

Chapter 1 : Mary Rose a Play In Three Acts by Barrie, J M

Sir James Matthew, Baronet Barrie a Scottish journalist, playwright, and children's book writer who became world famous with his play and story about Peter Pan, the boy who lived in Never Land, had a war with Captain Hook, and would not grow up. Mary Rose is one of the best ghost stories.

Each play features a character who traverses the boundaries of time. The difference lies in the telling. Peter Pan boldly proclaims the pleasure he takes in eternal youth. Mary Rose Morland, the wispy heroine of this late-career masterpiece, has no conception of her arrested development. That fact infuses the play with a bone-deep sadness that pervades even its lighter moments, of which there are many. Johnson as a fluttery, impulsive year-old. The simple white dress she wears costumes by Robin I. Shane can barely contain her. She returned with no sense that any time had passed. Act II moves to "a verdant patch of grass on the Woodlands lawn. Smith for Wide Eyed Studios. Even as Mary Rose marries and becomes a mother, she retains a countenance at once childlike and haunted. Johnson moves fluidly between proper bearing and youthful glee, all while foregrounding a sense that Mary Rose is not of this world. But Moyer does much to integrate Holland into the action, rather than leaving the narrator a passive participant. Holland moves impishly throughout the scenes, sometimes controlling the action like a mercurial ringmaster. Their presence is so precisely assimilated I cannot imagine the play without it. That production failed to use the boat to its full capacity, mostly segregating the action to a contained area that replicated a traditional theater space. Here, Moyer and production designer Kate St. Welcome gusts of cool air stood in for the loch breeze, and a chorus of buzzing bugs and flitting flies underscored the dialogue. PAC deserves praise for bringing this neglected classic to light.
