

## Chapter 1 : Anguilla News, /12/07

*Paddy the Goat that saved Rainbow Island is a book by author Jo-Anne Mason. Paddy is different from all the other kids. He cannot baa. The senior goats are worried and it is decided that if Paddy cannot baa by his first birthday he must leave the herd and fend for himself on the Caribbean island.*

Permanent link for this news item. Christmas Tree Lighting The lighting of the fifty mahogany trees and main tamarind tree on Coronation Ave is scheduled for December 13, Didier is classically French trained, has won awards, and has made several television guest appearances and international food show presentations throughout Europe. A few items from their extensive menu include: Cocktail hour offers two drinks for the price of one. New this year is a kids menu. Book Signing Dec The visuals are so refreshing and the storyline is great. Kyiv loves the book and wants me to read it all the time. The story centers on a special goat that with the help of his friends saves the island from a hurricane. Anguilla, often referred to as Rainbow City is usually such as gentle, quiet place that when a hurricane comes it often takes folks by complete surprise. Paddy the goat symbolizes the strength of the people of the island as they endure and overcome the ravages of the fierce storms that sometimes visit us. This delightful tale will entertain children of all ages. Please come and bring your kids! All books sold on the island are signed by the author but stop by her studio in Island Harbour for a special dedication. You can also buy Paddy on-line from his website: Feel free to email ideas to acoci@anguillanet. Beth teams up with some tailors she met in Senegal during her stint there as a Peace Corps volunteer. Passage Anguilla recently opened with its main outlet located in the South Hill Plaza. The boutique offers an original line of cotton products. Passage works with West African textiles and production expertise to create hand-made clothing, bed linens, table linens, bags, home furnishings and accessories. Many of their products are hand-dyed and sewn locally. They offer both ready-made and custom sewing. You can bring your own fabric or choose from the selection they offer. The workshop is annexed to the boutique so you can have a glimpse of the tailors at work. Regis Retreat A large cross-section of the Government and private sectors, the media and the general public turned out in support of the recent Ground Breaking Ceremony of Temenos Anguilla. The Temenos Golf Course is scheduled to open in and the retreat is carded for an opening in The 7, yard championship golf course will feature breathtaking water views from each hole and will integrate the natural terrain of Anguilla to create a beautiful and challenging course for players of all levels. The panel of speakers included Mr. For more information call ; Fax or Email sales@temenosestates. There will be the customary live musical accompaniment, with complimentary pizza snacks and fruit punch. There is no charge, but a voluntary collection for amenities at Island Harbour Primary school will be taken. All are welcome for this relaxed, joyful and fun celebration of the Christmas Spirit. If travelling is your dream, then making it come to life is our passion. Check these affordable Dingle trip planner when travelling here.

**Chapter 3 : Interlink Books**

*Paddy, the Goat That Saved Rainbow Island is the tale of a kid who is cast from the herd because he cannot "baa."*  
*About the Book. Paddy, the Goat That Saved Rainbow.*

The crowd at opening time rushed in to find bargains on everything from books and videos to clothes, furniture, small appliances, toys, sports equipment and so much more. The Anguilla Homecoming Association accentuated the festive atmosphere by selling delicious home baked sweets and other items to benefit their organization. AARF Members set up for sale. This program, which AARF has been sponsoring for the past 2 years, has provided free surgeries for more than island dogs and cats, and as a result helped immensely in controlling the unwanted births of puppies and kittens on the island. The program will focus on the puppies and kittens that are adopted from AARF. An AARF adoption includes a spay or neuter for the adopted puppy or kitten when it reaches approximately 4 to 5 months of age. AARF animals up for adoption change from week to week. Any unwanted puppies or kittens should be taken to Morlens if homes cannot be found for them. This year AARF is depending solely on contributions from local residents and businesses, as well as members and island visitors to support this program. On Yard Sale Saturday 2 puppies were adopted. We thank those that took these puppies into their homes and hearts and gave them a chance at life. Acting President Chris Carty called the meeting to order and welcomed the members. Trustee and Past President Mr. Joseph Norris Payne gave the opening prayer and conducted the meeting. Chris Carty presented the annual report of the foundations activities for the past year. The annual report is attached below. The slate of officers for the year - 06 were presented to the membership and approved. Pascher discuss AARF activities. Jimmy Carter and Suzie Donahue encourage members to sign up. The members were thanked for attending and urged to join the many AARF activities that help to make Anguilla a better place for the animals. The time and venue have changed since our last newsletter We have many wonderful prizes including a 2 night get away at the Gate House in Saba that includes transportation on The Edge from St. The evening begins with "Happy Half-Hour" at 5: Bingo begins promptly at 7 PM. You are not obligated to have dinner but at that price why miss out, however only bingo players will be allowed to dine! If you have any questions or need tickets please call our Fundraising Chairman for this event Althea Turner at or Suzie Donahue at The rewards to those that take these animals into their homes are immeasurable and we thank all of you that have done so in the past. We have been gratified by the willingness of local businesses that allow us to use their property to have Adoption Days when we bring the homeless animals, introduce them to the public and try to find homes for them. Each adoption from AARF either at the clinic or at our Adoption Days entitles the animal to a free spay or neuter once they reach the appropriate age. Amy Williams at Morlens contacts the new owner when it is time to schedule the surgery usually before the animal is 6 months or goes into heat. Since we began in the summer of we have spayed or neutered over animals at no charge to their owners. As previously noted our focus this year will be on the puppies and kittens that are adopted thru AARF. At this time we have had over adoptions since September of and of course with each week we have more. This year all funds for the program our coming from the donations of locals and visitors as well as our fund raising projects. We thank all of you for your support of this very important program. The students are asked to draw a poster and write a short description illustrating the correct way to treat animals with food, fresh water, shelter and love. The class winners also received an AARF t-shirt. Winners from participating classes were: Can you help Little Pepper?? Pepper is a 6-year-old spayed Chihuahua who is playful, spirited, loyal, comforting, housebroken, quiet and loving. She is looking for someone to share her sunny disposition and give her a forever home. If you would like to meet Pepper please call Pat at We are pleased to report that Teensie has been given a second chance with her family Bethany and Jerry Riskin who are keeping close tabs on her "cat behavior"! We wish this the best and know Teensie is a lucky girl! If you are interested in fostering please let Amy know at We would really appreciate your donations! We acknowledge and thank with much gratitude the following businesses for their contributions to AARF in We urge you to support them! We are always looking for new members to support AARF fundraising events, assist at Morlens Veterinary Clinic or to help us with our

ongoing spay and neuter project. If you would like more information on AARF please visit our website at [www.aarf.org](http://www.aarf.org). If you are interested in becoming a member you can obtain membership forms via our Membership page. Completed membership forms may be sent to: A little over two years ago I planned a surprise wedding for my wife-to-be, Cynthia. She knew we were going to an island, but had no idea I was going to propose, let alone get married. Luckily, she said yes and the wedding was wonderful. About two days into our trip we noticed three tiny kittens and one older cat hanging out at our back door. They kept their distance but appreciated the food. About two days before we were going to return home to the States, the runt of the three came up to Cynthia and rubbed up against her leg. Right then I knew we were going to take a cat home with us! We took the ferry to St. Martin to get the proper carrier we needed to take "Guilla" home with us. Amy at the Morlens, said if we could catch the other two kittens she would find them homes. We did that and she checked out all three kittens and placed the other two. Guilla was great on the flight back and after a couple of weeks she became very close to our other cat, Bailey. Now the two are inseparable and they are too much! She is a great reminder of our special time in Anguilla. I would recommend to anybody visiting the island to rescue a cat or dog, if they are able to provide for the animal.
