

## Chapter 1 : Summons of the Trumpet Analysis - calendrierdelascience.com

*Summons of the Trumpet is a great read and would be an excellent first book to read on the Vietnam War. With pages and 30 chapters, most of the chapters are short, but they convey a lot of information on a lot of different topics.*

There remain, however, certain painful elements of wartime origin, resistant to suppression and oblivious to the passing of time, which continue to weigh heavily upon us. At the heart of its endurance lay the nature of the war itself, its incomprehensibility and its rather prolonged and graceless finish. For Americans, the essence of the war remained rather clouded throughout. Unlike previous wars, its purpose was never clear as it failed in almost every respect to approach the crusading quality of World War II or Korea where the enemy was easily identified and the threat readily understood. It was a war that never really ended. Its failure to be resolved robbed Americans of the clean break required to place it fully in the past. Even today as it is carried on by Indochinese nations battling one another, it is ostensibly devoid of American involvement but not necessarily of culpability. Although it officially ended for the U. Its lasting effect was to instill, perhaps for the first time, a sense of loss in the American people, derived from recognition of having abandoned a dependent ally, the South Vietnamese, as well as from having ourselves suffered an unprecedented military defeat. Those elements of the war which continue to remain with us stem from the legacy of these truths. Together, they are responsible for having profoundly altered our trust in our leaders, our faith in our ideals, and, ultimately, our belief in ourselves. The Vietnam War was, for these reasons, considerably more than an isolated military incident. Because of the extent to which it permeated American culture, it requires substantially more than a military accounting to be adequately described. Army colonel who once served in Vietnam with U. It is divided into five separate sections, each depicting a distinctive era in the war. When combined, they form a framework for viewing the war which is extremely helpful to understanding the course it followed. The author faithfully chronicles events in the order in which they occurred, isolating key battles on the way that precede and follow the climactic Communist Tet offensive in He is particularly adept at discussing military tactics and is well acquainted with North Vietnamese strategy and objectives. The contrast he makes between North Vietnamese tactical flexibility and U. The entire section is 1, words.
