

### Chapter 1 : The man who risked his partner ( edition) | Open Library

*THE MAN WHO RISKED HIS PARTNER* is the second tale of an expansion of novels written in the s under the name Reed Stephens (see *THE MAN WHO FOUGHT ALONE*). The story line mixes a hardboiled detective story inside an angst relationship drama.

Hardback book published by the Forge Tor Books in Signed by the author on the title page without inscription or personalization. We have more books signed by Stephen Donaldson for sale, click on the link below to see a list: Binding - very good plus, top and bottom of spine a little bumped, page edges very very slightly soiled. Dust jacket - very good plus, minor edgewear and rubbing, minor wrinkling, not price clipped, in dust jacket protector. Note on first editions: If this book is listed as a first edition, it will also be a first printing. We do not consider later printings to be first editions. Note on condition descriptions: We believe that you deserve to know exactly what you will be getting if you buy our item. We describe each item carefully. No hidden reserve on auction items. If you bid our starting price and are the only bidder, the item is yours. See our other auction and store items for lots of autographed first edition and collectible books. We specialize in Science Fiction and Fantasy but also have general fiction, mystery and nonfiction. We usually have over autographed Easton Press books available for purchase. We accept all forms of PayPal Payment. Unless a delay in payment is agreed to by us before purchase, payment is expected within 48 hours of our sending an invoice. Buyers taking more than 48 hours to pay without that agreement will not receive feedback. Paying with a PayPal echeck bank or other financial institution transfer will delay shipping until PayPal informs us that the transfer has completed. This can take 4 or 5 days for US banks occasionally longer and up to 2 weeks for international usually more like 11 days. Payment by PayPal funds or credit card gets immediate shipping. We always ship in sturdy new boxes with premium heavy duty packing tape, bubblewrap and filler to keep the item away from the sides of the box, unless requested otherwise. The different shipping options we use are described below. All shipments will include delivery confirmation. If the item will be shipped to a California address, please see the note below on California Sales Tax. We are happy to combine shipping on multiple items and will charge you only a small amount over the actual postage cost to pay for packaging materials. Please wait for us to invoice you before paying for multiple items. Shipping to US Destinations: We normally ship items using the US Post Office. If you would prefer a different shipping method or carrier, let us know. Media Mail For qualifying media material:

Chapter 2 : » A Review by Barry Gardner: REED STEPHENS « The Man Who Risked His Partner.

*The Man Who Risked His Partner has ratings and 14 reviews. Michael said: At the core, Donaldson's Mitch Axbrewder mysteries are little different than.*

Aug 26, Don Simpson rated it really liked it I liked this a lot. It was a mystery until the very end. Jun 14, Suzana Vuksanovic rated it really liked it Puerto del Sol, somewhere new the Mexican border, is where this story is set. Just shows how much the publishers know. Because this is well written, and entertaining. The setting adds real flavour to the story somewhat indicative of the major role setting would play in his fantasy novels and provides an interesting backdrop to events. Ginny Fistoulari has a stump where her left hand was blown off in the last novel, and is not coming to terms with it, and Mick Axbrewder, an alcoholic, is pinning for the lost direction and drive that she provided in his life. Classic Thomas Covenant type stuff. As the two from "Fistoulari Investigations" progress it seems that their client is lying about his own circumstances - and frightened more by threat of discovery than by the death threats that drove him to seek protection in the first place. I enjoyed this book. There are two more in the series: I first read them years ago, and I had fond memories of them. Maybe no mystery stories do, but I found the writing almost painful this time. In this genre, the mystery is often either so inscrutable that it becomes irrelevant, or it is so obvious that the reader has to wait whole chapters for the "detectives" to catch up. In this genre, the mystery is often either so inscrutable that it becomes irrelevant, or it is so obvious that the reader has to wait whole chapters for the "detectives" to catch up. This book is much more of the former. When the theory falls apart, it seems kind of random. I wanted to believe that these detectives are good at their job, and that the theories they spin make sense. Donaldson has these hard-nosed characters make that most annoying and unrealistic of mistakes associated most closely with the climax of a Scooby-Doo mystery: Who would really do that?!? I remain a Donaldson fan, but these books made me realize that his real talent is in writing characters. Mysteries are apparently not a great area for him to apply his talent.

### Chapter 3 : The Man Who Risked His Partner by Stephen R. Donaldson

*The Man Who Killed His Brother was the first, and The Man Who Risked His Partner is the second of the three. Mick "Brew" Axbrewder is a P.I. who's seen better days. Deeply into alcoholism, some time back, he accidentally shot and killed a cop. Worse, the cop turned out to be his brother.*

Now he has to save them both At his death in November he left three unpublished novels that made up the trilogy. It became a posthumous best-seller in several European countries One Shot Lee Child Six shots. One heartland city thrown into a state of terror. But within hours the cops have it solved: Except for one thing. The accused man says: You got the wrong guy. Get Reacher for me. And sure enough, from the world he lives in--no phone, no address, no commitments--ex--military investigator Jack Reacher is coming. The gunman worked from a parking structure just thirty yards away--point-blank range for a trained military sniper like James Barr. His victims were in the wrong place at the wrong time. But why does Barr want Reacher at his side? There are good reasons why Reacher is the last person Barr would want to see. And a slam-dunk case explodes. Soon Reacher is teamed with a young defense lawyer who is working against her D. Like most things Reacher has known in life, this case is a complex battlefield. But, as always, in battle, Reacher is at his best. Moving in the shadows, picking his spots, Reacher gets closer and closer to the unseen enemy who is pulling the strings. And for Reacher, the only way to take him down is to know his ruthlessness and respect his cunning--and then match him shot for shot From the Hardcover edition Be sure to check out our cook books and food section of our rare book room.
