On the front row on the left. The tiny cute one. The one who looked up from her book just long enough to take a picture. The goofy one in the black dress on the other end. The one who plopped down about the time the camera clicked. The one with her underpants showing. And there you have it. Our lives in a picture. The thinker, the prodigy. Getting through life by the seat of my pants. So, let me take this month to do a little bragging about my cousin, Barbara Hall. The author of seven novels. Winner of numerous awards for writing. The girl from Chatham. Population 1, and growing. Now, make no mistake. And to be even-handed here, so did her sister, Karen Hall. She can boast seven Emmy nominations, not to mention a list of awards as long as my arm. Our mothers are sisters. When you add their brother into the mix, a family reunion meant eight rambunctious grandchildren all within a few years of each other—seven of whom were giggling girls running through the house with reckless abandon. Getting together was always an exciting time. We played and laughed with no other thought than having fun. As you can imagine, the poor adults had a tough time talking over us. Which is why they usually ran us outdoors. Come to think of it, I also remember that my grandfather always popped a nitroglycerin pill under his tongue when we opened the front door. It was our annual talent show. Which only proved that none of us had any. She choreographs the song and dance for the actors, directors, and all of the other hundreds of people it takes to make a show successful.

Chapter 2 : Skeeball and The Secret of The Universe Essays

Most gratifying, perhaps, in this novel of teen-age archetypal conflicts, is the protagonist's understanding that the old-fashioned arcade game of skeeball, which relies on physical strength and skill, is superior to video games, which pretend at life but lack the smack of genuine contact.
