

Chapter 1 : My Own Main Street by William Andrew Johnston

Excerpt from My Own Main Street My Own Main Street, the writer's thought was to keep the manuscript, crude sketches and drawings of the places and characters mentioned only as a Family Souvenir, and it was only after much persuasion by those who had been permitted to read the notes and see the drawings and sketches that the objections to its publication were overcome.

Growing up on the Pacific Northwest coast, small town boy Jake Morgan wants to find himself and his purpose in life. With the help of his many friends along Main Street, he lights his artistic creativity on fire. Taking the lead, he forges a coalition of artists, movers and shakers to build a community and open an art gallery on Main Street. Along the way, lives are transformed, including his own, on his way to manhood. In this young adult novel, Jake discovers his own artistic gifts and dreams, and connects with others along Main Street, who are seeking their own artistic dreams and creativity. Together, they build a renewed community, healing old wounds and reinvigorating their lives. Maha Al Fahim Language: Amina was born in Dubai in the s. As a child, Amina was brutally beaten by her father. As she came of age, she was cruelly discriminated against in favor of her brothers. But as a woman she nonetheless persisted in her love for her family, which was at the center of her life. Managing to connect her father with life-saving medical attention at a time when he was dangerously close to death, she subsequently witnessed what appeared to be a miracle. Her grateful father became a famous businessman and a fervently devout Muslim. Delighted with his apparent change of heart, Amina felt as though her loyalty had been rewarded. She soon discovered that her father was, in fact, a gangster, hiding behind the shield of religion. This true tale is more than a disturbing account of hypocrisy, corruption, and betrayal. Hilda; Kirt Bromley Language: Responding to a call from the Lord, the Bromleys trusted in Him to provide. They set up a nonprofit organization, collected books, raised funds for shipping, and then traveled to Ghana to meet with local communities to help set up their libraries. The Bromleys view the work as a mission from God to provide opportunities for people in rural areas where textbooks and educational resources are very limited. This book relates the experiences of this mission from its inception in to the present time, working with rural communities setting up libraries.
