Our Designers I was determined that I would not buy my dress locally, but would try on dresses at White Weddings just to get an idea of what style I wanted before I traveled to find my dream wedding dress. From the second I walked in, I, along with my sister, mom, soon-to-be mother in law, and two soon to be sister-in-laws, were welcomed with open arms. After trying on the ten dresses, I changed my mind about where I was going to buy my dress. My new decision was which dress would I choose?! Brooke was SO patient as I tried on the last three contenders over and over again to choose my dress. I finally chose the most perfect dress! My experience was nothing less than amazing. I have gone back multiple times to choose bridesmaid dresses and groomsmen tuxes and am greeted by name each time I go in. I would definitely recommended this boutique to anyone! Local or out of town, visit this shop before you buy your dream dress!! The girls knew exactly the style that would look great on my figure and ultimately helped me in choosing the most beautiful dress for my big day! So thankful this gem is in South Georgia. I will refer everyone to White Weddings for any wedding attire need! Wish I could give them more than 5 stars! Somebody recommended that I go there so I did and from the moment I walked in the door they made me feel like it was all about me! They were so helpful and knew just what to pull for me to try! I found my dream dress here and would recommend them to anyone looking for their dream dress! Cannot say enough good things about White Weddings. I cannot thank them enough for everything! Thank you so much to Brooke and Natalie for a wonderful experience in my search for the perfect wedding gown! The team at White Weddings is very professional and personable to each and every Bride. They were very accommodating since my family was having to travel for our appointments. Because of the exceptionalism the team at White Weddings displayed throughout my search for my wedding gown, I would highly recommend! These people are amazing. They truly made my planning easier, and a lot less stressful! Whatever I asked for, whatever was recommended, she went and got it done! She was the one who helped me find the dress I will be getting married in, and for that I will be forever grateful! Also, when I was going crazy trying to find the right bridesmaid dresses.. I love this place, and recommend it to any future brides!!! I was so very pleased with the staff at White Weddings, they made sure to go above and beyond to make my experience the best it could be. I highly recommend White Weddings, especially if your are looking for an amazing experience and high quality. My experience at White Weddings was amazing! The entire process was super easy!making an appointment, choosing dresses to try on, trying on dresses, and buying the dress. Natalie made me feel beautiful and comfortable the entire morning. Well, most of the dresses fit me perfectly! Best wedding boutique in the south! Valdosta, GA
