

Chapter 1 : Seven rivers of Canada (Laurentian library) () by Hugh MacLennan

Start by marking "Seven Rivers Of Canada: The Mackenzie, The St. Lawrence, The Ottawa, The Red, The Saskatchewan, The Fraser, The St. John" as Want to Read: Want to Read saving Want to Read.

Located approximately 13 km 8 mi north of the town of Squamish off Hwy This popular lake supports a mixed fishery of Rainbow, Cutthroat and Dolly Varden. Rainbows are stocked annually but remain small and numerous. This Fraser Valley lake is located only 13 km 8. Although the number of fish are great, the large size and the great depth of the lake make sure there is not a large number caught. Alta Lake can be easily accessed from the city of Vancouver by travelling km 72 mi north on Hwy Rainbow trout is the primary game fish averaging just under 1 lb Dolly Varden are also popular catches with some reaching up to 6 lbs or better at Alta Lake. Brohm Lake is located within a couple of hours drive north of the city of Vancouver on scenic Hwy Good numbers of Gammarus shrimp and Chironomids are present in Brohm Lake. Turn north and travel to the community of Ioco. Buntzen Lake is located 4 km 2. Hwy 99 north from the city of Vancouver will take you to Callaghan Lake. Cheakamus lies within the boundaries of Garibaldi Provincial Park found approximately 15 km 9. Dolly Varden char also inhabit Cheakamus Lake and are reported to grow to large sizes. The 10 km 6 mi long lake is reached by turning north off Hwy 7 at the community of Harrison Mills. Located in Chilliwack Lake Provincial Park, approximately 48 km 30 mi southeast of the town of Chilliwack. Chilliwack is a large, deep lake which contains a variety of fish species. This popular recreational lake is located in Cultus Lake Provincial Park, 13 km. Trout may reach over 3 lbs. From the ferry terminal at the town of Powell River, follow Highway south to Lang Bay and then turn north along a gravel logging road. Lake Erroch is a very popular lake which provides a good fishery of Rainbow and Cutthroat. This large lake is located amidst the spectacular scenery of Garibaldi Provincial Park. The lake is reached by travelling north on Hwy 99 from the city of Vancouver and turning east into the park at the community of Garibaldi. Even with the late start for fishing - early July - the productivity of the lake remains good until the fall. There are reports of trout over 4 lbs but the average is usually around 1 lb at Garibaldi Lake. Green Lake is located along Hwy 99, 3 km 1. Dolly Varden have been reported over 7 lbs while Rainbow have come in over 2 lbs at Green Lake. Harrison Lake can be found by travelling north on Hwy 9 from the town of Agassiz. Harrison contains a great variety of fish, however Cutthroat and Rainbows reaching up to 3 lbs. This large, long lake can be reached from the town of Powell River. Cutthroat are the main attraction and are reported to reach over 2 lbs in this productive lake. Hatzic can easily be found by travelling 6 km 3. Rainbows are the most numerous and will reach up to 1 lb. Found just 5 km 3. Lois Lake can be accessed by travelling south from the town of Powell River and then turning northeast on the Macmillan Bloedel Stillwater mainline. Cutthroat can reach up to 3 lbs at Lois Lake. Located down in a valley, Morris Lake can be accessed by turning north off Hwy 7 at the community of Harrison Mills. Although not very numerous, the Cutthroat can reach up to 3 lbs or better at Morris Lake. The average Cutthroat reaches 1 lb with larger Cutthroat reported in the spring when there is a good Chironomid hatch. Pitt lake is 16 km 9. Good year round fishing is available at this easily accessible lake. Rainbow Trout and Cutthroat are the game fish in Rolley Lake. Ruby supports a Cutthroat and Kokanee fishery. The size for the Cutthroat is usually about 1 lb but there are reports of them reaching to 3 lbs at Ruby Lake. Follow Hwy to Sakinaw Lake Road. Turn west off the onto Sakinaw Lake Road and follow it to the lake. Sakinaw is known for its large Cutthroat trout which can reach over 4 lbs Kokanee, Sockeye and Coho salmon are also found in Sakinaw Lake. Although the majority of fish caught are small, the Dolly Varden can reach up to 5 lbs at Silver Lake. An alternate route only suitable for trucks is the Davis Lake Road going north between Mission and Dewdney. Year round fishing is possible in this large lake where the Cutthroat can get to lbs at Stave Lake. Jones Lake Reservoir lies approximately 25 km This small lake, located 14 km 8. This small lake is located in the city of Coquitlam on Gatensbury Street. Rainbow Trout and Cutthroat are the game fish in Welcome Lake. This small lake can be accessed from the community of Harrison Mills on Hwy 7. The possibility of large Rainbow attract many fishers to this small lake. The average size, however, is about 1 lb.

June Learn how and when to remove this template message The history of Acadia was significantly influenced by the warfare that took place on its soil during the 17th and 18th century. The following year, the settlement was moved across the Bay of Fundy to Port Royal after a difficult winter on the island and deaths from scurvy. In the colony received bad news: Thus recalled, the last of the Acadians left Port Royal in August When the former lieutenant governor, Jean de Biencourt de Poutrincourt et de Saint-Just , returned in , he found Port Royal just as it was left. These wars were fought between New England and New France and their respective native allies before the British defeated the French in North America After the British Siege of Port Royal in , mainland Nova Scotia was under the control of British colonial government, but both present-day New Brunswick and virtually all of present-day Maine remained contested territory between New England and New France. The war was fought on two fronts: Acadian Civil War[edit] Main article: From there he worked with the Abanaki of Acadia to raid British settlements migrating over the border of Acadia. Until the French and Indian War the Wabanaki Confederacy remained the dominant military force in the region. At the end of the war England returned the territory to France in the Treaty of Ryswick and the borders of Acadia remained the same. In retaliation, Major Benjamin Church went on his fifth and final expedition to Acadia. British forces were successful with the Siege of Port Royal , while the Wabanaki Conferacy were successful in the nearby Battle of Bloody Creek and continued raids along the Maine frontier. The British conceded to the French "the island called Cape Breton , as also all others, both in the mouth of the river of St. Lawrence, and in the gulph of the same name", and "all manner of liberty to fortify any place or places there. The British grew increasingly alarmed by the prospect of disloyalty in wartime of the Acadians now under their rule. French missionaries worked to maintain the loyalty of Acadians, and to maintain a hold on the mainland part of Acadia. Acadie extends clearly into present-day New Brunswick. They also seized prisoners and vessels from the Bay of Fundy. As a result of the escalating conflict, Massachusetts Governor Shute officially declared war on 22 July One of these operations resulted in the Battle at Jeddore. Concerned about their overland supply lines to Quebec , they first raided the British fishing port of Canso on May 23, and then organized an attack on Annapolis Royal , then the capital of Nova Scotia. Annapolis had received news of the war declaration, and was somewhat prepared when the Indians began besieging Fort Anne. Lacking heavy weapons, the Indians withdrew after a few days. Then, in mid-August, a larger French force arrived before Fort Anne, but was also unable to mount an effective attack or siege against the garrison, which had received supplies and reinforcements from Massachusetts. France launched a major expedition to recover Acadia in Within 18 months of establishing Halifax, the British also took firm control of peninsular Nova Scotia by building fortifications in all the major Acadian communities: Cobequid remained without a fort. French and Indian War[edit].
