

Chapter 1 : What is Free Masonry and what do Free Masons believe?

Masonic Family Bible. The Masonic Family Edition is a perfect bereavement gift for the widow of a departed brother or for the newly-raised Master Mason. The Masonic Family Edition is a complete Masonic reference edition with presentation pages, Concordance, and dictionary.

Please note - by this article, we are not claiming that all who are involved in Freemasonry are cultists, or that all Freemasons believe all the items mentioned below. What we are saying is this - Freemasonry at its core is not a Christian organization. There are many Christians who have left Freemasonry after discovering what it is truly all about. Please visit Ex-Masons for Jesus for more information. There are also good and godly men, true believers in Christ who are Freemasons. It is our contention that this is because they do not truly understand Freemasonry. Each person should pray for wisdom and discernment from the Lord as to whether to be involved with Freemasonry. This article was reviewed and approved for accuracy by a former Worshipful Master of a Blue Lodge. Freemasonry, Eastern Star, and other similar "secret" organizations appear to be harmless fellowship gatherings. Many of them appear to promote belief in God. The unbiblical and anti-Christian beliefs and practices of this organization are partially hidden beneath an outward appearance of a supposed compatibility with the Christian faith. The following is a comparison of what the Bible says with the "official" position of Freemasonry: The very process of joining the Lodge requires Christians to ignore the exclusivity of Jesus Christ as Lord and Savior. According to Freemasonry, a person will be saved and go to heaven as a result of his good works and personal self-improvement. The View of the Bible: The supernatural and plenary inspiration of the Scriptures that they are inerrant and that their teachings and authority are absolute, supreme, and final. The Bible is the Word of God 2 Timothy 3: The Bible is an important book, only as far as those members who claim to be Christians are concerned, just as the Koran is important to Muslims. It is a good guide for morality. The Doctrine of God: There is one God. The various names of God refer to the God of Israel and reveal certain attributes of God. To worship other gods or to call upon other deities is idolatry Exodus Paul spoke of idolatry as a heinous sin 1 Corinthians All members must believe in a deity. Different religions Christianity, Judaism, Islam, etc. The Doctrine of Jesus and the Trinity: Jesus was God in human form Matthew 1: Jesus is the second person of the trinity Matthew While on earth, He was fully human Mark 4: It is deemed to be un-Masonic to invoke the name of Jesus when praying, or mention His name in the Lodge. Suggesting that Jesus is the only way to God contradicts the principle of tolerance. The name of Jesus has been omitted from biblical verses that are used in Masonic rituals. Jesus is on the same level as other religious leaders. Human Nature and Sin: All humans are born with a sinful nature, are totally depraved, and need a Savior from sin Romans 3: The Bible denies that because of the Fall, humanity has within itself the capacity for moral perfection 1 John 1: Human beings are able to improve their character and behavior in various ways, including acts of charity, moral living, and voluntary performance of civic duty. Humanity possesses the ability of moving from imperfection toward total perfection. Moral and spiritual perfection lies within men and women. When a Christian takes the oath of Freemasonry, he is swearing to the following doctrines that God has pronounced false and sinful: That Jesus is just one of many equally revered prophets. That they will remain silent in the Lodge and not talk of Christ. That they are approaching the Lodge in spiritual darkness and ignorance, when the Bible says Christians are already in the light, children of the light, and are indwelt by the Light of the World Jesus Christ. By demanding that Christians take the Masonic oath, Masonry leads Christians into blasphemy and taking the name of the Lord in vain. Masonry teaches that its G. By their very membership in such a syncretistic type organization, they have severely compromised their witnessing as Christians. By taking the Masonic obligation, the Christian is agreeing to allow the pollution of his mind, spirit, and body by those who serve false gods and believe false doctrines. As you can see, Masonry denies and contradicts the clear teaching of Scripture on numerous issues. Masonry also requires people to engage in activities which the Bible condemns. As a result, a Christian should not be a member of any secret society or organization that has any connection with Freemasonry. Again, for more information, we strongly recommend Ex-Masons for Jesus.

Chapter 2 : How to Read a Masonic Bible Online | Pen and the Pad

Holy Bible Masonic Temple Illustrated Edition, and King Solomon's Temple in Masonry. Illustrated, with King James Version, of the Holy Bible (Leather Bound) (Masonic Bible).

Horror of All Horrors! Dozens and dozens of perfectly formed Masonic Handshakes adorn the first section of the original KJV, stamping this original Bible with the unmistakable stamp of Freemasonry - Rosicrucianism. You will not believe your eyes! Notice what we are NOT saying. He and his Knights of the Helmet spent nearly one year fashioning these symbolic pages in front of, and throughout, the text, after the KJV scholars had finished their manuscript. The New World Order is coming! Once you understand what this New World Order really is, and how it is being gradually implemented, you will be able to see it progressing in your daily news!! Learn how to protect yourself, your loved ones! Stand by for insights so startling you will never look at the news the same way again. See full copyright notice below. Before we get started in this first article in our journey to discover hidden truth about the King James Version of the Bible, let us remember our main premise: Please take a moment to read our original treatise on this most important subject, in our "Defending The KJV" section. We will never say that. Our research indicates that the official KJV scholarship committee completed their work in and handed the manuscript to King James. The King then promptly gave that manuscript to Sir Francis Bacon, who possessed it for about one year, until , when he handed the manuscript back to the King, who promptly sent it to his official printer. Historians have debated why King James felt that Bacon needed this manuscript for one year and what Bacon did with or to the manuscript while he had it for that time. Now, however, we feel confident that Bacon used this time to plan how to coordinate the text with all these symbols -- page after page after page! We have another, and cheaper source, for these original King James Bibles! A website called GreatSite. They are computer scans of an original KJV. Listen to the purpose of a Masonic Handshake to the Masons who use them so often. The handshake, or grip, is a sign of unity, oneness of purpose and allegiance or devotion to a joint cause. It is considered a bond or seal of acknowledgment between Illuminist brethren. Masonic handshakes accomplish the following: A former Satanist told me that all witches place great stock in symbols. They believe that, once a symbol is created, it begins to throb with occult energy from the demonic realm. Symbols literally are believed to be transfer points of great supernatural energy. It makes no difference whether the symbol is on the ground or the floor of a building -- as it in with all rituals -- or in a painting, or on a piece of paper. Once they are created, they begin to throb with enormous demonic power. Thus, it is of great significance that all these Satanic symbols were originally placed on the original KJV Bible. The Rosicrucians who created these symbols really and truly believed that they were creating "centers of occult power" which would throb with demonic power 24 hours per day, 7 days per week. I believe that Bacon and King James firmly intended to create a Rosicrucian Bible, filled with occult symbols which were "throbbing with Satanic power", designed to move the entire English-speaking peoples of the world into the "Mystic Christianity" called Rosicrucianism. Bible from that wicked King! Note the position of the thumb over the finger of the hand on the left in this picture; it is distinctly cocked and uniquely positioned over the knuckle of the first finger. This is the perfect Masonic handshake. In reality, the accuracy of the handshake depends upon the skill of the person giving, or receiving, the handshake. Some Masons do a good job and some Masons do a lousy job. As you view the Masonic handshakes in the original King James Bible, notice the proper angle of the thumb over the other hand, just as you see above. Also please be aware that these Masonic handshakes occur in the Genealogies Section. In many cases, on an entire page of a Family Tree, the handshake will occur way down the page, and sometimes between only two people. In terms of space, we have copied only the section showing the handshake. Were we to show every entire page on which one or more handshakes occurred, this article would run to over 40 pages long! A good example is the Abraham Family Tree. Rather, this is the future Garden of Eden -- the genealogies of Cain and Seth notwithstanding -- as we shall prove in an article about two weeks from now. The only reason we show this future Garden with the future Adam and Eve, is to show the Masonic handshakes. The first Masonic handshake is shown between the Adam and Eve headpieces. Notice the thumb

making that distinctive grasp of the first knuckle of the other hand. Down below, between Adah - Lamech - Zillah, are more distinctive Masonic handshakes. The Masonic handshake up at the very top between the Adam and Eve headpieces means that the New World Order will be established, and governed, by Masonry. We shall explain later why we know this is the planned future Paradise on Earth which Sir Francis Bacon set as his ultimate goal. Suffice it to note there that the New World is planned to be governed by Masonry. Notice also that the only place where Masonic handshakes occur below is in the genealogies of Cain -- the wicked first murder, upon whom God placed a life-long curse. That should speak volumes about the true nature of Freemasonry. Now, look at a close-up view of this Masonic Handshake which appears at the top, between the Adam and Eve headpieces. You will see how distinctively Masonic this handshake is. Genealogy of Leah We show this genealogy in full for two reasons: They just look like machines. But, what did we say in K about the Rosicrucian world view? Listen as we quote Francis Yeats again on this subject: The Title Page for the New Testament, page , is extremely mechanical in its look. This genealogy shows the genealogy leading up to King David! Since King David is so very important to the Cabbalist Rosicrucian, these occultists would naturally claim that a great many links in his Family Tree would be Masonic. Look at all the Masonic handshakes! Notice that Solomon is depicted here as a Freemason, one of the most cherished of all Masonic teachings. We have provided many more examples below. Click "View" by each title to view the image in a new window. They took perfectly good text and added page after page after page of Rosicrucian artwork, some of which tells a hidden story, while others are just symbols. These Masonic handshakes are very real and very telling, for they tell the story that Bacon and King James conspired to produce a Rosicrucian masterpiece when they published this Bible. Likely, Bacon, James, and the Knights of the Helmet intended that this KJV would be the perfect compliment to the Shakespearean plays in popularizing the new Elizabethan English with the common people. In the opinion of one Masonic author, Bacon and the Knights of the Helmet considered how to popularize this new English amongst the people and concluded that two different tools were required: Both Pilgrim and Puritan leaders immediately rejected the KJV, based upon the Satanic symbolism they instantly recognized. Even Anglican pastors -- who are supposed to take orders from Headquarters without murmur, complaint, or resistance -- rebelled, refusing to take out their beloved Geneva Bibles and put in the new King James Bibles, filled with all these Satanic symbols. In about , another printing run was undertaken, and this time, all these Satanic symbols were taken out. All coding was likewise removed. At this point, the KJV was fine -- it was the Bible we know and love and trust today. Gradually, over the next years, the natural superiority and beauty of Elizabethan English took over and gradually forced the Geneva Bible into obscurity. The Holy Spirit prevented these Rosicrucians from tinkering with the text, He prevented Bacon and King James from triumphantly popularizing a Rosicrucian Bible, and He preserved His integrity in the minds and hearts of true believers of that time. But, can you now begin to see how Pilgrim leaders so quickly rejected the new King James Bible? Truly, the Holy Spirit triumphed according to these Scriptures: He prevented the greatest attack in the modern era on His Word in the English language. They accepted the clean-up version in Circa because the text was wonderfully accurate and all the symbols were removed. At that point, all English speaking people had a trustworthy Bible, one they could accept, embrace, love and trust with their eternal soul. Hundreds of millions of people will be in Heaven because of the cleaned-up King James Bible. If you have accepted Jesus Christ as your personal Savior, but have been very lukewarm in your spiritual walk with Him, you need to immediately ask Him for forgiveness and for renewal. He will instantly forgive you, and fill your heart with the joy of the Holy Spirit. Then, you need to begin a daily walk of prayer and personal Bible Study. Once you accept Him as Savior, you are spiritually Born Again, and are as assured of Heaven as if you were already there. Then, you can rest assured that the Kingdom of Antichrist will not touch you spiritually. If you would like to become Born Again, turn to our Salvation Page now. We hope you have been blessed by this ministry, which seeks to educate and warn people, so that they can see the coming New World Order -- Kingdom of Antichrist -- in their daily news. Finally, we would love to hear from you. You can contact us by mail or email. Chapter 3 : Masonic Holy Bible Pdf - Ebooks

Up for sale is a Holy Bible Masonic Edition from The piece in the picture is the actual piece that you will receive.

Grand Lodge Grand Lodges and Grand Orients are independent and sovereign bodies that govern Masonry in a given country, state, or geographical area termed a jurisdiction. There is no single overarching governing body that presides over worldwide Freemasonry; connections between different jurisdictions depend solely on mutual recognition. The largest single jurisdiction, in terms of membership, is the United Grand Lodge of England with a membership estimated at around a quarter million. Each Grand Lodge maintains a list of other Grand Lodges that it recognises. When two Grand Lodges are not in amity, inter-visitation is not allowed. There are many reasons one Grand Lodge will withhold or withdraw recognition from another, but the two most common are Exclusive Jurisdiction and Regularity. If two Grand Lodges claim jurisdiction over the same area, the other Grand Lodges will have to choose between them, and they may not all decide to recognise the same one. In , for example, the Grand Lodge of New York split into two rival factions, each claiming to be the legitimate Grand Lodge. Other Grand Lodges had to choose between them until the schism was healed. Regular Masonic jurisdictions Regularity is a concept based on adherence to Masonic Landmarks , the basic membership requirements, tenets and rituals of the craft. Each Grand Lodge sets its own definition of what these landmarks are, and thus what is Regular and what is Irregular and the definitions do not necessarily agree between Grand Lodges. Essentially, every Grand Lodge will hold that its landmarks its requirements, tenets and rituals are Regular, and judge other Grand Lodges based on those. If the differences are significant, one Grand Lodge may declare the other "Irregular" and withdraw or withhold recognition. The Grand Lodge should be established by an existing regular Grand Lodge, or by at least three regular Lodges. A belief in a supreme being and scripture is a condition of membership. Initiates should take their vows on that scripture. Only men can be admitted, and no relationship exists with mixed Lodges. The Grand Lodge has complete control over the first three degrees, and is not subject to another body. All Lodges shall display a volume of scripture with the square and compasses while in session. There is no discussion of politics or religion. Masonic bodies and List of Masonic Rites Blue Lodge Freemasonry offers only three traditional degrees, and in most jurisdictions, the rank of past or installed master. Master Masons are also able to extend their Masonic experience by taking further degrees, in appendant bodies approved by their own Grand Lodge. This system is popular in North America and in Continental Europe. Templar and Cryptic Masonry also exist. Ritual and symbolism Main article: A moral lesson is attached to each of these tools, although the assignment is by no means consistent. The meaning of the symbolism is taught and explored through ritual. During these three rituals, the candidate is progressively taught the meanings of the Lodge symbols, and entrusted with grips, signs and words to signify to other Masons that he has been so initiated. The initiations are part allegory and part lecture, and revolve around the construction of the Temple of Solomon , and the artistry and death of his chief architect, Hiram Abiff. The degrees are those of Entered apprentice, Fellowcraft and Master Mason. While many different versions of these rituals exist, with at least two different lodge layouts and versions of the Hiram myth, each version is recognisable to any Freemason from any jurisdiction. These painted depictions of Masonic themes are exhibited in the lodge according to which degree is being worked, and are explained to the candidate to illustrate the legend and symbolism of each degree. Accordingly, Masons swear at each degree to keep the contents of that degree secret, and to support and protect their brethren unless they have broken the law. In Progressive continental Freemasonry, books other than scripture are permissible, a cause of rupture between Grand Lodges. History of Freemasonry Origins Goose and Gridiron, where the Grand Lodge of London and Westminster, later called the Grand Lodge of England was founded Since the middle of the 19th century, Masonic historians have sought the origins of the movement in a series of similar documents known as the Old Charges , dating from the Regius Poem in about [38] to the beginning of the 18th century. Alluding to the membership of a lodge of operative masons, they relate a mythologised history of the craft, the duties of its grades, and the manner in which oaths of fidelity are to be taken on joining. The theory had also been postulated in by German professor; J. Many English Lodges joined the new regulatory body,

which itself entered a period of self-publicity and expansion. However, many Lodges could not endorse changes which some Lodges of the GLE made to the ritual they came to be known as the Moderns , and a few of these formed a rival Grand Lodge on 17 July , which they called the " Antient Grand Lodge of England. The Collector for the port of Pennsylvania, John Moore, wrote of attending lodges there in , two years before the formation of the first Grand Lodge in London. Grand Lodges developed within each state. Some thought was briefly given to organising an overarching "Grand Lodge of the United States," with George Washington who was a member of a Virginian lodge as the first Grand Master, but the idea was short-lived. The various state Grand Lodges did not wish to diminish their own authority by agreeing to such a body. In , an African American named Prince Hall , [56] along with 14 other African-American men, was initiated into a British military lodge with a warrant from the Grand Lodge of Ireland , having failed to obtain admission from the other lodges in Boston. When the British military Lodge left North America after the end of the Revolution, those 15 men were given the authority to meet as a Lodge, but not to initiate Masons. This lodge is not to be confused with the various Grand Lodges in Africa. As with the rest of U. By the s, such discrimination was a thing of the past. Grand Lodges recognise their Prince Hall counterparts, and the authorities of both traditions are working towards full recognition. From France and England, Freemasonry spread to most of Continental Europe during the course of the 18th century. Briefly eclipsed during the French Revolution , French Freemasonry continued to grow in the next century, [61] at first under the leadership of Alexandre Francois Auguste de Grasse , Comte de Grassy-Tilly. A career Army officer, he had lived with his family in Charleston, South Carolina from to the early s, after leaving Saint-Domingue now Haiti during the years of the Haitian Revolution. Schism The ritual form on which the Grand Orient of France was based was abolished in England in the events leading to the formation of the United Grand Lodge of England in However the two jurisdictions continued in amity mutual recognition until events of the s and s drove a seemingly permanent wedge between them. In the Supreme Council of the Ancient and Accepted Scottish Rite of the State of Louisiana appeared in the jurisdiction of the Grand Lodge of Louisiana, recognised by the Grand Orient de France, but regarded by the older body as an invasion of their jurisdiction. The new Scottish Rite body admitted blacks. The resolution of the Grand Orient the following year that neither colour, race, nor religion could disqualify a man from Masonry prompted the Grand Lodge to withdraw recognition, and it persuaded other American Grand Lodges to do the same. The new constitutions read, "Its principles are absolute liberty of conscience and human solidarity", the existence of God and the immortality of the soul being struck out. It is possible that the immediate objections of the United Grand Lodge of England were at least partly motivated by the political tension between France and Britain at the time. The result was the withdrawal of recognition of the Grand Orient of France by the United Grand Lodge of England, a situation that continues today. In , lodges favouring the compulsory recognition of the Great Architect of the Universe formed the Grande Loge de France. For the Continental lodges, however, having a different approach to Freemasonry was not a reason for severing masonic ties. The United Grand Lodge of England does not communicate with any of these jurisdictions, and expects its allies to follow suit. This creates the distinction between Anglo-American and Continental Freemasonry. Freemasonry and women and Co-Freemasonry The status of women in the old guilds and corporations of mediaeval masons remains uncertain. The principle of "femme sole" allowed a widow to continue the trade of her husband, but its application had wide local variations, such as full membership of a trade body or limited trade by deputation or approved members of that body. The French officially abandoned the experiment in the early 19th century. Having failed to achieve acceptance from any masonic governing body, she and Georges Martin started a mixed masonic lodge that worked masonic ritual. Meanwhile, the French had re-invented Adoption as an all-female lodge in , only to cast it aside again in The lodges, however, continued to meet, which gave rise, in , to a body of women practising continental Freemasonry. While they were not, therefore, recognised as regular, they were part of Freemasonry "in general". Anti-Masonry alternatively called Anti-Freemasonry has been defined as "opposition to Freemasonry", [84] [85] but there is no homogeneous anti-Masonic movement. Anti-Masonry consists of widely differing criticisms from diverse and often incompatible groups who are hostile to Freemasonry in some form. Critics have included religious groups, political groups, and conspiracy theorists. These often lack context, [86] may be outdated for various

reasons, [87] or could be outright hoaxes on the part of the author, as in the case of the Taxil hoax. The political opposition that arose after the "Morgan Affair" in gave rise to the term Anti-Masonry, which is still in use today, both by Masons in referring to their critics and as a self-descriptor by the critics themselves. Opposition to Freemasonry within Christianity Although members of various faiths cite objections, certain Christian denominations have had high-profile negative attitudes to Masonry, banning or discouraging their members from being Freemasons. The denomination with the longest history of objection to Freemasonry is the Catholic Church. The objections raised by the Catholic Church are based on the allegation that Masonry teaches a naturalistic deistic religion which is in conflict with Church doctrine. The Code of Canon Law explicitly declared that joining Freemasonry entailed automatic excommunication, and banned books favouring Freemasonry. Unlike its predecessor, the Code of Canon Law did not explicitly name Masonic orders among the secret societies it condemns. The faithful who enrol in Masonic associations are in a state of grave sin and may not receive Holy Communion. His writings represented his personal opinion only, and furthermore an opinion grounded in the attitudes and understandings of late 19th century Southern Freemasonry of the USA. Notably, his book carries in the preface a form of disclaimer from his own Grand Lodge. No one voice has ever spoken for the whole of Freemasonry. Roberts was a vocal opponent of Freemasonry in the mid 19th century. Roberts opposed the society on moral grounds and stated, "The god of the lodge is not the God of the Bible. Freedom from secret societies is one of the "frees" upon which the Free Methodist Church was founded. In recent decades, however, reservations about Freemasonry have increased within Anglicanism, perhaps due to the increasing prominence of the evangelical wing of the church. The former Archbishop of Canterbury, Dr Rowan Williams, appeared to harbour some reservations about Masonic ritual, whilst being anxious to avoid causing offence to Freemasons inside and outside the Church of England. In he felt it necessary to apologise to British Freemasons after he said that their beliefs were incompatible with Christianity and that he had barred the appointment of Freemasons to senior posts in his diocese when he was Bishop of Monmouth. This has been generally affirmed throughout the whole Eastern Orthodox Church. The Orthodox critique of Freemasonry agrees with both the Catholic and Protestant versions: However, countries such as Turkey and Morocco have established Grand Lodges, [] while in countries such as Malaysia [] [] and Lebanon [] there are District Grand Lodges operating under a warrant from an established Grand Lodge. Lodge buildings were confiscated by the government. However, the position changed following the revolution, and all lodges were forced to close in In the wake of the French Revolution, the Unlawful Societies Act banned any meetings of groups that required their members to take an oath or obligation. This continued until, when the obligation of the provision was rescinded by Parliament. Reports of the "Morgan Affair", together with opposition to Jacksonian democracy Andrew Jackson was a prominent Mason, helped fuel an Anti-Masonic movement.

Chapter 4 : 25 Bible verses about Masons

Masonic Bibles, Bible Heirloom Bibles, Master Mason Bibles, Masonic Lodge Bibles, Altar Bibles.

Chapter 5 : Masonic Bible | eBay

My Masonic Bible is a King James Version, and the text itself is not different. What is different is the extensive notes in the back relating things in the Masonic lodge and rituals to the parts of the bible that are relevant.
