

Chapter 1 : The Callender Papers by Cynthia Voigt

The Callender Papers, by Cynthia Voigt, is an exiting, suspenseful, and enjoyable murder mystery. It takes place in Cambridge, Massachusetts and the Berkshire mountains during the summer of The main character is Jean Wainwright.

Winner of the Edgar Allen Poe Award, the mystery begins with a young girl sorting family papers for Mr. Thiel. Instead, she finds herself drawn to another man whose warmth and friendly manner is more appealing to a young person. As the mystery unfolds, she finds herself the center of it all. To tell more about t While the narrator of this little book is just thirteen, the story is appropriate for this age and up. To tell more about the story would give too much away. My advice is just to read this one and discover the mystery for yourself. This is a good introduction to the Gothic genre, without the modern trend for vampires round every corner! Several reviewers have mentioned predictability in the plot, but I think that is because it ticks off the typical elements of a Gothic novel in a style accessible to its target readers. I love the dedication in my copy: Voigt is a talented writer. Though the plot was fairly predicable, it was still an enjoyable read with all the classic structure of the gothic--mysterious circumstances, conflicting hero types, dark emotions, secrets, nightmares. Yes, a great little warm up for those entering into the gothic genre. Oct 14, Natasha ZettaCrepeauStypayhoralikson rated it really liked it I got this when I was a little girl, about 5, at a book festival. It sat on my shelf for six years, dubbed as boring. When I opened it up, it drew me in. I loved the entire book, and the characters just jump out on you, real and diverse. Anyway, it is a beautiful book. Dec 03, Brett rated it it was amazing I teach school and this is a great period piece. It is a great mystery and every student I have suggested it for loves it. Oct 30, Kelly rated it it was amazing This book called was a detective story that written by Cynthia Voigt, about the secret surrounding Jean and Callender family. Jean was an orphan. In the beginning, Jean went to a small town, lived in Mr. Thiel. Then, she found our that those documents were concerning an accident that happened ten years ago. Thief accidental death, their baby and her nurse were all missing. In the end, the truth completely exposed. Jean was the baby who disap This book called was a detective story that written by Cynthia Voigt, about the secret surrounding Jean and Callender family. Jean was the baby who disappeared ten years ago, so Mr. Thiel was her father. The plot was exciting and it was successful.

Chapter 3 : THE CALLENDER PAPERS by Cynthia Voigt , Suzanne Duranceau | Kirkus Reviews

It's advice that proves valuable when Jean finds herself spending the summer far from home, sorting out family papers for the reclusive Mr. Thiel, a trustee of Aunt Constance's school and the widower of her childhood friend Irene Callender.

Chapter 4 : The Callender Papers by Voigt, Cynthia

Perhaps old Mr. Callender's will, which could answer much, can be found among the family papers. At times the conflicting claims are almost too much for Jean, whose uncertain judgment leads her into a potentially perilous situation.
