

## Chapter 1 : Still Dre by Dr. Dre ft. Snoop Dogg ~ Piano Letter Notes

*my friend at school was calling me a nerd for playing piano, no matter what i did he still called me a nerd, i played moonlight mvt 1, turkish march, etc. one day i went to school and went to the piano and started to play this. the whole school and even administration had gathered. and he stopped calling me a nerd. thx m8.*

Advantages of Learning Piano through Video Tutorials A lot of people want to know how to play on piano their favorite songs. The piano is an interesting instrument, and fun to play. Most people think that learning piano involves paying for expensive lessons, as well as several spending several years before you can become good at it. But on the contrary, you only need to have a little knowledge about keys, chords, and notes, as well as practice to play the piano. At present, learning piano can be done at the comfort of your home. Piano lessons on video are easy to follow, and you will be able to play your favorite songs in no time. Below are some of the advantages of piano video tutorials. No Time Pressure When you take online piano lessons, you work at your own pace. It will be up to you when you will finish the modules. Through this method, you can start reading sheet music in a week or in a month, depending on the time you give each day or week for the piano lessons. Repeat Lessons As Many Times As You Like Piano lessons on video allow you to take the time to repeat lessons as many times as you want without paying again. You can repeat it as many times as you want. Access Piano Lessons and Sheet Music Anytime Another advantage of piano lessons on video is that you only need to have an internet connection in order to access the videos, sheet music, and other learning tools. You just need to play it, and you are all set. You can even download the piano video tutorials so that you can have access to piano notes even when you are offline. Improve Self Discipline Learning piano on your own will help improve your self-discipline. You are not dependent on what music teachers tell you to do. You will also gain confidence because you know what you are learning, instead of feeling lost whenever your teacher is not around to guide you. These are just some of the advantages of learning piano through video tutorials. Keep on watching those videos and you will learn how to play on piano your favorite songs in no time. Just make sure that the piano lessons match your current skill level and preferred style.
