time I love you more than anything else. The other times, well Hurry home my love. Sometimes I think you need a vacation from all that hard work you do. I feel so safe with you, knowing how hard you work, and it makes me want to do so much for you. I love you baby. Thank you for all you do for our future together. It really makes me feel so loved when you bring me flowers, chocolates, or even just a smile. Nothing you do says I love you more than when you play with my hair. In all the world, the sweetest words to show me your love are the ones you write to me in letters. When you kiss me on the forehead, I know it means you love me. I love you too. How I long to whisper my love in your ear. Will you not come to me? All I ask is one moment to make this wish true. Come, please, that I might share this with you. In all the world, there is no one who yearns to love you as I do. It consumes my every waking moment, yet you are always busy. Have you not even a single evening, that I might make my love for you known? All the while my love has been building, and now I fear it will break free and consume us both. Please, I beg of you, come to me. The only time I feel safe is when your arms are around me. I miss you, and I need your love. Just one man has ever touched my heart, and that was you. Your kind, sweet, and gentle way opened my soul, and I fell so in love with you. I was just looking at this great pink shirt that reminded me of you. Sometimes I feel like a flower on a cloudy day. I see you, and the sun is shining. Have a good day at work. There are a lot of reasons I could be missing you. It might be because I want a kiss, or maybe because I need a hug, or Whenever I miss you, I have this uncontrollable urge to eat. I hope you still recognize me when you get back. And sometimes, those little things become the big things. A text is such a simple, easy little thing, and yet it can go a longggg way. During our first year of marriage, my job required me to wake up at 2: I worked in sales for a wine distributor, so I managed a bunch of accounts in the Pasadena area. Most of the time, he would send me an encouraging sentence, or even just a few words. His daily texts gave me the motivation to keep on going, to stay confident, to know that I am loved, and to be thankful. And more than that, his messages made me excited to be home with him every night. On the weekends, when Jeremy was away working on a photo shoot or filming a wedding, I would return the favor. I would send him texts that encouraged him, built up his confidence, and reiterated my love. Chapter 4 : A Simple 12 Word Text That Is Guaranteed To Improve Someone's Day

Some of the guys I've met are so anti text it's funny, so with them we talk, others love it and we'll text all day long. My friends and family like text messaging too. If my best friend gets into a fight with her husband, she vents thru text so he doesn't hear her, and if we are frustrated at work, or hear some good gossip, text away.

How did it make you feel? Did it brighten your mood? Did it bring a smile to your face? What impression did this person make on you? When I consider the different types of impressions we make on people, there are very few more powerful than when you do something unexpectedly to show people they are important to you. It could be a simple text message telling a friend how much you value the friendship or a short email to a co-worker complimenting him or her on the way he or she handled a difficult situation at the office today.

Results of Kind Words When you take your time to surprise people with acts of kindness or love, you will make them feel noticed, valued, and appreciated. You will bring a smile to their faces and joy to their hearts. It will enhance their self-esteem and strengthen their self-confidence. It will renew their energy and put a bounce in their step. It will draw them closer to you and you to them and create an extraordinary bond in your relationship. You will benefit also because there is joy in unselfish acts when you give of yourself, your time, and your resources.

Ideas to Inspire You to Action Here are 25 unexpected things you can do to show people they are special in your eyes. Drop a hand-written card in the mail to give someone an encouraging word. Give your spouse or significant other a gift on your next date night. Shovel snow for an older couple down the street. Call a friend going through a difficult period to show your support. Send a client something special that made you think of him or her. Send a gift basket or bouquet of flowers to the hotel room of a friend who is on a long road trip. Offer to take a co-worker who is not close to you to lunch and buy it. Plan a company or department meeting, surprising everyone with a party to show your appreciation for their hard work. Pay the toll for the person following you and tell the gate attendant to communicate your brief message. Stop by the hospital to visit a friend. Cut the grass for a neighbor who is overwhelmed at work. Take dinner over to a family suffering from financial hardship. Stay late and help a co-worker finish an important project. Call and invite an old friend to have coffee or tea. Buy your friend sitting at another table in the restaurant a drink or dessert. Go to the funeral of your friend or co-worker who has lost a loved one. Look someone in the eye and share how proud you are of him or her. Express appreciation for ordinary and routine tasks done well. Say an encouraging word to your boss, teacher, coach, pastor or priest. Offer to run an errand for an overworked friend. Thank people who serve you—waitperson, janitor, receptionist. Not only will these acts make the person feel good, but they will make you feel good, too.

Act Now I want to challenge you to look for situations when you can show your interest in others by doing something unanticipated. I also want to encourage you to start this practice this very minute. Who do you love that you have not communicated with recently? Call, email or text and let them know you love them. Will you do it? Will you do it now? Please come back and tell me below about your experience. Every time you show a genuine interest in the lives of others by committing an unexpected act of kindness, you are telling them that who they are and what they do is significant. Super cute text message that will encourage them to keep sending those adorable text messages you love so much! I love seeing you happy, and my biggest reward is seeing you smile.

Dating Advice by Poonam Advani Since technology is advancing with every passing minute, sending your girlfriend love letters and notes are a thing of the past. Today, almost everybody uses a cell phone and communicates either by sending text messages or calling, of course. Text messages sent during occasions serve as a reminder that one is being remembered on that day. Conversational and romantic messages are exchanged plenty of times during the day and to help you choose the perfect text for your girl friend, you can take a look at these. Good morning Sunshine To wake her up and keep her cheerful all day. Every day would be as beautiful as this moment if you were with me. You make my heart beat faster and slower at the same time. My world has no meaning without you. You are the reason for my smile. You make my heart melt! Life has never been better, thanks to you, sweetheart! I miss you, we should get together soon! If I had to, I would wait for an eternity to be with you. I will love you forever and always. Waiting for you at home, come back soon. When I close my eyes, I see you. When I open my eyes, I see you. There is nothing I can do without thinking of you. To have you as my girl is my honour. Be with me always! I would climb a thousand mountains to see you smile. You take my breath away. There are three steps to complete happiness: You are IN my mind every second of the day. But if you want, you can be IN my house right now. If you see a shooting star, close your eyes and make a wish. It worked for me, I wished for you! My love for you is never ending! You bring sunshine into my life! I could attempt to live without you. But I would fail miserably. Life is beautiful because of you. For you I may be just one person, but for me you are the world. Thank you for supporting me today. Loving you is like breathing. I will love you for the rest of MY life. People come and go, but you and I will stay together, forever. On this special day of your life, I want to tell you how much I love you. The world can cry foul by seeing you with me, but everything is fair in love and war. You are the one for me. A date is a formality I need to complete, before I can tell you how much I love you! Our marriage officially binds us together. You are my number 1! Every time I see you, I love you more than before. I hope you have a good night. When you are with me, the world feels right. I want to cuddle up with you. I can never be wrong, because loving you feels so right! I miss you; I want to be near you again! When I have you, I have everything I need. Every minute I spend away from you is a minute I waste. Just wanted you to know that someone is thinking of you! My world is a happier place because of you. We are a perfect match. You have my heart, keep it safe. Every minute spent with you is a minute well spent. Even with a text message, saying I love you is easy. So take your pick from the above text messages and send some love right away!

Chapter 8 : Cute text messages - Simplified dating advice

Times will come, moments, arguments and you will want to look into that box of love bombs and take out a few as reminders of how you and your hubby really feel during times of trial. When Jason and I were having communication issues, we decided to have a "counseling session" at church with a friend.

Surprise that special person in your life and brighten up their day with one of these 50 ridiculously cute text messages! This is such a cute, yet romantic and somewhat deep text message. And let me tell you- it gets the job done. It tells that special someone that you like them, a lot, and they are on your mind more often than not. Definitely one of the best and cutest text message ideas! You make my heart melt. Super adorable and a little bit cheesy: My life has never been the same since I met you. A totally winning combination that works every time! I would wait an eternity for you. They must be something pretty amazing for you to hold out for them, and only them. I love you, forever and always. This one is pretty self-explanatory. I wish I could wake up right next to you. We all wish we could fall asleep and wake up to the one we love most, so might as well tell them while we drift off into future fantasy land. I would do anything to make you smile. This says a lot. This says that you want them to be happy at all times, no matter what the cost. And that clearly shows how much you love and adore them. Their happiness is worth more to you than almost anything in the world! You take my breath away. One of those comments that we, especially females, never get tired of hearing. I have the perfect life now that you are a part of it. This really says a lot. And they must be something pretty incredible to take your life from okay to perfect overnight. Let them know just how big of an impact they make on you and your life! I love you, insert name here. All I need is you. Every time I see you I get butterflies in my tummy. You make my heart race without doing a thing. I wish I could hold you and never let go. You know you are already wishing you never had to leave their side, but letting them know makes them feel special and loved. So you might as well tell them and complain about it together! He will feel like your big strong superhero and men LOVE to feel that way. My love for you is never ending. You are the light in my life. Another great, cute text message idea that will make them feel like one of the most important things in your life. I love your hugs and kisses. Sending this particular text message can only mean one thing: Sounds like a winning text message to me! Again, this text message is seriously romantic and although short, has tons of meaning. This tells them just how important they are to you and your overall well-being. You are my other half. Much like number 24, but using a different set of words. I mean, we all know you certainly COULD live without them- but for some reason everyone still thinks this is one of the cutest phrases out there. So you might as well use it! Thank you so much for your support. Tell them you appreciate them- I guarantee they will love hearing it from you. Loving you is as natural as breathing. This needs no explanation. Either way, you can make sure your partner feels loved AND give them a reason to laugh all in one text message. I never knew what love was until I met you. Every time you smile it warms my heart. Another beautiful text that makes our hearts melt. Do you know how wonderful it is to wake up every day knowing I have you? Did anyone else just turn into a puddle after reading that? People come and go, but I will always be here for you. Whoever they are, they will always want to hear something like this. You are the only one for me. If I could rewrite the alphabet, I would put U and I together. This can only be described in one word: Cuddling with you sounds so perfect right about you. A little bit cheesy, but still really cute nonetheless. For the last 24 hours, minutes, and seconds, I have missed you. Thank you for taking such good care of my heart without knowing anything about cardiology. Another one of those seriously dorky and funny text messages that still have tons of cuteness and romance. You are my favorite reason to lose sleep. Falling in love with you is the second best thing in the world, because finding you was the first. Now that is just TOO amazing. I love all the stars in the sky, but they are nothing compared to the ones in your eyes! Does this need any explanation? A totally fun and special lovey-dovey poem that is guaranteed to warm their hearts and put a smile on their face. Then spice things up with this beautiful and romantic text message. Absolutely adorable and may even have him second guessing his thoughts a bit.
