

This is a Star Trek Voyager story that seems to be taking place between the beginning of the fourth season and the end of the fifth season. The ship still has a long way to go to reach Earth.

Enterprise , played Ocampan community leader Tanis in the season-two episode " Cold Fire ". Joel Grey played Caylem, a delusional widower who believes Janeway is his daughter, in " Resistance ". Virginia Madsen played Kellin, a Ramuran tracer, in " Unforgettable ". He appeared in " Scorpion: Part I " and " Concerning Flight ". The Undiscovered Country , played Annorax, a Krenim scientist who was determined to restore his original timeline, in " Year of Hell " parts 1 and 2. First Contact , trying to assimilate Earth shortly before the first warp flight, before she and her collective were destroyed. David Clennon played Dr. Lori Petty played Noss in the episode "Gravity". Tuvok and Tom become stranded on a planet and befriend Noss, an alien stranded there many years before. Connections with other Star Trek incarnations[edit] Main article: In The Next Generation season-three episode " The Price ", bidding takes place for rights to a wormhole. The Ferengi send a delegation to the bidding. When the Enterprise and Ferengi vessel each send shuttles into the wormhole, they appear in the Delta Quadrant, where the Ferengi shuttle becomes trapped. In the Voyager season-three episode " False Profits ", the Ferengi who were trapped have since landed on a nearby planet, and begun exploiting the inhabitants for profit. Actors from other Star Trek incarnations appearing on Voyager[edit] In some cases, the actors play the same character as elsewhere, such as Dwight Schultz who plays Reginald Barclay. In other cases, the same actors play different characters. Voyager episode entitled "Jetrel" featured Sloyan as the title character. Mark Allen Shepherd also appears uncredited as Morn , alongside Quark in the pilot. He appeared in Voyager episode "Flashback", commemorating the 30th anniversary of Star Trek. Dan Shor , who appeared as the Ferengi Dr. The Borg Queen, the antagonist from Star Trek: First Contact , makes several appearances in Voyager. Susanna Thompson played the role in the episodes " Unimatrix Zero " and " Dark Frontier "; however, Alice Krige , who played the character in First Contact, reprised the role for the series finale. Suzie Plakson , who portrayed Dr. Before this, he also appeared in Star Trek VI: The Undiscovered Country as the president of the Federation. Joseph Ruskin played a Vulcan Master in the episode "Gravity". The character of Locarno was used as a template for Tom Paris. Generations, as various characters. Robert Picardo the Doctor guest-starred in the Star Trek: Ethan Phillips Neelix was featured in the Star Trek: Nemesis a year after Voyager ended its run. Behind-the-scenes[edit] In August , the main cast members except Jennifer Lien, who retired from acting in appeared together onstage in Las Vegas for the 20th anniversary of Star Trek: Voyager at the Las Vegas Star Trek convention. First Contact and Star Trek: Additionally, the Voyager ready room and the engineering set were also used as rooms aboard the Enterprise-E in Insurrection. List of episodes[edit] Main article: List of Star Trek: The DVD release definitively establishes which episodes are true two-parters examples: The combined running time of all episodes, including opening and closing credits for each episode, is hours, 39 minutes, and 12 seconds. Broadcast history[edit] Star Trek: Voyager launched with UPN network with repeats entering into syndication.

Chapter 2 : Simon & Schuster

Pathways was considered canon by the writers and producers of Star Trek: Voyager following its publication. Many of its plot details made their way into episodes. Many of its plot details made their way into episodes.

The framing story leaves quite a bit to be desired. The bridge crew with the exception of Janeway is captured and placed in a prison camp. As they plot their escape they pass the long nights telling each other This book was written by Jeri Taylor who was one of the creators of Star Trek Voyager. As they plot their escape they pass the long nights telling each other the stories of their lives before they met Janeway and become a part of her crew. The stories themselves are for the most part familiar from the bits and pieces we can gather from the TV show but it is nice to have them all in one place in this anthology. There are better written books in this franchise but if nothing else this is good for a reference. There are some departures from the TV show. Even though Kes is gone Neelix manages to shoe horn her story in. If you must read all things Voyager this is a good starting place. But the backstories of the Voyager crew members were too similar sudden, violent deaths of family members, romance at the academy, etc. The writing was occasionally striking, but for the most part it was overwrought. Overall the book reminded me a lot of the first season of the show--which is maybe unsurprising, given that Jeri Taylor wrote some of those epis I picked up this book mostly for its nostalgia value. Overall the book reminded me a lot of the first season of the show--which is maybe unsurprising, given that Jeri Taylor wrote some of those episodes--and made me appreciate the way the cast members brought these characters to life with their own personalities. I appreciate what this book was trying to do. It was a well written story which provided the framework to give the back story to many of our favorite characters. At first, I loved these flashbacks as I always wanted to know about the life of some of my favorite Voyager characters before they came to be on Voyager. However, once I was about three or four backstories in, I found them to be incredibly disruptive as I was becoming more interested in the new story and less in these fla Alight now.. However, once I was about three or four backstories in, I found them to be incredibly disruptive as I was becoming more interested in the new story and less in these flashbacks which in no way advanced the new story. These flashbacks became as annoying as plot is in porn. I found myself skipping that last four flashbacks just so I can get through this tragedy and mark it as read. I am not one of them.
