

**Chapter 1 : Birthday Messages and Quotes to Write in a Card | Holidappy**

*Young Dean's black puppy, Sam, is injured not long before his first doggy birthday. But with some special care and a few weeks in a leg cast, Sam makes a full recovery - an example of God's love, for which Dean and his parents are thankful every day.*

Contact Author A well-worded card is an excellent gift. A birthday card is a great opportunity. Write something meaningful, inspiring, sincere, or funny. Below are different categories of birthday wishes, including specific examples. Sample each category and decide which birthday message is best for the person you are celebrating. Remember to personalize your greeting with something specific. Have fun, and let your own personality shine through. Funny Messages Write something funny just by comparing something totally unrelated to aging or birthdays. Getting old is like? Most funny birthday messages will poke fun at aging. Here are some jokes, funny wishes, and humorous sayings for birthday cards. You are getting really old for your age. How do you know you are really the age you think you are? Can you remember your own birth? A jury of your peers has decided that you are guilty on several counts of not looking your age. Think of age as a speed limit. The older you get, the faster you can go. If you continue to look so young for your age, scientists will demand to study your secrets. You need to start including your B. If you were a piece of gum, you would be Extra sugar-free gum. Your country gave you your first birthday present: Now how do you feel about those people who always remember to give you a birthday card? Put this in a general sympathy card The older you get, the older I feel. So please stop getting older. Each birthday lowers your life expectancy by one year. On the other hand, those who have the most birthdays tend to have the highest life expectancy. I was going to get a cake with a picture of you just after you were born printed on top, but the cake decorator said it was easier to just give you the cake with Yoda. I wish that you may never again have to return to your dark underwater prison. There were a lot of famous people born on your birthday. Forget the Republican and Democratic parties. It sure beats the alternative. She labored the most on your birthday. Happy birthday to you and her! No one holds a candle to you, especially on your birthday. You already have enough candles on your cake as it is. It may be a good thing, or it may be a bad thing. Wrinkles are tally marks of our birthdays. The older you get, the more stuff you know. So tell me, where are the best senior citizen discounts? In your case, I was way off. Sincere Wishes I promise to not make any age related jokes. Stay young at heart, you old soul! As you grow older, grow richer in all the most important things in life. I hope all your wishes come true on your birthday! I hope you are not only blessed on your birthday, but that you are also surprised by blessings throughout the entire next year. I hope you enjoy your birthday as much as I enjoy being around you. God created you for a great purpose, and it all started with your birthday. He will continue to bless you with many more wonderful years. You are full of life and energy. I wish you many more years of health and prosperity. All the gifts you get today will not compare to the gifts you generously give to those you know and love. This is just one day of the year we get to celebrate you the way you deserve to be celebrated. You are an amazing person! Happy birthday to a timeless classic! You will never go out of style. We hope that your birthday is wonderful, and we hope this year will bring amazing and fun adventures. Your birth was the beginning of many great plans that God has for your life. Your birthday is an important date for me because it is the day the love of my life was born. You happen to be a little older, too. Quotes Click thumbnail to view full-size "Two things in life are inevitable, birthdays and taxes. Enjoy at least one this year. The actual quote is in quotation marks and may be accompanied by a suggestion for how to make it a better or funnier message: Time has a way of being sneaky until you stop to notice. In that case, I hope you had a great birthday! Birthday cards are like overdue items from the library: Enclose a money gift. Scientists have discovered a strong correlation between how late a birthday card is and the quality of the relationship between the sender and receiver. I guess that means we have a great relationship. No one knows how much longer we have to give each other birthday cards, especially when we get to be your age. Hopefully, with this card being almost 12 months early for next year, it will make up for me missing a year. If my birthday card is the latest, then that also makes it the youngest birthday card. I wanted to do that to symbolically represent your age with my birthday card. I got to be the last

one to wish you a happy birthday. Did your birthday change? I could swear it was today last year. I wanted to wish you a happy birthday in style. Mom, you give so much to others. Your life is a blessing in my life, and I appreciate all that you do for me. Each birthday that passes is another year that I am thankful to have you in my life. You were responsible for my birthday, so I feel responsible to make sure you have a great birthday. Have an awesome birthday! Do all the things that you want to do today. Happy birthday to the coolest dad in the world! Happy birthday to a great dad! Dad, I love that you were born a long time ago, and I love that I was born more recently with you as my dad. You were born to be my dad, right? My own birthdays already remind me enough of my aging. Thanks for being born so you could build my character. Christian Wishes If the person you are writing to is Christian, these meaningful birthday messages might work well: Your birthday is an affirmation and reminder that God has a special plan and purpose for your life. Your second birthday was when you were born into the kingdom of heaven. You can pay your own bills, vote, etc. The important thing is having fun with your new privileges. Congratulations on surviving this far. You can vote, smoke, gamble, sign up for the armed forces, and get a credit card. And you thought adolescents were dangerous. It means you have less than 80 years to hit Then you can start drinking. By 21 you should realize that birthdays just mean more responsibility.

Chapter 2 : Common Grammar Mistakes – Plagiarism Checker | WriteCheck by Turnitin

*Sam's First Birthday (A Happy Day Book) by Stion, Rebekah and a great selection of similar Used, New and Collectible Books available now at [calendrierdelascience.com](http://calendrierdelascience.com)*

**Common Grammar Mistakes** Common grammar mistakes include comma errors, apostrophe errors, sentence fragments, run-on sentences, and misplaced modifiers. All of these errors cause unclear and grammatically incorrect writing.

**Commas** Comma splices are very common and result in run-on sentences. I have to run to the store, then I am going to the gym to workout. To fix this error, the writer must add a connecting word, a semi-colon, or add a period and make a separate sentence: I have to run to the store, and then I am going to the gym to workout. I have to run to the store; then I am going to the gym to workout. I have to run to the store. Then, I am going to the gym to workout. Another comma error can be found on Facebook. When posting a birthday message, the proper format is: Apostrophes

**Apostrophe errors** are also common. Apostrophes are used to show possession, to show that certain words are plural, and to show that letters are missing. Sentences

**Sentence fragments** are another common grammar error: Because I wanted the ball. Because I wanted the ball, I ran down the hill. I ran down the hill because I wanted the ball. Or take the car. Take the train or take the car.

**Run-on sentences** are a serious problem in college writing classes: I went to the park to run Sarah was there so I talked with her for a little while and we went to have some lunch. I went to the park to run. Sarah was there, so I talked with her for a little while, and we went to have some lunch.

**Possession** Misplaced modifiers are also very common grammar mistakes: The girl smiled at the camera holding the basket of fruit. The camera was holding the basket of fruit? Holding the basket of fruit, the girl smiled at the camera. Choosing the Correct Form of the Word There:

**Chapter 3 : happy birthday suzette best birthday cake for lover for suzette - First Birthday Invitations**

*Shop for happy day books and much more. Everything Christian for less.*

This also means seeing a thousand rainbows each day and a thousand more reasons to smile every day! Best bday to your our dear daughter! As parents, all we want is for you to grow and become a better person each day. May you touch the life of so many people and be an inspiration and a blessing to them, the way you are to us. Best bday to the most wonderful daughter in the world! Dear daughter, may you always stay happy and healthy! That way, you can still take care of us when we become old. Best birthday to our dearest daughter! We wish you happiness and may you be blessed with all the great things that you truly deserve! This day is very important for us and to everyone who knows you, our dear daughter! You are such an amazing person and on your birthday, we wish you all the best things in life. Having you as our daughter is truly the biggest accomplishment in our life! Just like a cherished memory, you have become even sweeter and lovelier each day. Happy bday our sweet darling! I hope that you continue to share your kindness to everyone and continue to have a sincere heart in all the things you do. From little steps when you were young, I wish and believe that you could take that big step, a leap, which would help you achieve your dreams. Daughters are a constant reminder that a tougher person is born in the world. Whatever it was, it must have been so incredible for I was given the best daughter in the world. Wonderful birthday our little darling! Best birthday to my precious little angel! You truly are becoming more wonderful and adorable each day. And for that, you amaze me sweetie! May you enjoy your birthday! Happy Birthday Daughter from Mom Our dear daughter, you have given us something that no one else could ever do for us - undying love and concern. And we are forever thankful for that. Wonderful bday our sweet darling! Sure, you are my daughter. However, this is not the only title that perfectly describes you in my life. You are my best friend and the love of my life. Thank you for your undying love, unending care and your amazing intelligence and humor! Love you lots and lots, best bday! I just knew you will certainly win the title because you truly deserve to be called the best daughter. Best bday my prize winner, I love you! In our heart, you will forever be our little girl, our beautiful princess. In our eyes, you are a loving and caring woman that truly inspires us and a lot of people around you. We love you and may you have a wonderful birthday celebration. I am not only grateful that you are my daughter. I am grateful for the love, friendship, kindness and support you have given me. I will surely give it all back to you. May you have a wonderful birthday, sweetheart! Dear daughter, you have made everything about life sweeter than any sweets in the world. Wonderful bday our little angel! Best birthday, our beautiful darling! You certainly bring joy and happiness to our heart each day. Thanks for giving us a reason to laugh every day. You certainly have made us so happy and we hope can do the same for you. To our beloved daughter, on your birthday, we wish that all your wishes will come true. We want you to know that we love you and may you have many more birthdays to come. If I had all the time in the world to write how grateful I am to have you in my life, a hundred pages of book will certainly not be enough. I just want you to know that you are the reason why I breathe each day and the reason why this life is meaningful to me. Wonderful Birthday my dear daughter! We want you to know that you have brought more light into our lives than a gazillion suns. You are certainly the brightest part of our lives and our prayer is for you to grow up and become a fine young lady. Our darling little girl, we are so grateful that you came along. You have certainly made our world a million times richer than you could ever imagine. We love you, happy bday! I wish that your day will be filled with so much happiness and love. May all of your dreams and wishes come true! Daughters are the strength of a family, source of happiness and a future light of the home. A daughter will forever be a daughter, no matter how older she gets and I wish that God showers you more blessings and give the best health as you age today. You are such a joy to the family, our dear daughter. We wish that your day will be as wonderful as you are. I am so happy to have you as my daughter and always remember that I love you to infinity and beyond. Best bday our beloved daughter! May your day be filled with laughter and music, joy and love! More than Birthday wishes for you. To our beloved daughter, from the first moment we laid our eyes on you, you have made us believe that indeed, miracles do happen. Best Bday to you and May you shine even brighter, lighting up every life that you touch, most

especially ours. Greetings to my beautiful princess on your special day! I hope that you are having the grandest celebration that you deserve. Wonderful bday to the princess in the family! I hope your day will leave you feeling like a pampered princess. When some has the privilege in life daughter to have, he or she must cherish this wonderful girl forever. That is why we have prepared best collection of birthday wishes for daughter together with images to share, because picture says more than thousand words. I am so grateful to have you, the best daughter in the world! Best Birthday and I hope that your birthday celebration will be as special as you are. Dear daughter, I want you to know that I truly love being a parent to you. May today bring you lots of sweets, treats, hugs and love! Sweetie pie, you are the source of our daily happiness. Thank you for coming into our life and may you have a truly wonderful birthday. Wonderful birthday to a daughter who have made joy to become even more joyful, beauty to become even more beautiful and wonder to become even more wonderful. Happy birthday our precious little one! You are all the life, light and love that we need in this crazy world we live in. May you grow into the best person you can be, we love you! From the day you came into our lives, your natal day has always been an event that we celebrate with great joy. That is because you are our greatest pride. Happy birthday, our beloved daughter. Dear daughter, as you grow up to be a fine young lady, we want you to know that our love for you will never grow old. It will in fact grow even stronger. With every birthday celebration of yours, we are always reminded that what really matters most into our life is you. Happy bday our cute little princess! For as long as I can remember, you have been the greatest blessing that I have received in my life. You are the greatest source of my happiness and joy. Wonderful birthday, my precious little daughter! To us, you are more precious than all the diamonds in the world. No one can ever put a price tag on the love that we have for you. Best birthday our darling daughter! Dear daughter, whatever road you are going to take in life, please keep in mind that we are always there for you no matter what. We love you forever and beyond. There is nobody compares to you, our lovely daughter.

We look forward now to seeing How you progress and grow, From the cute and tiny infant You were one year ago. So dig into your icing; Enjoy your presents, too. The reason for this day Is a special person--you! By Joanna Fuchs 1st Birthday Poems "Your age will no longer be measured in days, weeks, or even months. You are one year old! Now look at you go. Happy 1st birthday poems!

### Chapter 5 : Rebekah Stion - Books, Biography, Contact Information

*Rebekah Stion is a published author of children's books. Published credits of Rebekah Stion include Sams Christmas Joy (A Happy day book) and Sam's First Birthday/ (Happy Day Books). To edit or update the above biography on Rebekah Stion, please Log In or Register.*

The godfather of the Silver Age of Comics passed away, June 19, He would have been 99 yesterday. Julie edited nearly every major character in the DC Pantheon. Besides his expertise with super-heroes, Schwartz produced some of the best science-fiction anthology comics ever done. This included introducing the s-f inspired, Adam Strange. I never knew Julie while he was actively editing comics and I never wrote a word for him. My encounters with him were solely at the many conventions he enjoyed attending during the latter phase of his life. Oh, he could be a curmudgeon of the first order! I remember the first time I met him, I walked up and extended my hand. You are a living legend! Such stories about Julie were legendary! But once you got to know him, he was a great guy and loved to talkâ€”mainly about himselfâ€”and his accomplishments as a comic-book editor. It was even more fun to watch Schwartz interact at these conventions with some of his contemporaries. These were folks he worked with at DC for decades as an editor. It mainly consisted of well-aimed barbs that bordered on the vicious, but wrapped in a layer of humor. I recall once Julie tossed one of his stinging bon mots at a very famous Golden Age creator. Despite it all, Julie was adored by fans and pros alike. Like many of the new breed of comic book creators, we all grew up with his great books and learned a lot from him. I was never really a friend, but I felt like I knew him well from his work. I sure miss him a lot!
