I have plans to start my own magazine Business Magazine , and i wish to see your help coming in my entrepreneurial journey, as you have your own magazine JAM and you also provide consulting. As of now i dont have any prior experience in Magazine business. My aim of launching a new Magazine is not to earn money but to make people aware about the new ideas that can certainly change their lives. I wish to add value to the lives of the middle class, and Upper middle class people which will further pull up the lower and lower middle class segment by creating Job opprtunities. Twelve years ago my parents moved the production of memorial stones from Poland to India. After visiting more than sixty granite companies in the South of India, they have found an excellent partner in Tamil Nadu. From that time onwards, we are very committed to our partner and have established a good relationship on both business and private level. When I was sixteen, I travelled for the first time to India to visit the granite factory and to meet our partners. I made a round trip through South-India on my own, but the last couple of weeks I stayed at the house of our partners. As a tourist, you mainly visit popular sight seeings described in travel books, but our partner showed me also another India. Or choose to simply read each chapter as a story. In each chapter, I had noted down the salient points mentioned by the entrepreneur being interviewed and I compared the notes across chapters, I could see common themes running across stories.
