S To see the letter "S" in your dream suggests that there is something that needs your attention. Sabotage To dream that you have been sabotaged indicates that there is something that you are ignoring or overlooking in your waking life. To dream that you are sabotaging something or someone indicates that an overwhelming anxiety is threatening the boundary between your subconscious and your ego. You are feeling conflicted between right and wrong. Alternatively, the dream means that you need to get rid of your old attitudes and former ways of thinking Sack To see a sack in your dream symbolizes the womb and your sense of security. Alternatively, it represents your burdens and responsibilities. Sackcloth To wear a sackcloth in your dream represents humility and humbleness. It also indicates that you need to repent for some misdeed that you have committed. Sacred To dream that something is sacred symbolizes the things that you hold close and value. You have invested time and energy into its development and it is paying off. Sacrifice To dream that you are being sacrificed signifies your tendency to punish yourself. The dream may parallel waking sentiments where you feel that others do not appreciate your talents and efforts or that you are not being recognized for what you have given up. Dreaming that you are making a self-sacrifice means that you need to eliminate certain aspects of your life and make time and space for more productive and rewarding experiences. To see an animal being sacrificed in your dream indicates that you are ready to give up your basic, carnal desires for spiritual pursuits and enlightenment. Sad To dream that you are sad suggests that you need to learn from your disappointments and just be happy. Try not to dwell on the negative. The dream may be a reflection of how you are feeling in your waking life. To dream that someone else is sad may be a projection of your own feelings. Perhaps you are sad about something that happened with this person. Go for it and do not let anyone hold you back from achieving your goals. To dream that you are sitting on a saddle indicates that you will rise to a position of prominence and power. You need to exercise more control over someone or some situation. Sadism To dream of sadism indicates repressed anger, often from childhood. You may still be punishing yourself for your misdeeds or past actions. Sagittarius To dream that someone is a Sagittarius represents your high ideals. You are outspoken, adventurous, goal-oriented and optimistic in your thinking. The dream may mean that you are trying to break from your routine. To dream that you are on a safari represents freedom from societal norms and rules. You are trying to break free from the confines of civilization. Safe To see a safe in your dream indicates that you are hiding your sense of self worth and self value. It also refers to your security and secrets. Alternatively, the dream may also be a pun on feeling "safe". To see an empty safe signifies loss or lack. Safe Haven To dream of a safe haven place indicates that you have a positive outlook in life. No matter how bleak circumstances may currently be, you know deep inside that things will work itself out. Alternatively, the dream implies that you are trying to escape from reality. You do not want to think about your current issues. To see a safety pin in your dream indicates that a situation is on the verge of falling apart causing anxiety or fear. You feel that the livelihood of the relationship depends on you. Saffron To see or smell saffron in your dream signifies magic, humility and humbleness. Due to its color, it is also symbolic of love and passion. Sage To see sage in your dream signifies wisdom, frugality and practicality. Sailboat To see a sailboat in your dream represents your emotional persona and how you navigate through the various situations in your life. You need to learn to adapt to ever-changing situations. You are in control of your life. The dream may be metaphor that things are "smooth sailing. If you are sailing against the wind, then it indicates that you are experiencing some struggles in your waking life. Sailor To see a sailor in your dream signifies your desires for adventure, freedom and exploration. You are ready to venture into deeper waters, particularly in a personal relationship. Alternatively, the dream indicates that you are confronting some emotional issue or dealing with your subconscious. Saint To see a saint in your dream indicates that a special message is being given to you from the spiritual realm. Alternatively, it symbolizes genuine goodness and idealistic notions. You are always

willing to help others. Or perhaps it is you who is in need. Saint Bernard To see a Saint Bernard in your dream implies that an aspect of your self is need of rescue. You are calling out for help in some way. Salad To see or eat a salad in your dream suggests that you need to express your feelings and take in the positive influences in your life needed for personal growth. Alternatively, the dream indicates that you are longing for nature and good health. To dream that there is a bug in your salad represents worries and concerns about your health. Salad Dressing To see or eat salad dressing in your dream indicates that you need to add some pizzazz to your life. You need to perk things up in your bland life. Consider the type and color of the dressing for additional significance. You will persevere through some adversity. Alternatively, the dream denotes your ability to resist temptations. Salami To see or eat salami in your dream suggests that you are having issues related to your self-image. It may also be indicative of sexual or relationship problems. Salary To dream about your salary symbolizes the results of your hard work. You need to take advantage of the opportunities. It is also an indication of your level of confidence and strength. To dream that something is on sale represents opportunities that are readily available to you. Alternatively, it indicates that you are underestimating yourself in some area. Salesperson To see or dream that you are a salesperson suggests that there is something you need to incorporate in your life. However, you need to make sure that it is right for you and not what someone else wants for you. Alternatively, the dream indicates that you are open to changes and to looking at things from a different perspective. Saliva To see saliva in your dream symbolizes sexual and sensual appetites. You are harvesting some creative energy. To dream that you are spitting out your saliva implies that you are experiencing some anxieties about losing control, either physically or emotionally. To see the saliva of an animal in your dream denotes intense feelings of anger and rage. Salmon To see a salmon in your dream represents determination, strength, and wisdom. You are able to overcome adversity and achieve success. Alternatively, a salmon suggests that you are comfortable with expressing and dealing with your emotions. You are well balanced. Salon To dream that you are at the salon indicates your concerns with your looks. You may be overly conscious about your appearance and beauty. Perhaps you are trying too hard to impress others. The dream also suggests deception and cover-up of some situation. Alternatively, it may denote a new outlook toward life. You are looking for a place to relax. Alternatively, being in a saloon means that there is a conflict that you are looking to settle immediately. Salsa To eat or see salsa in your dream suggests that you need to add a little bit more spice and variety in your life. The dream may also be a pun on being "saucy". You need to be more bold and direct with your feelings or opinions even though it may not seem to be an appropriate time. To dream that you are dancing the salsa implies that you are "dancing around in circles" over some situation. Alternatively, it denotes sensuality, flow or ease. Salt To see or taste salt in your dream represents a new found flare in your waking life. You are experiencing increased worth and a higher sense of zest and vigor. Alternatively, salt symbolizes dependability, truth, and dedication. Also consider the phrase of throwing salt on an open wound. The dream may thus elude to some painful or difficult memory.
