Chapter 2 : Faragher, Buhle, Czitrom & Armitage, Revel for Out of Many, Volume 1 -- Combo Access Card

Portrait of America, Volume 1, Eighth Edition and Atlas has 37 ratings and 4 reviews. David said: I have the 7th edition, complete version of this book.

Designed for introductory-level survey courses in American History. America Past and Present, Brief Edition presents a balanced and manageable overview of the United States as an unfolding story of national development, blending the best in past historical interpretation with new scholarship. The eighth edition features all of the strengths found in the successful comprehensive text: An attractive four-color design, featuring photos, timelines, and completely redesigned maps engage and assist students in their study of American history. Bille on Aug 23, The book does a nice job of making sure the human experience, too often slighted in histories focusing on great events, is front and center. But I really have to wonder about the process that went into preparing this "Brief Edition" and who decided what got left out. Looking just at "my period" of history, present, I had to search several times before I could believe that, yes, it really does fail to mention Apollo The word "Apollo" never appears. Divine is the author of a good book on Sputnik, so what happened to one of the great events in, not just American history, but all human history? There are two captioned photos about Sputnik I - only both captions are wrong. One more brain-frying item: The book states, as a fact, that the U. Nor do they note that, thanks to espionage, the USSR already had all the key information flowing in. Deespite the good points of this textbook, I came away less than impressed. Brown on Dec 25, very good Great! By Pen Name on Aug 10, Received it promptly and it was a perfect price. By Jameela K on Sep 22, 5 stars outstanding service and product. Everything from selection to delivery was great. This was a delightful experience start to finish. Would buy from again By Crystal Spoon on Feb 07, Received just as ordered and in excellent condition. The shipping was prompt and the price was great. Way cheaper than what school was asking for. Tidwell on Jan 01, It came with the cover that r is totally different but the book is great. All the pages I can read Great read.. By Angela Summers on Aug 22, This textbook was written more like a story. That made the content much more enjoyable How refreshing that this one was not! A decent ammount of Info By Jason M. By Qihua Yu on Sep 22, great No access code! By Rubyjune on Sep 12, I bought this book from here because it was a lot cheaper than ordering it through my school and I figured if I bought it new that it would come with an access code for MyHistoryLab specifically because in the description it mentions nothing about not having it unlike all my other books that I have ordered that told me whether or not they had the codes. Breen , George M. This particular edition is in a Paperback format. It was published by Pearson and has a total of pages in the book. To buy this book at the lowest price, [Click Here](#).

Gorn is Joseph A. Bilhartz Reviews and Awards "Constructing the American Past lets students be historians, delve deeply into a single issue, and come to some conclusions of their own. Other sourcebooks just offer a chapter-by-chapter collection of sources that are relevant, but mostly unconnected or unfocused. With Constructing the American Past, students are led into problem-solving, which is the essence of history.
