At Bonnier Corporation, your privacy is important to us. This Privacy Policy applies to all of the products, services, and websites offered by Bonnier Corporation and its subsidiaries or affiliated companies collectively, "Bonnier". To better protect your privacy, we provide this notice explaining our privacy practices and the choices you can make about the way your information is collected and used by Bonnier. Jeremy Thompson, General Counsel N. Privacy Department N. Orlando Avenue, Suite Winter Park, FL You may also ask for a summary of the information that we have retained, how we have used it, and to whom it has been disclosed. For your protection, we may require that you authenticate your identity before we provide you with any information. An overview of the information that Bonnier may collect You are able to take advantage of many Bonnier products, services, and websites without providing any information that personally identifies you by name, address, or other personally-identifying information. We only collect personally-identifying information when you voluntarily submit it to us. Sometimes, we need personally-identifying information in order to provide you with the products and services that you request. Depending upon the product or service, we may ask you for a variety of personally-identifying information. This might include, for example, your name, address, e-mail address, telephone number, gender, and birth date. We may also ask for other information about you, such as your credit card information when you are making a purchase , interests, income, or education level. We consider certain identifying information "sensitive. Some types of personal information will NEVER be requested or collected, such as information on your race or ethnic origin, political opinions, trade union memberships, religious beliefs, health, sex life, or sexual orientation. You may choose not to provide us with any personally-identifying information. In that case, you can still access and use many portions of our websites; however, you will not be able to access and use those portions of any Bonnier website that require your personal information. Many Bonnier websites include community features, such as online forums and message boards. Information that is posted in these areas becomes public information and the use that any third party makes of this information is beyond our ability to control. You should exercise caution before disclosing any personally-identifying information in these public venues. If you elect to submit content that includes information that can be used to identify you, you must assume that the content can and will be displayed on any website on the Internet. At some Bonnier sites and through certain promotions, you can submit personally-identifying information about other people. Some Bonnier websites also provide referral services to help you inform a friend about our websites, products, or services. We will only ask you for the information about your friend that we need in order to do what you request. Our properties may feature Nielsen proprietary measurement software, which will allow you to contribute to market research, such as Nielsen TV Ratings. To learn more about the information that Nielsen software may collect and your choices with regard to it, please see the Nielsen Digital Measurement Privacy Policy at [http:](http://) These companies may use information you have shared e. Our partners use this information to recognize you across different channels and platforms over time for advertising, analytics, attribution, and reporting purposes; any information collected is stored in hashed or non-human-readable form. These companies typically use a cookie or third-party web beacon to collect this information. To learn more about this behavioral advertising practice or to opt-out of this type of advertising, you can visit [http:](http://) Bonnier websites sometimes may offer contests, sweepstakes, or promotions that are sponsored by or co-sponsored with identified third parties. By virtue of their sponsorship, these third parties may obtain personally-identifying information that visitors voluntarily submit to them in order to participate in the contest, sweepstakes, or promotion. If a third-party sponsor

beyond our control will obtain information that you supply us, we will notify you at the time we collect the information from you. Some of our websites contain links to other sites. By clicking on these links, you will leave the website operated by Bonnier and this Privacy Policy will no longer apply. How we use the information we collect We use the personally-identifying information that you provide us to fulfill your requests for our products, programs, and services, to respond to your inquiries about offerings, and to offer you other products, programs, or services that we believe may be of interest to you. We sometimes use this information to communicate with you, such as to notify you when you have won one of our contests, when we make changes to subscriber agreements, to fulfill a request by you for an online newsletter, or to contact you about your account with us. We do not use your personal information to make automated decisions. We may syndicate the publicly available content of our community areas to unaffiliated third-party websites, using RSS or other technologies. The information you have shared in the community areas may be included in this syndication. We will use the personally-identifying information that you provide about others in order to provide the products or services that you have requested; for example, to enable us to send them your gifts or cards. These lists will never contain sensitive information. If you do not wish for your e-mail or postal address to be shared with companies not owned by Bonnier who want to market products or services to you, you have the opportunity to opt out, as described below. You may also opt out of the receipt of any marketing materials from Bonnier as described below. We may transfer your sensitive personally-identifying information to other Bonnier offices for internal management and administrative purposes. In addition, your personal data will be transferred to other Bonnier offices where necessary for the performance or conclusion of our contractual obligations to you or for your benefit. Transfers of personally-identifying information may also be made where necessary for the establishment, exercise, or defense of legal claims. We do not transfer personal information internationally. Bonnier will only share your sensitive personal information with outside companies or individuals in any of the following limited circumstances: When we use trusted businesses or persons to process personal information on our behalf. Before sharing any personal information with outside parties, we require that these parties agree to process such information based on our instructions and in compliance with this Privacy Policy and any other appropriate confidentiality and security measures. Before we share your sensitive personal information outside of the previously listed circumstances, we will ask you for permission first. Please note that this only applies to sensitive information, as defined above. We may also use, transfer, sell, and share aggregated, anonymous data about our users for any legal purpose, such as analyzing usage trends and seeking compatible advertisers and partners. In no event will this aggregated data contain any information that could be used to identify individual users of our products or services. How we protect the safety and integrity of the information we collect We take appropriate physical, electronic, and procedural measures to safeguard and protect your personal information. We use a variety of security measures, including encryption and authentication, to maintain the confidentiality of your personal information. We store your personal information on systems behind firewalls that are only accessible to a limited number of persons, each of whom is required to keep the information confidential. When you transmit sensitive personal information to us, like credit card information, we offer the use of a secure connection to our servers. To the extent you select the secure connection method or your browser supports such functionality, all credit card account information that you supply is transmitted via secure encryption technology. We will provide notice if we become aware of any security breach that may affect any sensitive personal information pertaining to you that we have stored on our systems. Bonnier employees, agents, and contractors who have access to personally-identifying information are required to protect this information in a manner that is consistent with this Privacy Policy and may not use the information for any purpose other than to carry out the services they are performing for Bonnier. These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations. Bonnier only collects personal information that is relevant to the purposes for which it will be used. Though we do take appropriate steps to review and update the information that we store to ensure

that it is accurate, complete, and current, we also depend on you to update or correct your personal information when necessary. You may correct or delete any or all of the personal information you have provided to us at any time. Many of our websites provide means to review and update the personal information that you have provided on that website. To inquire about personally identifiable information that Bonnier has collected about you, or about other ways to correct factual errors in that information, please send us an e-mail at privacy@bonniercorp.com. Do not use this email address to send questions about your subscription. To protect your privacy and security, we will take reasonable steps to help verify your identity before granting access or making corrections. We will decline to process requests where we cannot verify the identity of the requester. We may also decline to process requests that are automated, repetitive, systematic, or impractical, or that might jeopardize the privacy of others. In some limited circumstances, such as to resolve disputes, troubleshoot problems, and enforce our policies, we may retain some of information that you have requested us to remove. Therefore, you should not expect that all of your personal information will be completely removed from our databases in response to your requests. We only use the information we collect for purposes consistent with this policy. If we propose to use your personal information for purposes beyond that explained in this policy, we will provide appropriate notice before doing so and we will provide you with the means to opt out of those uses. We will not use your sensitive personal information for any purposes other than those described in this Policy unless we have obtained your consent.

Your privacy options If you prefer not to receive e-mail communications from other companies, you may choose to remove yourself from any e-mail lists that we provide to third parties for marketing purposes by sending us an e-mail at emailoptout@bonniercorp.com. You will still receive information from Bonnier and its various brands, but we will not share your address information with anyone else. If you prefer not to receive postal communication from other companies, you may choose to remove yourself from any postal mailing lists that we provide to third parties for marketing purposes by sending us an e-mail at emailoptout@bonniercorp.com. Box , Harlan, IA We only want to communicate with you if you want to hear from us. If you prefer not to be contacted at all, you may opt out of receiving any communications from us at any time by notifying us at emailoptout@bonniercorp.com. You may also notify us by sending mail to the following address:

Get Your Copy Here Reliable Tips For A Best Ebook Reading Many of the times, it has been believed that the readers, who are utilizing the eBooks for first time, happen to really have a tough time before becoming used to them. Most commonly, it happens when the new readers stop utilizing the eBooks as they are not able to use all of them with the appropriate and effectual style of reading these books. There present number of motives behind it due to which the readers quit reading the eBooks at their first most attempt to use them. However, there exist some techniques that may help the readers to truly have a good and successful reading encounter. Someone should adjust the proper brightness of display before reading the eBook. Due to this they have problems with eye sores and headaches. The very best alternative to overcome this serious difficulty would be to reduce the brightness of the displays of eBook by making specific changes in the settings. You can even adjust the brightness of display determined by the type of system you are utilizing as there exists bunch of the approaches to correct the brightness. It is suggested to keep the brightness to possible minimal level as this can help you to increase the time that you can spend in reading and give you great comfort onto your eyes while reading. A great eBook reader should be installed. It will be useful to have a great eBook reader to be able to really have a good reading experience and high quality eBook display. You can even use free software that could offer the readers with many functions to the reader than simply an easy platform to read the desirable eBooks. You can even save all your eBooks in the library that is additionally provided to the user by the software program and have a superb display of all your eBooks as well as get them by identifying them from their unique cover. Aside from offering a place to save all your valuable eBooks, the eBook reader software even provide you with a large number of attributes as a way to enhance your eBook reading experience than the traditional paper books. You may also improve your eBook reading experience with help of options furnished by the software program including the font size, full display mode, the particular number of pages that need to be displayed at once and also change the color of the backdrop. You ought not use the eBook consistently for a lot of hours without rests. You should take appropriate breaks after specific intervals while reading. Constant reading your eBook on the computer screen for a long time without taking any rest can cause you headache, cause your neck pain and suffer from eye sores and also cause night blindness. So, it is vital to provide your eyes rest for a little while by taking breaks after specific time intervals. This can help you to prevent the troubles that otherwise you may face while reading an eBook always. While reading the eBooks, you must prefer to read big text. Typically, you will observe that the text of the eBook tends to be in medium size. It is proposed to read the eBook with big text. So, increase the size of the text of the eBook while reading it at the screen. It is suggested not to go for reading the eBook in full screen mode. Although it may appear simple to read with full screen without turning the page of the eBook quite frequently, it put ton of pressure on your own eyes while reading in this mode. Constantly favor to read the eBook in exactly the same span that would be similar to the printed book. This is so, because your eyes are used to the span of the printed book and it would be comfortable for you to read in exactly the same way. Test out different shapes or sizes until you find one with which you will be comfortable to read eBook. By using different techniques of page turn you could also boost your eBook experience. You can try many strategies to turn the pages of eBook to improve your reading experience. Check out whether you can turn the page with some arrow keys or click a specific section of the display, apart from using the mouse to handle everything. Prefer to make us of arrow keys if you are leaning forwards. Attempt to use the mouse if you are comfy sitting back. Lesser the movement you need to make while reading the eBook better will be your reading experience. This will definitely help make reading easier. By using each one of these effective techniques, you can surely boost your
