TCS is the fastest growing IT industry in Asia that have crossed major tech firms and is now placed at the 3rd position when it comes to hiring new talents.

Learn and practice the placement papers of TCS and find out how much you score before you appear for your next interview and written test. You can easily solve all kind of placement test papers by practicing the exercises given below. You can easily solve all kind of questions by practicing the following exercises. Rupesh Kumar Jha Rating: Online written test comprises of: The questions were very easy, one passage was there and you need to fill up those blanks. To crack this section, you need to be clear with your basics grammar, i. Please go through the mock test conducted by TCS official site, if you practice it will nice, as it will make you familiar with the pattern. Most probably 12 standard questions and three advanced level, the time will be 30 minutes. The if you clear advance then there are chances, you will be shortlisted for TCS digital higher package. There is a negative marking for mcq but no negative for fill up the blanks questions. Basics of C, Data structure, Algorithm types. The question will be based on error detection, output, some direct application of C language, linked list, knapsack problem, sorting algorithm, pointers very important. One question will be given and time will be 20 minutes. Please refer to TCS mock test, the pattern will be same, For example: In my case, the mock test program was on series. So the original question during the exam was also series with different logic. Remember this round plays a vital role for shortlisting in TCS digital. Go through your CV carefully. And you should have basic knowledge of networking, os and some general knowledge of current trends AI, chatbots. I was asked, what are chatbots, neural networks. Just the basic idea, no advance knowledge required. Be confident, believe in your hard work. And should have a positive attitude. Try to give the best in technical round. If your technical was good then HR will just be some general questions about yourself nothing more.

Chapter 4 : TCS Placement Papers - TCS APTITUDE PAPER WITH SOLUTIONS (ID)

TCS Placement Papers With Solution - The Candidates who are wishing to join the India's top IT Company and looking for the Common queries like TCS Placement Papers, TCS Solved Question Papers and previous year Placement Papers, TCS Aptitude Questions, TCS Selection Process, TCS email Writing Questions, TCS Interview Questions, TCS Interview Questions etc.

Few days back,I was also one of you. Believe me guys, its not too heard if you are prepared enough. Let me share my experiences and help you the only way I can. Aptitude Test tip to crack this round is to keep your basic concepts in quant and practice them enough. And talking about number of attempts , I have attempted 23 and my friends who have passed the test also attempted around it. So no need to attempt all but accuracy matters a lot. So contemplating about the questions in the interviews and molding answers for them I slept. The day came when we were supposed to give interviews. I was prepared but little nervous as it was the first company at the campus and first that kind of interview. Good morning sir, may I sit? Hows your day today and how you feeling now? I am fine sir. But feeling little bit nervous, as it is my first interview Interviewer: Ok Jalpa after taking my form and resume. So tell me about your self. These are the major subjects. Ok than what about your project. Data structure basic questions were there and so many questions on inheritance basics. However all were basic questions ,go through the basics in detail because they are always ready to counter you and gauge you that you know the complete basics or you are just overviwer of the stuff. Interview ended in around 25 minutes and I was quite sure about my selection and happened the same. Went in and interviewer introduced himself an HR who has 15 years of experience. Interview began with his cunning smile and my confident attitude. Introduce your self Me: You should join an NGO as you seems interested in social work. IT is a platform with which will able to transform the world so my willingness make a change in society would also be fulfilled by having in depth knowledge of IT and implementing it in the right way. So TCS would be the best platform that would aide me to fulfill my dream. How many lectures do you attend in college? Than If you want to learn something that you are not aware of ,what shall you do? What is the meaning of your name? NGO is a better place for you Me: So my HR round was very easy. Anyway I enjoyed the experience a lot and was satisfied with my experience. At 12 am result was declred and I got offer letter. Speechless about the happiness that my parents and my brother had on their face. I just hope everyone reading this will able to feel that moment of joy and of doing something after 18 years of study.
