

Chapter 1 : Book:The Open Door - Wikipedia

This long-awaited book from best-selling spiritual guide Joyce Rupp brings new life to the ageless spiritual image of the door, weaving insights from East and West with the wisdom of contemporary spiritual writers, poets, and novelists in a practical format that is just right for contemporary readers.

Sep 12, Becky B rated it really liked it Recommends it for: Slinky Malinki can open doors, and he uses this skill to get into rooms he and Syd are probably not allowed to play in usually. Their romp through the house leaves quite a trail of destruction and messes behind. The humorous and colorful illustrations are accompanied by well done rhyming text that repeats certain phrases making it easy for emergent readers to "read" along. Some of the British-named objects Slinky and Syd play with will possibly be foreign to American kids like petticoats and pillow slips. The great rhymes and repetition make the book appeal to even very young ones. The humor and mess make it appeal to older children as well. We love Slinky Malinki. I just read this story again with my daughter, and this is the first time that I spent a long time looking at the pictures. I think that the pictures are even better than the story itself. They are funny and detailed. Some of them give The chaos caused by this cat is so fun to read about. Some of them give clues to what is about to happen on the next page. My mom had brought the original home from England for my children when they were little. There are plenty of us cat lovers here after all. The illustrations are fun and colorful and the story is told in a poetic meter. This story ends in a typically Slinky Malinki fashion with it ending in a scene of Slinky Malinki opening the front door to a group of dogs after he and Stickybeak Syd have wreaked havoc galore through the house. The potential impact of the addition of a bunch of dogs to the scene will not be lost on the children who read this book or have it read to them. The ending scene and the potential action that would follow it if the story continued can be a good leaping off point for discussion with children about different versions of what could happen. Stories with this kind of ending are not just fun and interesting, they are also instructive and help develop critical thinking skills which are so vital.

Chapter 2 : Slinky Malinki, Open the Door by Lynley Dodd

Just Open the Door is a personal yes-you-can guide to offering the life-changing gift of invitation. Whether you're a seasoned host looking for renewed inspiration or a nervous newbie not sure where to begin, these personal stories, practical ideas, and poignant insights will give you the confidence you need to see your home as the most.

God makes it so easy to find. A space for women to pull up a comfy chair. A space to breathe. A space to connect. A space to listen. And a space to hear from the God who names us His daughters. Thousands of women gather in this place daily. Coffee cups in hand, feet propped up on the furniture, comfy, overstuffed chairs gathered together. Here, they share their highs and lows and take comfort in one another and the God who unites them. They span continents, cultures, and life callings, but all share a common love for Jesus Christ. What if they say no? In her down-to-earth style, she gives you the inspiration and motivation you need to baby step out of your comfort zone and get brave enough to open the door to your home and your heart—no matter the size of your home or your budget! Renee Swope Best-selling author of A Confident Heart and former radio cohost, Proverbs 31 Ministries What I love most about this book is that, in addition to countless creative ideas and wonderful hospitality tips, Jen gives us a bigger perspective of what it means to live a life of welcome! Just Open the Door offers an unexpected but encouraging invitation for all of us. With humor and grace, stories, and solid scripture, Jen gently reshapes what we think hospitality has to look like and opens the door to consider what radical biblical hospitality feels like. Just Open the Door is a gift that will leave you refreshed, challenged, and inspired to live a life of welcome and worship in your home and neighborhood! Angela Thomas Pharr Bible teacher and best-selling author of Redeemed: Soak up these pages and learn from our lovable teacher that the practice of hospitality does not have to be a burden. There is more rest and joy waiting than we have known. Just open this book and let your soul receive its wisdom. Let your heart laugh and be light. Let your life be stirred to love others more like Christ has already loved us. Decluttering Your Home, Mind, and Soul Through her blog, her conference, and her friendship, Jen has always inspired me to be more intentional about parenting and running my home. For anyone who continues to put off having people over until next time, Just Open the Door is your new mantra. Christy Jordan Publisher of SouthernPlate. Just Open the Door is a gift.

Chapter 3 : the Open Door | Home

The Open Door by Elizabeth Maguire is a fictionalized account of the life of Constance Fenimore Woolson (grandniece of James Fenimore Cooper). She was a nineteenth century "women's" writer, and very popular in her time.
