

Chapter 1 : How to write a Request Letter - Cheque Book Request Letter

Request Cheque Book in Oriental Bank of Commerce: A Cheque is used to withdraw money from a Bank Account for making various payments. Banks provide a booklet of Cheques to serve this purpose.

Do you use the cheque for making payments or withdrawing cash? Business persons mostly use Cheque Books for making payments. The bank provides a booklet of Cheques upon account opening, but the cheque slips are limited. If you most often use cheques as the means of transaction, soon the Cheque Book will finish. You need to request a new cheque book to avoid uninterrupted transactions. PNB introduces different options for the account holders to require Cheque Book. Login your PNB internet banking account. From the top menu, click on other services and scroll down to the service request. Next select your account and choose the number of Cheque leaves, then click on submit button. Finally, you have to confirm the details by entering the transaction password. There is a unique code which you need to send to a dedicated number to request Cheque Book. If mobile number did not register Read: [How to register mobile number in PNB account online Method 3](#): Fill all necessary details in the form and put your signature in required place. Finally, submit it to the bank. If you have the Chequebook, you can turn to the middle of the booklet. You will find a page which you need to fill up and drop in the cheque drop box. Within few working days, you will receive a new Cheque book at the postal address as per the records of the bank. Requesting for a new cheque book is quite more accessible these days! If you missed seeking Cheque book when opening the account, you could obtain the same later. Upon your usage, you can request a new Cheque book with 25 slips or 50 slips. Any account holder can access either of these options. It is convenient and straightforward to ask Cheque book. You can either opt for the modern methods or select the traditional methods. Make sure that you obtain the Cheque book before your financial transactions get interrupted due to unavailability of cheques!

Chapter 2 : Faqs for Internet Banking

book(s) (up to 5 cheque books per request). I/We hereby authorize the Bank to debit my/our account for any related charges and mail/deliver the new cheque book(s) to the delivery address stated above.

Chapter 3 : 4 Ways To Request PNB Cheque Book Online

I/We hereby request Oversea-Chinese Banking Corporation Limited (the Bank) to send me/us _____ chequebook/s every time my/our cheque book stock level reaches the re-ordering point. OTHER REQUEST.

Do we keep a blank cheque carelessly? Your password and PIN are as important as that! User id for corporate login Every company account other than proprietary firm can be viewed by any number of persons. The name of the company can be the corporate id and the name of the user is the user id. It will be used as an additional authentication mechanism apart from password to secure your account during login and funds transfers. Currently E-tokens are being given to corporate only. Multiple Login Concept In case you have forgotten to logout from the Internet banking, it prompts for an additional OTP when you login next time. OTP will be sent to your mobile number registered with the bank. This feature is introduced as an additional measure of security. Activation of account Branch will activate you account once on receiving the application from you. Deactivate accounts Your account may be de-activated using the following steps. To again activate your account, contact your branch. Change Nickname You can name your account using a nickname. Add accounts At the time registering there is an option to add more than one account. Otherwise when the first account gets activated, you can login with your login id and password. Bank will generate a new PIN and send to your e-mail. Secure accounts While Internet Banking is safe, it is prudent to be alert and aware of the risks involved in it. We at Indian Overseas Bank consider security to be of paramount importance and employ a range of security features like firewall, bit Secure Socket Layer SSL encryption, Verisign Digital Certificate, Two levels of authentication password and pin for financial transactions. We would like our customers also to be aware of the risks involved and take appropriate measures to secure their online banking. The intention could be to compromise your confidential data like login-id, password, pin, etc. Change the password and pin on a frequent basis. It should be that of the Bank http: It does not mean that your e-mail address, name, or any other information has been taken from our systems. Fraudulent e-mails and websites can be very convincing. Treat all unsolicited emails with caution and never click on links from such emails and enter any personal information. Last few Transactions You can view the last few transactions of your account on net banking service. Search cheque paid You can see whether your cheque is paid or not. Once the bank activates it, you will be in a position to debit your account and credit the account of the beneficiary 1. Enter the OTP received through mobile and click on submit. To say in simple terms, your cheque signing powers are translated to Internet banking funds transfer authorization instructions. There are three levels of users in funds transfer.
