Chapter 1 : The Guide to Making Ribbon Lei by Mellie Enos (, Hardcover) | eBay

Find helpful customer reviews and review ratings for The Guide to Making Ribbon Lei at calendrierdelascience.com Read honest and unbiased product reviews from our users.

Unlike flower leis, which eventually wither and fade, ribbon leis are treasured throughout the years as gifts of aloha that can last a lifetime. For this reason, beautiful and everlasting ribbon leis are a popular alternative to flower leis in the islands. With this first-ever easy-to-follow visual guide you can fashion your own ribbon leis from materials found at any craft store. Fifteen different ribbon lei designs are showcased - many are created to resemble local floral favorites such as pikake, ilima, hinahina, firecracker and white ginger. Each design is described in detail with step-by-step instructions and colorful photo illustrations. Customer Book Reviews An assortment of leis for a beginner crafts person! By Tuigwaa-chan on Oct 25, Of course there is nothing like a real flower lei, but this is the next best thing. Living on the East Coast, I wanted to give leis for an important event. I periodically still use the book which is lightweight and perfect. It is easy to work on the leis even when traveling or when you have a little time. I also found this book very easy to follow straightforward and that means a lot, as I am not one who is handy with sewing or needles. So this can be used by beginners. Finding the materials specific type of ribbons was a bit of a challenge as they were not at my local stores but online. Overall, I found that it is great for making gifts, for special events, etc. Nice selection of designs and easy to follow instructions By Bigcatfan on Aug 19, I bought this book because I wanted to make money leis for my friends for bithdays. I feel confident that I can make most of them. The book has very good pictures to illustrate the steps and the instructions make sense. Nothing irritates me faster than mass produced, watered down versions of someones cultural history. The patterns in this book offer a good variety, turn out a good looking product and are relatively easy to make. It took us some practice to figure out how to make the leis well. We might sell some on ebay if we get a chance! By Marie-claire Gravel on Aug 31, This book is so great. The step by step instructions are very clear and precise. She loved them as did her best friend who I made She loved them as did her best friend who I made two leis for as well! Some instructions were a bit too intense for me but the leis that I wanted were relatively easy. Add a Book Review Book Summary: This particular edition is in a Paperback format. It was published by Mutual Publishing and has a total of 80 pages in the book. To buy this book at the lowest price, Click Here.
