

Chapter 1 : Florida Honeymoons and Romantic Getaways - calendrierdelascience.com

Fort Myers Beach (South Gulf Coast): Enjoy the casual and welcoming atmosphere at Fort Myers Beach, which couples large and accessible swathes of white sand and a laid-back, beach-bum vibe. Grayton Beach (Panhandle): The white-sand beaches of Florida's Panhandle are legendary and quite popular.

Some couples like to enjoy two different honeymoon lifestyles. Consider buying one way air tickets and enjoying a car trip between two different destinations. For example, visit sophisticated Miami, then take a leisurely romantic drive down to the Keys to enjoy a laid back lifestyle of pristine islands and beaches. Or, shop, dine and live in the lap of luxury at a resort in Naples, then take off for the simple life of Marco Island, then enjoy the natural beauty of the Everglades. Beach buffs can share romance on Atlantic Ocean beaches or Gulf of Mexico sands. Many are less than miles apart! Be sure to get a car rental confirmation number and take it with you. If you are honeymooning in peak season, December-Easter, double check the reservation directly with the rental agency before leaving home. The rest of the state is in the Eastern time. Keep this in mind when booking appointments and making reservations! A refreshing lime colored Mojito is the perfect introduction to a hearty Cuban sandwich. Ask your Concierge to arrange it in advance so your name will be at the door. If you want to visit more than one, ask him to arrange entry to all of them, and be sure to dress for a night on the town. Start with sophisticated sunning and trendy shopping and, when night falls, enjoy dinner in an ultra romantic restaurant. Then dance the night away to sultry rhythms at an outrageously chic club for a full day and night of honeymoon dreams come true. Head to Destin , and you can access the fishing grounds for big game fish faster than almost anywhere. Experienced captains will take you out on full or half-day excursions to help make sure that your luck at catching a big one is more than good. Lady Luck will also smile on your chances of hooking a record breaking-bass in Palatka, Lake Kissimmee , or Lake Okeechobee. Expert wedding planners at their Wedding Chapel arrange memorable weddings, and can even provide beautiful wedding wear and trousseau items right on the premises. Remember, this fun-filled world has 4 theme parks and is twice the size of Manhattan, so you have seemingly endless fun and romance to explore. Take a swamp buggy tour or an airboat ride through one of the most unique and exotic ecosystems in the world. Step back in history as you stroll the narrow streets and surround yourselves with the aura of the past. Hold hands over lunch at a tiny restaurant, browse the boutiques, and explore the town that Spanish settlers inhabited over four hundred years ago. The state is sprinkled with great golf courses , many of which have spectacular water views! A world renowned golf museum and courses are just outside Jacksonville. A road trip from Key Largo to Key West at the very tip of the state will introduce you to some of the most romantic getaways on this planet. Take time to steal a kiss as you enjoy the spectacular sunsets and the breathtaking natural beauty of the islands that comprise the area.
