Chapter 1 : The Story of the Dancing Frog (TV Short) - IMDb

THE STORY OF THE DANCING FROG Narrated by Amanda Plummer If you want this DVD, it includes the feature Able's Island. Voice by Tim Curry Purchase this double animation, [here](#).

Jo has many illustrious relatives - Uncle Geoffery and the iceberg, Sarah and her lions and Gertrude and her dancing frog. Jo is curious to know more about her aunt Gertrude and her wondrous dancing frog. As you go along the story, one is not quite sure who to admire more - Gertrude or the frog, both thriving in, out of character situations. It turns out Aunt Gertrude married a sailor and lived between spending time with him and thinking of him while he was away at sea. Unfortunately, he died at sea one day. Gertrude and her sailor get hitched Grief -stricken she wandered till she comes to a river, fully intending to kill herself. Gertrude is bereft and wants to end it all[Just as she is about to though a dancing frog on a lily pad catches her eye. She brings it ashore and starts to tend to it. A dancing frog and Gertrude meet She trains the frog to dance to music. Gertrude then leaves the comfort of her home and decides to travel show to show with her frog. Things were not easy with landladies not willing to let a frog live in their rooms. Fussy landladies want no frogs On the flip side, George and Gertrude meet many interesting people. In one such show, George replaces a talking dog and becomes a hit! Flowers, admirers, and gifts start arriving for George. Gertrude becomes busier still, booking shows, managing finances and what not. Never does George miss a beat and never has Gertrude had so much fun. In MonteCarlo a lord proposes to Gertrude, an offer she refuses, choosing the open road to the comfort of a home. George matches step for step with a flamenco dancer in Spain George and Gertrude then visit New York where while Gertrude is out a fire breaks out in the hotel. Jo is curious and not entirely convinced about the dancing frog. The author tells us it is never really the end of the world, there are always so many new adventures to face if you decide to. The Story Of The Dancing Frog is a book that tells us that we need to be unafraid and not put our own full stops in life. We will be rewarded several times over if we embrace our destinies and make a go for it!

Chapter 2 : The Story of the Dancing Frog - Quentin Blake - Google Books

'The Story of the Dancing Frog' is a wonderful children's book. The author, speaking in an inclusive adult voice, tells the story of his aunt's life. I love reading this book and every child I have read it to, has also loved it.

Chapter 3 : Story of the Dancing Frog () - Rotten Tomatoes

The Story of the Dancing Frog is very short, but it is a lovely, touching short film all the same. The animation, like with Abel's Island, is simple yet very effective in the characters, backgrounds and colours.

Chapter 4 : Kids' Book Review: Review: The Story of the Dancing Frog

This delightful adaptation follows Gertrude and George the Dancing Frog on a whirlwind theatrical tour.

Chapter 5 : The Dancing Frog Yoga & Pilates by Deb Nehlig

This video "Story of The Dancing Frog", was one of my children's all time favorites. Now that I'm a new grandpa I wanted to share this video with my granddaughter. Unable to locate this video anywhere, I stumbled across it at calendrierdelascience.com
