Illustrated with bright, vivid colors that capture the spirit of the season, they are sure to spread joy and cheer to family storytimes at any time of year! Jump at the Sun Holiday Classics include: The adaptations in text and in the illustrations are masterful and clever. I wish these books were available when I was growing up! By Kindle Customer on Dec 08, Wonderful images of Black family and Santa which adds needed diversity to the holidays. The text of the original story has been changed a bit. Some of the changes are improvements, in that more difficult phrasing and vocabulary have been replaced with contemporary and easy to understand terms. However some of the changes seem gratuitous and detract from the charm of the original. That minor issue aside, the book is an excellent. Love my Black Santa! By Carol on Jan 27, Have always tried to select books that reflect who I am and this fits the profile. Great for gift giving. The illustrations were very relatable and my son loved looking at the pictures and describing what he saw and who the characters looked like. Beautiful images of a loving family and friends. Absolutely love this book for my 2 year old, and he loves it just the same. The illustrations are awesome. The illustrations were great! I have read this book three times this morning to my two year old son. He loves the illustration and the colors are so vibrant it helps to keep him interested in sitting through the entire story.
