Chapter 2 : Baka-Updates Manga - Ouran Koukou Host Bu

Ouran High School Host Club, Vol. 1 One day, Haruhi, a scholarship student at exclusive Ouran High School, breaks an \$80, vase that belongs to the "Host Club," a mysterious campus group consisting of six super-rich (and gorgeous) guys.

Hikaru asks Haruhi to think about her feelings for him rather than give an answer straight away. He invites her to the Year End party and leaves. Haruhi is left surprised by his confession. Hikaru runs into the rest of the Host Club, including Tamaki who is relieved to see he is okay. Tamaki wonders what Hikaru means, and what Haruhi will reply to him. He wants the Host Club to stay a family forever. Hikaru asks if she likes Tamaki. Hikaru teases that he still has a chance with her then! Later on, Hikaru tells Tamaki that Haruhi rejected him. The Club make plans to visit a shrine together in the New Year, and Hikaru invites Haruhi to let her know they can still be friends. Tamaki dreams of his father, who is kept apart from Tamaki and his mother. On meeting up, Hikaru notices that Tamaki is distracted and challenges him to a competition to buy something that Haruhi will love the most. They split up, but later on Tamaki runs into Haruhi. Tamaki reassures her and tells her to be more confident. Seeing her happiness, Tamaki wonders what kind of love he feels for Haruhi and absent-mindedly touches her face - embarrassing them both. Embarrassed, she runs away and Tamaki chases after her. He finds her Ootoro Ring on the ground, but Haruhi has disappeared. The Host Club realise that Haruhi has been kidnapped. They trace her mobile phone to find her location, and Kyoya works out that the kidnappers are people having business problems with the Suohs. Tamaki, Hikaru, Hunny and Mori reach the location and find Haruhi unharmed. Tamaki embraces her in relief. Hikaru makes sure to break up the embrace and express his concern too. Hikaru gets a little jealous seeing how happy it makes her. The Host Club are hosting a horse riding day. Tamaki has been acting distracted, and Hikaru wonders if Tamaki has realised his feelings for Haruhi yet. A new girl called Kanoya get into trouble with the horses and Tamaki protects her, but ends up hurt. Kanoya is grateful to Tamaki and thanks him by making him lunch, whilst he offers to show her around Tokyo. The others comment on how much Kanoya looks like Haruhi, except her personality is submissive instead. Tamaki and Kanoya start spending more time together. Kyouya reveals Kanoya has family problems like Tamaki and Hikaru comments that she is perfect for Tamaki and they have a lot in common - Tamaki overhears this. Later, Tamaki is with Kanoya when Haruhi walks by, dropping a book. Tamaki picks it up for her and comments on how different she is to him. Haruhi takes it as an insult and leaves, forgetting one of her books. Tamaki tries to return it to her, but Kanoya stops him by confessing her love to him. The others are spying on Tamaki and Kanoya, and wondering what their relationship is. Hikaru tells Haruhi about the rumour Kanoya confessed to Tamaki. Haruhi wonders what his answer was, but Tamaki catches them spying before they can talk about it more. They join them for lunch, and Kanoya speaks to Tamaki in familiar terms, raising more questions about their relationship. Kyouya tells Tamaki to come with him to the clubroom and they leave. In the clubroom, Tamaki admits to Kyouya that he declined Kanoya, but realises that she is just like him. He thinks about his past and his longing for strong family bonds as a child. The bell rings for class, and Kanoya goes to find Tamaki whilst Haruhi is told about her family problems.
