

Chapter 1 : Sex and the Psychic Witch – All About Romance

*Sex and the Psychic Witch (The Triplet Witch Trilogy, Book 1) [Annette Blair] on calendrierdelascience.com *FREE* shipping on qualifying offers. When a Celtic ring leads her to the Paxton castle on the coast of Salem, Massachusetts, psychic Harmony Cartwright.*

Something about the writing just seemed off-putting. Krumbs Mar 31, You may have read the accidental witch series first, the last book had some pretty big leaders to this series. Scenes are very repetitive and the story very predictable. The reason I read it. Harmony Cartwright has a gift. As one of a triplet trio of witches she has the ability to touch an object and learn things about previous owners. Since she and her sisters run a vintage curio shop this ability certainly comes in handy in finding some of most authentic and valuable items. But when a garage sale dress calls out to her in more ways than one she finds herself with a psychic mandate which leads her to Paxton Castle on the coast of Salem, Massachusetts. Enter Harmony Cartwright and the ghostly presence seems tamed. But can Paxton tame Harmony and finish the renovations without getting killed by his ghostly haunter? This was definitely a tough book for me as a reader. The plot was a bit formulaic with some decent twists thrown in. I do love that Blair finds a way to make family important to her characters and finds ways to weave that element into her stories. What I felt was missing here though was a thread of realism to counter-balance the paranormal in this case witches, ghosts and magic. MisfitRhi Jan 10, This book is about triplet witches and is the first book in the series about the sisters. She is funny, beautiful, full of life and a witch. Harmony can read objects and have visions about the previous owners. Harmony and her sisters own a vintage shop and she goes in search for vintage stuff to buy. After finding a ring, it leads her to a castle on an island outside of Massachusetts and to King Paxton. This book is full of hot love scenes and lots of toil and trouble!!! Fascinating book about witches. Gone with the Witch - featuring the next Cartwright sister, Storm.

Chapter 2 : Sex And The Psychic Witch by Annette Blair | LibraryThing

Sex and the Psychic Witch (Triplet Witch Series #1) by Annette Blair Introducing the Cartwright sisters-Harmony, Destiny and Storm-triplets and unstoppable seductresses. Harmony, the buyer for her sisters' vintage curio shop, can read objects and learn of their former owners.

Abducting him is the only way to follow the sound and find the child. Her scheme includes his luxury motor coach, seduction At some points I was actually giggling out loud Gone With the Witch is a book that I would recommend to anyone! You will laugh, you might even cry. However, no matter where your emotions take you, Gone With the Witch will take you on a wild ride. I could not put this book down Annette Blair is an auto buy for me as she never disappoints with her magickal stories of love! Wonderful characters, riveting storyline Storm is a hoot! She had me rolling in laughter Annette Blair always has fun with her witch characters Storm meets her match in Aiden McCloud, wandering biker. Storm is my favorite triplet; for her complexity of caring, facing her own issues, and her fight. If you love Susan Elizabeth Phillips Lady Be Good, this is a similar kind of road trip with a heroine who happens to be a witch. We laughed ourselves silly Some light consensual bondage purple furry handcuffs: The steam level is very similar, and equally as well done, to books by Lori Foster. I recommend this one for a very fun read though you may need a few cold showers. I recommend them all for your reading pleasure. The ending is just wonderful, with fantastic characters and a strong narrative. If the reader likes her romantic comedies just shy of being classified as erotica, this is definitely the book for you! Believe me, this is one road trip you do not want to miss! Storm and Aiden are made for one another, and their discovery of this fact makes a truly satisfying story. A definite addition to my keeper shelf. One of my favorite contemporary romance writers, Blair certainly does not disappoint in her 2nd book of the Cartwright Triplet Witch Trilogy. I also had the honor of meeting and having my book signed by Ms. Blair, which of course made it even better for me!!!! The story pays out on all of its promises:
