Page 4 We spared no efforts to make sure that the information in this manual is correct and complete. However no liability is accepted for any errors or omissions. DGT reserves the right to change the specifications of the hardware and software described in this manual without prior notice. The main features are:

Page 7 If a player does not finish the programmed non-zero number of moves for a period, at passing zero time, the blinking flag is shown, and the DGT stops time counting for both players, indicating that the game has ended.

Page 8 For the correct working of the move counter driven Bonus Tournament option, the players are obliged to correctly stop the clock after each finished move, so that the clock keeps track of the played number of moves. Always ensure that the lever is in the correct position and the player color icons are correct before a game begins. We recommend low self-discharge alkaline batteries, on which it will run for 10 years, theoretically. If you do not plan to use your timer for a long period, we recommend that you remove the batteries to avoid damage caused by leaking.

Audible signal The DGT can give audible signals when a time control comes close. It beeps 10 seconds before every time control and also on all last 5 seconds. On the last second before time control a full second beep is given.

Page 11 Parameters that need to be programmed for manual set options: SS minutes and seconds up to 9 minutes, 59 seconds Number of moves for a period: SS Minutes and seconds up to 9 minutes, 59 seconds Number of Byo-yomi periods: Single digit number from 1 to 9

Checking The Option Number Time display For times over 20 minutes, the DGT displays hours and minutes. The icons hrs and min are visible. For times under 20 minutes, the clock displays minutes and seconds and the icons min and sec are visible.

Care And Cleaning Care and cleaning Your DGT is a durable, well-made product. If you treat it with reasonable care, it should give you years of trouble-free performance. To clean the clock, use only a slightly-moistened soft cloth. Do not use abrasive cleansers.

Chapter 3 : Reloj Electrónico de Ajedrez Game Timer
