackets. Obviously well-worn, but no text pages missing. May be without endpapers or title page. Markings do not interfere with readability. All text is legible but may be soiled and have binding defects. Reading copies and binding copies fall into this category. Mint condition or still sealed SS. Absolutely perfect in every way. No defects, little sign of use, well cared for. Not necessarily sealed or unused, but close. Could be an unopened promotional or cut item. Will show some signs that it was played and otherwise handled by a previous owner who took good care of it. Attractive and well cared for, but no longer fresh. Minor signs of wear, scuffing or scratching, but will play almost perfectly. This item is in okay condition. Obviously well-worn and handled. Most vinyl collectors will not buy good or below, but some tracks on CD or vinyl will play. This movie is unopened and brand new. No defects, little sign of use. No skipping; no fuzzy or snowy frames in VHS. Attractive and well cared for but no longer fresh. Minor signs of wear, but will play almost perfectly. This item is in okay condition and basically works well. Basically plays, but may be obviously well-worn with some scratching or tape distortion. Disc or tape is intact, but may be scratched or stretched. There may be skips or distortion or product defects. Sign up for bookish emails And get a coupon for your first purchase.

Chapter 3 : Reviews of Non Fiction best seller: Love, Loss, And What We Ate

Love, Loss, and What We Ate is an intimate and unexpected story of food and family—both the ones we are born to and the ones we create—and their enduring legacies. Read more Read less Prime Book Box for Kids.

Shuttling between continents as a child, she lived a life of dislocation that would become habit as an adult, never quite at home in the world. It chronicles the fierce devotion of the remarkable people who shaped her along the way, from her headstrong mother who flouted conservative Indian convention to make a life in New York, to her Brahmin grandfather—a brilliant engineer with an irrepressible sweet tooth—to the man seemingly wrong for her in every way who proved to be her truest ally. A memoir rich with sensual prose and punctuated with evocative recipes, it is alive with the scents, tastes, and textures of a life that spans complex geographies both internal and external. Emmy-nominated Padma Lakshmi is known internationally as an actress, food expert, model and award-winning author. Lakshmi was born in India and grew up in America. Lakshmi established herself as a food expert early on in her career, having hosted two successful cooking shows and writing a best-selling cookbook *Easy Exotic*, for which she won the International Versailles Event for best cookbook by a first time writer. In addition to these current projects, Lakshmi is a savvy businesswoman with multiple companies of her own. Lakshmi has also hosted *Planet Food*, a documentary series broadcast on The Food Network and worldwide on the Discovery Channel where she journeyed to countries such as Spain and India. Lakshmi is also an accomplished writer. What a story, and what a life! I am a fan of *Top Chef* and have watched Padma on it since I first started watching. I always wondered what her claim to fame was, and her memoir definitely fills us in and more. I was blown away by some of the stuff I learned about her, and am even more in awe of her. Plus there is recipes in this book that she so graciously shares with us. One of them is her childhood favorite, Chili Cheese Toast. I want to track down her cookbooks now too. Recipes that are indulgent without the fat, basically. Fans of the show *Top Chef*, or not, you will like her life story. She is simply fascinating. This copy was purchased.
