Chapter 1 : Tyndale House Publishers - books from this publisher (ISBNs begin with) (2 of 25)

Comment: A copy that has been read, but remains in clean condition. All pages are intact, and the cover is intact. The spine may show signs of wear. Pages can include limited notes and highlighting, and the copy can include previous owner inscriptions.

Catherine was gone and never to be seen again. How can a book leave off with a budding love story and return to never speak of it again, no questions asked? Despite the glaring lack of cohesion, I liked this book better than Reno. I thought the supporting characters were more dynamic and much easier to like. Jesse Lindsey was just as easy to like. His character was a bit flat, but he reminded me of one of those loveable older men like Andy on The Andy Griffith Show, so I was rooting for him from the beginning. Even for the late nineteenth century that was weird. Dunno what Morris was thinking there. Overall, Rimrock was predictable. If you want a good dialog driven fluff book, this one is for you. In this story, Ada Lindsey is on the stage out of Dallas. Her son offers her some water, but she refuses, which seems to upset him. A drummer on the stage named Smith decides that he has a pout like a little child, he pulls out a bottle of whiskey to take a drink. The stage throws everyone toward the woman. Although this book is the second in the Reno Western Saga, it is not a Sequel to Reno, the first book. He wishes she would have stayed in Dallas, but she feels that since he is all she has, she had to go with him. The man seemed to be drunk, the way he moved about. The stage moved out shortly. Lindsey insisted that he be removed from the stage. The driver said that he could be left at a shack where they watered the horses. His remark that Rossiter was a funny kind of gambler upset him, but he introduced himself, but the man fell asleep before giving his name. Rossiter sat looking out the window wondering about his problems.

Chapter 2 : The Stanley Brothers | Revolv
