Print Article AA A lot of people fantasize about having sex with a relative stranger while their significant other watches with pleased approval, perhaps while also fucking someone they too just met. Fewer people have actually played out this scenario in real life. But not as few as you might think. Todd Claxton knows better. As the owner of lovevoodoo. Plenty of space for everyone to play. Although single folks swing, the vast majority of the population is composed of heterosexual couples that have decided to play outside the rules of traditional monogamy. Typically, couples get involved when the female partner expresses an interest in being with another female. The inclination to experiment generally grows from there, with most couples eventually participating in "four way matches," that is, sex with another couple. Lifestyle websites like lovevoodoo. Although initially reticent, Lee says she "humored" the idea and in her research, came across lovevoodoo. We talked more openly about our fantasies, and the pillow talk became reality when we went to one of the parties. Parties generally include ten to thirty couples and are often themed. Lingerie, sexy school girl, sexy rock star, sexy you get the point In and fuck and run," Lee says with a laugh. But mostly, parties commence like any other cocktail party or gathering. All regions of the country have an active swinger community. Hanging out at the swingers convention. Here, attendees immerse themselves in lifestyle culture and get it on with folks from around the world. Typical matchups include full swaps, when a couple swaps partners, including intercourse , and soft swaps, when the swap action is limited to oral sex. Claxton recommends that couples agree to set of limitations and expectations before jumping into bed, or pool, hot tub, etc. We hardly have any vanilla friends. I have two separate profiles, and I keep those very separate. Sexuality is the one area most of them are liberal. Many swingers just want to go to a sexy place, dance flirt, have a good time, but at the end of the night, they just want to go home with each other. ## Chapter 2 : Read *Swinging for Beginners: An introduction to the Lifestyle* Ebook Free - Video Dailymotion

*In Swinging for Beginners, you will find information on all aspects of the Lifestyle, including: dating, what to wear, what to do at clubs and parties, single men, jealousy, threesomes, how to meet other swingers and how to deal with it all. Upfront and honest, this book opens the door to the secluded, secret world of the swinging lifestyle.*

A lot of experienced couples become very adept at concealing their swinger lifestyles, so it can be hard to meet other swingers naturally. However, there are masses of trustworthy and reliable swinging websites you can browse, all of which allow you to search for other couples, clubs and events by location. Set up joint accounts on multiple swinging sites and see which one returns the most interesting people, then focus on that site. Separate accounts breed distrust due to the ability to send and receive private messages to and from other members, and first-time swingers should have absolutely no secrets from each other. For example, one of you might have your heart set on bringing another girl into your bedroom, while the other might want to meet another couple. This makes it all sound very formal and humorless, but in practice, this is one of the most fun aspects of the swinger lifestyle. Similarly, you need to set your kink levels up front. They exist in abundance in most major cities though. Now, you face a tricky decision: Lots of couples attend swinger parties simply to observe, and this is the best way to learn. At least at a party you can offer a polite refusal and speak to someone else instead. Definitely, definitely do not invite partners to your home before meeting them. What Happens at a Swingers Club? An orgy is one big group of people having sex, swinging is more like lots of little groups. Swinging clubs generally have several rooms, often with different themes, each with a different activity and a different feel. Sometimes wristbands are used to communicate whether the wearer is available or not, or whether a particular couple is looking for a male, female or couple to join them. And Most Importantlyâ€¦ We touched on it earlier, but good, open communication between you and your partner is essential for a healthy swinging lifestyle. Jealousy and insecurity are real threats to a relationship when other partners are introduced, and you will both have to work hard with each other to make sure everything feels safe and trusting between you. The more you talk about your feelings and desires, the easier it becomes to talk about your feelings and desires. So how about you? Have you had any experience swinging, and have advice to offer? Share it in the comments below!
