Chapter 1 : Books matching "thats not my"

My month old loves this book, flipping the pages and touching the different trucks. She especially likes the "ridgy" sections - its a different texture than in the other Usborne books, and she seems to go for this one most often.

Patent 7., See more! As a first time mom due soon, a lot of baby gear can get overwhelming and confusing. They take all of that out of the equation and focus on what you really need and listen to what you are looking for in certain products and point you in the right direction. Magic Beans has a well-curated selection of awesome goods! The employees know their stuff and always steer us in the right direction. It is our go-to store for our new baby. Drew We found Magic Beans on the recommendation of a friend, and really took a liking to them from their extensive YouTube videos on product comparisons and details of new product releases. We liked being able to walk to the store from our apartment, and we ended up doing almost our entire registry with them. We have nothing but great things to say. I love shopping and supporting Magic Beans and local small businesses! Their customer service is top notch and they go above and beyond to help you. Their pricing is also competitive and fair. Best place ever to shop for strollers and baby carriers! The staff is knowledgeable and warm. I spent over an hour here to learning about strollers, car seats, baby wraps, etc. I placed an order and the stroller arrived very quickly. A must stop for baby equipment. Love the ease of browsing and purchasing from this site! So excited to own a higher quality stroller. Found them from their fantastic youtube videos. My wife and I absolutely love Magic Beans! We have been following them on YouTube and gathering knowledgeable information on all the different baby gear that is available. They have provided us with a ton of great information to help make decisions when it comes to buying our first child all the gear he will need. Thanks again Magic Beans! The staff at Magic Beans is incredible!!! The most positive and helpful shopping experience for me and my expecting wife. The staff listened to our needs and explained different options for strollers, car seats, cribs, bassinets, and just about everything else we would eventually need as new parents. No other stores offer this level of assistance, attention, and support. I recommend this be a priority starting point for all soon-to-be-parents!!!
