He installed a two-tier management "dream team" of Ray Wilkins as First Team Manager and Kevin Keegan as chief operating officer, [30] pledging that the club would reach the Premier League within five years. Frenchman Jean Tigana was put in charge and, having signed a number of young stars including French striker Louis Saha, he guided Fulham to their third promotion in five seasons in the 2001 season, giving Fulham top-flight status for the first time since Fulham once again amassed points out of a possible in their scintillating title run, which was crowned with an open-top bus parade down Fulham Palace Road. They are the only team to have twice reached points in a season. During the season, Chris Coleman was involved in a car crash that put him out of action for well over a year and eventually ended his playing career after he failed to make a sufficient recovery. The club finished the 2002 season in 13th place. Fulham were the only team to host top-flight football with some standing areas in the 21st century, but due to restrictions on standing, this was not allowed to continue; clubs promoted from the second division had only three years to make their ground all-seater. Fulham were forced to groundshare with QPR at Loftus Road during the 2003 and 2004 seasons while Craven Cottage was rebuilt as an all-seated stadium. There were fears that Fulham would not return to the Cottage, after it was revealed that Al-Fayed had sold the first right to build on the ground to a property development firm. Chairman Al-Fayed told manager Jean Tigana that his contract would not be renewed at the end of the season. However, with five games left to play and relegation still possible, Tigana was sacked, and Chris Coleman was temporarily put in charge. Fulham won 10 points from a possible 15 and managed to avoid relegation. The following season Fulham improved by one place, finishing 12th – the high point of the season was a 1–0 win over local rivals and reigning champions Chelsea in the West London derby – Chelsea had only lost two games in two and a half years. His replacement was Northern Ireland manager Lawrie Sanchez. Fulham only gained four points from five games with Sanchez as caretaker manager. They ensured top-flight survival that season by defeating a weakened Liverpool side 1–0 in the penultimate match of the season, and Sanchez was appointed manager. Robin van Persie takes a free kick as Fulham players form a defensive wall. The turning point of the season came in the third-to-last match, against Manchester City. Fulham trailed 2–0 at half-time and had the Premier League scores at that time become results, they would have been relegated. However, the introduction of Diomansy Kamara heralded the start of a fantastic comeback – Kamara struck twice as Fulham registered an amazing 3–2 victory. Barring a goal-rush from fellow strugglers Reading, a win against a Portsmouth side looking ahead to their fourth FA Cup final would guarantee survival. With 15 minutes to play at Portsmouth, Fulham were drawing, and with Birmingham City and Reading leading comfortably against Blackburn Rovers and Derby County respectively, they looked likely to be relegated. Hodgson had ensured survival against all odds, breaking several club records in the process and cementing his place in Fulham folklore. In the 2009 season, Fulham finished seventh, their highest-ever league placing, earning qualification for the inaugural UEFA Europa League, the second time that the club had entered a UEFA competition. They were eliminated from the FA Cup in the quarter-finals for the second year running, and finished 12th in the Premier League, despite fielding weakened teams in the last few matches. In their first European cup final, the Cottagers were beaten 2–1 after extra time, having drawn 1–1 after full-time. The achievement of taking Fulham so unexpectedly far, beating famous teams like Hamburger SV, Juventus, holders Shakhtar Donetsk and Basel in the competition, led to Roy Hodgson being voted the LMA Manager of the Year by the widest margin in the history of the award. Despite losing 3–1 in the first leg at Italian giants Juventus and falling behind minutes into the second leg at Craven Cottage, Fulham scored four goals with no reply from Juventus. At the end of the season, Hodgson left

Fulham to manage Liverpool. Established in the Premier League[edit] On 29 July , Mark Hughes was named the successor to Hodgson, signing a two-year contract with the club. Hughes had previously managed Manchester City, the Welsh national team and Blackburn. The highlight of the season was a 4-0 win in the FA Cup over London rivals Tottenham Hotspur, all goals coming in the first half. Hughes resigned as manager of Fulham on 2 June , having spent fewer than 11 months at the club. The Whites had an encouraging finish in eighth position and qualified for the Europa League via Fairplay. Clint Dempsey scored a club record 50 Premier League goals for Fulham between and The New Year saw two further hat-tricks scored by Clint Dempsey. On 11 February , Progrebnyak scored on his debut in the 2-1 win over Stoke City. However, they failed to achieve this after losing their last game away at Tottenham. In the 2013 season , Fulham ended a seven-match winless run by beating Swansea City 3-0 away at the Liberty Stadium on the final game of the season on 19 May Fulham finished the season in 12th place. New ownership, relegation and promotion[edit]
