Sandra Brown CD Collection 3 has 75 ratings and 4 reviews. Slow Heat in Heaven: The adopted daughter of the most powerful man in town, Schyler Crandall I.

Showing of 17 next show all Great book on love and revenge. Sandra Brown kept me engrossed in this sweeping, dramatic, southern saga full of love, betrayal, broken dreams, vengeance and redemption. The characters, however, are not as fully developed as I like And the writing was good. Sadly, her pleas for justice are completely ignored; no one will believe her and no one will listen. Jade decides to flee from her small town but vows to return one day to exact her revenge. Years later, Jade does return, only to find that things in her home town have become very different. Even so, she plots her way around and begins to exact her revenge! This is an absolute must read for any fan of Sandra Brown. In her signature style; she weaves a powerful plot with strong, unforgettable characters. There was a certain part of this story that I found extremely difficult to read and get through. This was not, however, due to bad writing or editing; just the opposite in fact. Highly recommend to all Sandra Brown fans and for anyone who loves a good story about revenge and redemption. I really enjoy re-issues with the new trendy covers, to proudly display on book blogs, giving the feel of reading a brand new book. Jade now lives in New York, a successful career woman; however, she has been driven by revenge for the last fourteen years. Everything leads up to her return to her southern small minded hometown of Palmetto, SC for a well-planned attack, on the three boys who raped her when she was in high school; as well as those covering up the crime, destroying her innocence and her future life with high school boyfriend, Neal. It has been fourteen years since the tragedy, and Jade has not forgotten how she was violated. She has not been able to have an intimate relationship with a man since, and has buried herself in her work, in order to carry out her plan. She has made it to the top, and for the first time she has respect of others and power. She intends on using this position to make these three boys, now men -- pay. There is also a second storyline of a man named Dillon. Early on in the novel readers are unaware how these two stories or characters will connect. Dillon, a driven engineer has reached much success in the construction business by being ethical. However, he has enemies who take short cuts. Later he experiences tragedy and is tormented by these events. Jade may be the one to help him get his life back. However, these two may share more than they know and each of them may be able to right the wrongs, in order to move forward toward the future. This is one powerful, emotional, intense, hot and sexy novel of tragedy, loss, love, and juicy revenge. Set in Palmetto, South Carolina, a suspenseful page-turner of two storylines which ignite, for a thriller you will not be able to put down. In addition to the e-book, happened to be traveling; was so engrossed, purchased the audiobook, to carry me through my trip, as well.
