For most of the series, Peter is shown as an obese, unintelligent, lazy, outspoken, immature, and eccentric alcoholic. He has several jobs, which have included working at the Happy Go Lucky Toy Factory, a fisherman, and currently as a shipping clerk at the Pawtucket Brewery. She is an Anglo-American housewife who cares deeply for her kids and her husband, while also working as a piano instructor. Lois is also very flirtatious and has slept with numerous people on the show. She is a self-conscious, insecure, and sensitive teenager who is more often than not ridiculed and ignored by the people around her. Meg just wants to be another face in the crowd by fitting in with her peers and being accepted, but she often finds herself to be a victim of circumstance. He is a friendly, warm-hearted, and funny teenager who is a younger version of Peter physically, but intellectually, he very often shows better potential, as demonstrated from moments of coherence and articulation within his speech, especially when talking about films, TV series, actors and actresses, etc. Despite this, he is very naive, often showing a tendency to be easily fooled. He is a child genius who frequently aspired to murder his mother Lois and take over the world but has since mellowed out considerably. Stewie built a time machine with which he and Brian have traveled through time. He turned 1 year old in "Chitty Chitty Death Bang," and has not aged past one year since. As a fact in "Road to Rupert," he says he is a year old. He is not-so-secretly in love with Lois and is an unsuccessful, unemployed writer. Brian was not revealed to be an atheist until season 7. How this change occurred in Brian is unknown. In "Life of Brian", Brian is hit by a car and dies from his injuries, with the family by his side. However, in "Christmas Guy" two episodes later, Stewie still misses Brian. He finds a way to go back in time and successfully saves him, also meaning that the family never adopted Vinny. Though Stewie and Vinny did say their goodbyes. To a lesser extent he disapproves of Lois due to her heritage, and is angry with Peter for not marrying an "Irish rose". Despite all of this, he truly did love and care for Peter, and showed on multiple occasions to care for his grandchildren. Francis used to have a job at a metal fabrication plant; after his short retirement, he became a bodyguard for the Pope. Francis dies in a hospital after uttering "Peter Francis appears at the memorial in "Perfect Castaway". He is an Irish drunk. Mickey mocks Peter at first and bullies him, but Peter challenges him to a drinking contest and wins. Finally, Mickey accepts Peter into his family and spoils him ever after by buying Guinness and more. She is the mother-in-law of Lois. She first appears in "Holy Crap". She is 82 years old as stated in the episode "Mother Tucker", has gray hair and noticeable wrinkles below her eyes, and wears purple earrings and a purple bead necklace. She also wears glasses like her son and husband and is a heavy smoker. Unlike Francis, she is generally friendly and personable, and gets along well with Lois. She often appears with news inconvenient or troubling to Peter and his family. In the episode "Grumpy Old Man", it is revealed that Thelma was sent to a retirement home. Karen is a professional wrestler and is shown as the reason Peter bullies Meg where he was picked on by Karen. During her fight with Peter in the ring, Karen was knocked out by Meg using a real folding chair instead of a fake folding chair which puts her in a coma. At the end of the episode a doctor calls Peter on the phone and tells him that Karen needs a blood transfusion to save her but Peter refuses. He is also a billionaire industrialist, shipping mogul, and owner of several major companies. His company in the episode "Business Guy" is named Pewterschmidt Industries, and he is also a member of a fancy yacht club, where he mingles with other superwealthy people. He is a hard worker, and has been shown to have become temporarily senile as a result of forced retirement in "Grumpy Old Man". Carter is a domineering, devious and manipulative individual who despises his son-in-law, Peter, whom he often insults, badmouths and seeks to humiliate. On rare occasions, he and Peter work together, normally with a common goal. He is married to Barbara, with whom he had three children – Lois, Carol,

and Patrick. It is revealed in " Welcome Back, Carter " that he was an Allied officer. He is shown to be a womanizer with a fetish for Asian women, having had affairs in " Welcome Back, Carter " and " Carter and Tricia ", and hiring an Asian prostitute in " Stewie Kills Lois ". Lois left Peter once, but with persuasion from him, entered the dating scene, but he eventually convinced her to take him back. In " Screwed the Pooch ", it is implied that Carter had an affair with an African-American woman, resulting in a biracial son as mentioned by Lois. In Laugh It Up, Fuzzball: It is noted on a few occasions Barbara only married Carter for his wealth and family heritage. She is demeaning but more polite to Peter than her husband is. In appearance, she is basically an older version of Lois. In " Family Goy ", it is revealed she is Jewish , and a survivor of the Holocaust. She only changed her religion so she and Carter could gain access to country clubs. It is also revealed in that episode that her maiden name was Hebrewbergmoneygrabber, which was changed to Hebrewberg to escape Nazi persecution. In the episode " Running Mates ", she is described as passive aggressive. Barbara Pewterschmidt is also the ex-wife of billionaire Ted Turner. She left Carter in " Welcome Back Carter " after learning he had an affair. However, she does eventually forgive him after deeming herself too old to remarry. In " Emission Impossible ", Peter and Lois had to stay with her when she ended up pregnant. The baby, a boy, is born in the episode yet never seen again. Her previous husbands include Evan Johnson who bonded with Peter over the Boston Red Sox baseball team , Randall Carrington who is always bringing people very unusual and inconvenient gifts , and Doggie Daddy it was mentioned that Augie caused a strain in their relationship. She gets married to Adam West and is still with him since the " Thanksgiving " episode. Patrick Pewterschmidt voiced by Robert Downey Jr. He has been kept hidden by her mother and father. He first appeared in the episode " The Fat Guy Strangler ". Then she and the family drove to the address which was found to be a mental institution. When there seemed to be nothing wrong with him they decided to check him out and take him in. Later it is discovered that he has an imaginary wife named Marian and, more importantly, that he had a hatred of overweight people due to a bad experience from his childhood witnessing comedian Jackie Gleason having a sexual encounter with his mother. At the same time, there is a rash of killings in the neighborhood of fat men, and Patrick is strongly suggested to be this "Fat Guy Strangler". After denying it, Lois finally decides she must take him back, after he tries to strangle Peter to death. Patrick appeared in the season 10 episode " Killer Queen ", in which he helped Peter and Joe after he is released from the mental institution by Charles Yamamoto as part of his revenge plot on Chris which involved framing Patrick. After Charles dies from having the cover of the Queen album News of the World shown to him by Stewie, Patrick identifies Charles as the one who let him out of the mental institution. Patrick manages to slip away after that with Peter having to injure Joe to make it look like a struggle. Brian stays with him in Hollywood in " Brian Does Hollywood ". Guy Who Receives ". Jasper also makes a short appearance in " E. Peterbus Unum " during a flashback of Peter getting something the family does not need in this case, a new dog—one that looks like a flamboyantly gay version of Brian. Bertram voiced by Wallace Shawn — The son of a gym teacher and her partner through artificial insemination. He enters combat with Stewie Griffin in order to prevent his destruction, as Stewie wishes to remain the baby of the family. The two became frenemies, and Stewie changes his mind on a new family member. After he is born, he begins playing at the same park as Stewie, and the two fight over who will rule the playground. Stewie eventually disarms Bertram, who admits defeat and runs away. Although he kills da Vinci, he is killed in turn by Stewie who manages to maintain the time line and save the universe. An alternate reality version of Bertram is the main antagonist in the video game Family Guy: Back to the Multiverse. He first appears in, " The Former Life of Brian ". His mother Tracy was devastated when Brian left her. Dylan then decides to leave the Griffin house and change his mother like Brian changed him. She was stuffed by her owners after her death. She is also seen during a flashback in " Chris Cross ". High ", Coco was hit by a milk truck. Brian, when saying a statement with racism in it, quickly follows it with "that was my father talking". Spooner Street neighbors[edit] John Herbert voiced by Mike Henry — An elderly pederast often referred to solely by last name, who resides just down the street from the Griffin family and distributes Popsicle ice pops to small children in his basement. He has a dog named Jesse,

who is also very old and is unable to use his hind legs. He has a high-pitched, very soft effeminate voice and pronounces sibilant consonants with a high-pitched whistle. Herbert is often seen wearing a light blue robe and slippers, walks with a walker and frequently makes inappropriate, sexually tinged comments to teenage boys in " Road to the North Pole ", Herbert wants a little drummer boy for Christmas, while staring at a poster of Nick Jonas. It is revealed later on that he is the eldest member of the Skull and Bones secret society. In " And Then There Were Fewer ", he drove an ice cream truck which in past episodes he has used to lure little boys. He is an airline pilot for Spirit Airlines as revealed at the end of " Passenger Fatty-Seven " and a former member of the US Navy , but is best known for his extreme sexuality and always saying "Giggity" or "Alright".
