Several hundred recipes compiled by Ladies of St. Founded in by Isaiah Thomas, a Revolutionary War patriot and successful printer and publisher, the society is a research library documenting the lives of Americans from the colonial era through The society collects, preserves, and makes available as complete a record as possible of the printed materials from the early American experience. The cookbook collection comprises approximately 1, volumes. Hannah Bouvier Peterson Language: She was also deeply concerned about cooking for the sick and convalescent and included a significant section with recipes prepared according to the directions of an eminent local physician. As might be expected of a scientist, the book is thorough and comprehensive, including recipes for soups, fish, meat, vegetables, sauces, pickles, pastry, sweets, tea cakes, cakes, preserves, and miscellaneous dishes, clearly organized with both a detailed table of contents and index, unlike many contemporary cookbooks that lacked both. Russell Thacher Trall Language: With mid-nineteenth century advances in scientific studies of health and nutrition, diet-based cookbooks like Dr. The diet proposed in the cookbook consists almost entirely of fruits, grains, and vegetables, with a few animal-based recipes thrown in for those who demanded a wider diet. It also includes a discussion of digestion and an exhaustive catalogue of vegetable foods. This edition of The New Hydropathic Cookbook was reproduced by permission from the volume in the collection of the American Antiquarian Society, Worcester, Massachusetts. American Antiquarian Cookbook Collection Language: Published in in Troy, New York, during the post-Civil War charity cookbook boom, the Presbyterian Cook Book is a fascinating, genuine example of how women during this time were able to express their political influence through the sales of cookbook collections. Besides the fund-raising that the cookbook provided, this culinary collection showcases the cooking talents of local women, what was common fare during the time period, and local community opinions and prejudices. The Andrews McMeel edition of Presbyterian Cook Book also features handwritten notes and recipes from the original owner, which offer an authentic and quaint addition to the book. With the original handwritten notes, the historical significance of the work, and the charming recipes, Presbyterian Cook Book is truly a piece of culinary history to be treasured. This edition of Presbyterian Cook Book was reproduced by permission from the volume in the collection of the American Antiquarian Society, Worcester, Massachusetts. Furthermore, each household tip or skill was also performed by Dr. Kitchiner to test each method before writing the entry. Founded in by Isaiah Thomas, a Revolutionary War patriot and successful printer and publisher, the Society is a research library documenting the life of Americans from the colonial era through The Society collects, preserves, and makes available as complete a record as possible of the printed materials from the early American experience. The cookbook collection includes approximately 1, volumes.
