

## Chapter 1 : THE DISOBEDIENT VIRGIN | Harlequin Comics | Balloons & Chapters

*The Disobedient Virgin has ratings and 32 reviews. StMargarets said: This was a fun end to the three-part series. The hero is the third illegitimate.*

To view it, [click here](#). This was a fun end to the three-part series. The hero is the third illegitimate son of Enrique Ramirez. He grew up in near poverty in NYC with his single mother who wove a tale of a freedom fighter father who died before they could marry. The hero is now a billionaire with a very practical PA who keeps his business and personal life running smoothly. His inheritance from his father is the guardianship of a beautiful 21 year-old who has been locked in an enchanted castle a convent in Brazil for th This was a fun end to the three-part series. His inheritance from his father is the guardianship of a beautiful 21 year-old who has been locked in an enchanted castle a convent in Brazil for the last 10 years. She only wants her inheritance and freedom â€” but there is a catch. She must marry a Brazilian within 2 months of her 21st birthday. Hero is not happy with this. They have a battle of wits the first night at a fancy hotel in Brazil before they are going to fly to New York. Heroine is attracted from the beginning. Hero is so flummoxed at what the heroine is going to do or say next that he forgets all about his stable of lady friends. What makes this story is the droll way the hero has of looking at the world and at the exotic wonder that is the heroine. Catarina Elena Teresa Mendes, her head bowed, was tall and skinny, all but lost in the folds of an ugly brown dress that hung halfway to her ankles. Her face, what little he could see of it, was unremarkable. Jake breathed a little easier. How tough would it be, watching over a girl like this? Finding her a suitable husband might be a little difficult, unless he could come up with a way to make her look a bit more attractive. Trying to outwit the heroine: Jake was confident he knew what his reaction would be. Rio was a city of incredibly beautiful women; this was one of its finest hotels. Of course the heroine is not immune to the hero: On top of that, he was beautiful. Of course the hero quickly sees beyond the bad fashion: Jake swallowed dryly and dragged his gaze to her face. Which made no sense because all he could see were her bare toes peeping out from beneath the hem of the nightgown. This is just a fun story. The payoff of reading the three books so you could see the brothers reunited was okay â€” but pretty low-key.

Penthouse letters with a miniscule plot nancynova Sep 12, Good enough book. Quick reading, in part because I skip the sex scenes. Characters are very shallow and the plot is not very credible. The hero and heroine spend very little time together before they are in undying LOVE. Read this mainly because I wanted to know how the Ramirez brothers saga ended. It ended with very little substance and a not-very-credible situation. This book is part of the Ramirez Bride series and the final in that series. What I think is so incredible is that Harlequin chose three authors from three continents This series is about three half brothers scattered to opposite sides of the globe; each must find a bride in order to find each other. Jake Ramirez has just found himself in a real predicament. Cat is a sweet, innocent orphaned girl who is just waiting to turn of age so she can escape the Convent and experience life. Little does she know that her life will change when Jake enters the picture and whisks her away to New York. Jake is strong, handsome, rich and sexy and a very powerful businessman. His youth was not one to be proud of growing up in the streets of New York, find a little trouble but turning his life around and making himself one of the most powerful and sought after bachelors in New York. From the moment they meet, anger and sparks fly, plus a tension neither of them understands. Their journey together will melt your heart. However, the final meeting of the brothers in this series was perfect, a perfect ending to a wonderful series. Catarina Mendes is young, innocent and rich. Jake Ramirez is handsome, worldly, rich Once Jake does that, Cat will inherit the fortune her parents left her Can he resist taking what the innocent Cat offers before he finds her a suitable husband?
