I read it not long after it was published and was struck by my reaction. Though such folks are a dime a dozen these days, they were rare years ago. These were the folks who came up with a game plan based on numbers, picked targets to reach those numbers and executed the plan. And it was finite. When the results came in on election day you knew how well you had done. And measured against that standard it was well done and an interesting read. But as we grow older, our perspectives often change and priorities shift. Instead of Mike Hubbard being hailed as someone who lead Alabama into the promised land, his legacy will be that he is the first ever Speaker of the House to go to jail. I picked up the book just the other day and flipped through it, recognizing names and relating to details about events. In a sense, it was a creepy feeling. Like you found the letter to Santa Claus you wrote when you were six years old and shook your head at youthful wishes and how far from reality they turned out to be. For instance, Hubbard goes into detail about helping Huntsville businessman Phil Williams win a special election in Governor Bob Riley attended a fund-raiser for Williams. He recently told AL. I think the members know a vote for me is a vote for a complete overhaul of the system, and the system is broken. We have a real mess on our hands. Vox Populiâ€™”Voice of the People. Whether you are Republican or Democrat, black or white, rich or poor, I will work to ensure that your voice is heard in the Alabama House Chamber. But over the years he allowed the system to gobble him up, he could not resist the temptations power afforded him, his moral compass lost its heading. And we were all losers. And we are all losers.
