It was very comfortable, clean and lively decorated. Staff was very kind and helpful. Room service was fast. I definitely go back again. Turqueenn, Turkey Very helpful staff! Beautiful interior and very good location. Overall a very good hotel. Henrik, Sweden Perfect location. Close to tube station and walking distance to many other sights. Beautiful neighborhood with many restaurants. The hotel had beautiful decor and a garden. My room was room but comfortable. The staff was very friendly. Everything was super clean. Bathroom was modern, also very small but functional with top quality bath products that you can buy in bigger size. Overall, a very enjoyable place, much nicer boutique ambiance than in bigger business hotels. Maxinette, USA Beds were extra comfy and staff was excellent! We are Firmdale converts! The location is also a real bonus and I will definitely be going back! Also so close to the tube. It is expensive but so worth it Pity that it is impossible to make a tea or coffee in the room Will always come back here Kerry, Australia The package was good. Karim, Switzerland The garden is lovely. The toiletries are so nice. The location is great for shopping and restaurants. Rhona, United Kingdom The room was spotless , very comfortable bed. The decoration was lovely and the location excellent.

Numerology Birthday Number 16 This people are the true embodiment of understanding and peace of mind. They have a strong sense of justice. They are doing everything that is in their power to preserve harmony, and may even sacrifice their own interest for the sake of others. People of Number 16 have an innate desire for knowledge. They have a great critical and analytical mind, most of them are better in researches, than in creativity or performing. They usually do not expect much gifts from the destiny and rely only on their own capabilities. People of this Number are very sensitive and capable of deep emotions, but sometimes it is hard for them to share their feelings with the others. They know how to listen to people, without losing a single detail, and, thanks to the great intuition, they can easily see the whole picture. They have the ability to identify and promote the dignities of others. People born with Number 16 are responsive and always ready to give their help and support. Usually they spend much time for family matters, interacting closely with relatives. They prefer to live and work in a team, achieving their goals in collaboration. As a rule, people of Number 16 strictly fulfill their obligations. People of Number 16 have a very important task to study the spiritual world, carefully search for what life is giving us and how we can tolerate this or another situations. They need to listen to their inner voice and be in harmony with the world around them. They need to accept their destiny, that is bringing the renewal to their souls and happiness to their lives. Emotional characteristics These people are capable of strong attachment, but it is not so easy for them to stay with the same person for a long time, they need changes. However, their attachment is not reduced. Sexually they are strong and confident. Men most likely will besiege their object of adoration with a force that is hard to resist. But they are not as "wild", as it might seem. In friendship people of number 16 are also very faithful and thanks to their wonderful personalities they usually have a lot of friends. They are diplomatic and generous, it makes them a real "souls of society". People of number 16 are happy with those who respect their independence and do not attempt to interfere in their business and restrict them. This of course, is the influence of Number 1. Romantic inclinations are requiring for them a spouse who can be sentimental without falling into melodrama. Partner should be sensitive to their moods, the same active in sex as they are and with the same enthusiasm, without restrictions. This people are very "open-minded" and almost nothing is shocking them. They expect the same from others. This is also an influence of the Number 1. Birthday Number 16 consists of 1 and 6. Number 1 is the leader - ambitious and successful. Implementing his plans, does not tolerate any contradictions. This is - mind and careful planning. This is a commander, forcing others to obey. The presence of Number 6 gives a tendency to romanticism and sentimentality, natural sensitivity. People born in 16 of any month, can become good artists and writers, if they are able to be busy with one and the same thing for a long time. The sum of these two Numbers - is 7, which gives the variability, love for travelling and some sort of restlessness. The combination of 6 and 7, makes these people good researchers. Number 1 gives them the courage and energy for their adventures. These people have interesting and attractive personalities. Usually they are very popular among representatives of the opposite sex, they always have a lot of admirers. People of Number 16 have a very deep emotions, and in the same time they have great independence and it is not so easy to confuse or intimidate them.

Chapter 9 : Number Sixteen, Firmdale Hotels, London “ Updated Prices

16 (sixteen) is the natural number following 15 and preceding 16 is a composite number, and a square number, being $4^2 = 4 \times 4$. It is the smallest number with exactly five divisors, its proper divisors being 1, 2, 4 and 8. In English speech, the numbers 16 and 60 are sometimes confused, as they sound very similar. Sixteen is the fourth power of two. For this reason, 16 was used in weighing light objects in several cultures.
