This is an amazing timeless masterpiece by Richard Scarry. It is a tale about a bunny who wants to be just like his father when he grows up to be an adult bunny-rabbit. This is a wonderful heartwarming gem to share with your child or grandchildren. With very charming illustrations, and a well-written simple text; making this a childhood classic a perfect addition to any family library. This little golden book is a golden bunny classic! The timeless artwork is very sweet eye-candy to a child, and adults as well. Only the baby bunny knows for sure, and his choice is precious and heart-warmer. This is a particularly good one for fathers and their little boys to read together. It is fun to give each family member a different voice and it is hard not to get all choked up at the very end. I would highly recommend this book for little ones from one year old to adulthood. Beautifully written by Patsy Scarry, and handsomely illustrated by Richard Scarry. A great children book, picture book, with lots of preschool fun. In this timeless children's Christmas book Santa is wondering what he could stuff in all those countless stockings this year on Christmas Eve. Santa came up with an amazing and wonderful surprise for all of us. This lovely book is part of the series called: Big tell-a-tale books. It is a beautifully decorated hardcover book with 24 lavishly illustrated pages. The publisher Whitman, went all out with this 1st Edition edition made in for the holiday season. A Whitman Big Tell - a - Tale Little ones can many spend happy hours gazing at beautifully drawn elaborate costumes, or the musical instruments, and let us now forget the partridge in a pear tree. Sheilah Beckett is known for dazzling, detailed and lush illustrations, and they make this Little Golden Book a festive gift for the eyes to treasure. She was still working when she passed away at the incredible age of , and in fact she illustrated beautiful and timeless The Nutcracker Little Golden Book at the incredible age of . A Christmas Carol, another Wonderful Holiday little Golden Book. Sheilah Beckett is known for dazzling, detailed and lush illustrations, and they make this Little Golden Book a festive gift for the eyes to treasure. This book was copyrighted in by Warner Brothers. Needless to say the illustrator was Ralph Heimdahl. This is a fun children book, and is a great picture book. I think this would make a great book to read to a preschooler for some preschool fun. It was released by Golden Press in the year . It is beautifully told by Annie North Bedford, and the color-rich pictures are by the remarkable Walt Disney Studio staff of artist. It was adapted by Samuel Armstrong and is from the well-loved motion picture "Chips Ahoy. This little book shows us how God is great, and that He sends the sunshine to make things grow. It is just as the publisher stated the Little Golden Books are books that a child can read and keep and to grow with. They are very entertaining, they are informative, and help them stretch the boundaries of the imagination of young ones. The Golden Books have a wide variety of stories and subjects, and they are known for their colorful inviting illustrations which have made them favorites with children and parents for more than fifty years. Noel has a very special quality in his makeup which he eventually shares with all of mankind. Noel is a little red glass hand-blown ornament who has "a happiness" inside his makeup. He looks forward each year to the remarkable "Christmas Holiday" thing. Many people today cannot imagine our Christmas movie, or a Christmas book collection without the sweet and simple and heartwarming story of Noel. This is a wonderful and uplifting Christmas story with a lot of great and spiritual meaning. I love this sweet story as much as as an adult today. There have been well over one billion Little Golden Books sold over the years that have reached the hands of countless children. Noel has a very special quality he shares with all of mankind. Noel has a very special quality in his makeup which he eventually shares with all of mankind. He looks forward each year to the remarkable Christmas story. Ernie and Bert, are bored and stuck inside their home on a gray and rainy day, so they go up to the attic, they were at first searching for the board game Duckie Land. But instead, they find a treasure trove of amazing family mementos. "Friends of the Forest" is an entirely separate adventure from the classic movie, and is wonderfully told. The Walt Disney Company has

done a commendable job and amazing job in the formation of this brief but wonderful tale. Bambi and the others animals of the forest all have solid, and very likable character traits, and this comes through remarkably well all during the telling of the story. The story starts with Big Bird trying to find Sesame Street, but then Big Bird stops at a farm for directions and help, and learns where eggs, milk, honey, and various vegetables and fruits come from In this book Big Bird on his way back to Sesame Street, meets two children, Ruthie and Floyd, and spends the night at their farm. The story revolves around Tod, a friendly and very lonely young fox, and sweet little Copper, a very loving hound pup, the tow love to play together every chance they get. But when they get lost in the woods during a game of hide-and-seek, they learn the valuable lesson that a true friend always sticks by you! This is a great children book, for hours of preschool fun with a parent reading to there child. When they get lost in the woods during a game of hide-and-seek, they learn that a true friend always sticks by you!
