## Chapter 1 : Most Popular Toys By Decade

*Popular names by decade are determined the same way we determine the popularity of a name during a single year. We count the number of occurrences of each name during the decade, and then rank them in order of decreasing frequency.*

Music Popular music in the s comprised of swing, jazz and big band music early in the decade. Swing music typically involves a lot of brass instruments that are led by a strong rhythm section. Its origins were decades earlier, but the genre was in its prime early in the 40s. Swing music started to decline in part because of the war: Big band music is called such because of having a large ensemble of musicians playing various instruments. Big band music is also considered a form of jazz. Glenn Miller and The Dorsey Brothers were leaders among big band musicians. It was influenced by rhythm and blues, gospel, and country music. The artists were often showmen, and the music usually included guitar solos. Elvis Presley soon emerged on the scene and was as successful as he was controversial. Other popular groups include The Platters and The Coasters. Doo-wop is a style of music that was most popular throughout the 50s. The style is characterized by harmonizing vocals that use syllables real or not to form the music backdrop for the lead vocalist. Musical instruments were sometimes used, while other songs were entirely a cappella. Jazz music, which was also popular during the s, remained so throughout the 50s. Jazz began to take new forms during the decade, which led to the sub-genres of Bebop scat singing and Cool Jazz modern jazz. The Beatles were responsible for creating the breakthrough, and would go on to become the best-selling rock group of all time. Other British groups that followed include: Motown Record Corporation was established in Rock music was defined by a number of different sub-genres, such as folk rock, psychedelic rock, and surf rock, among others. Psychedelic rock grew out of folk rock combined with the drug culture prevalent during the decade. The Beach Boys are the most popular group to emerge from surf rock, which was born on the west coast. Another style that had much influence, especially in the latter half of the decade, was Disco, which was a dance style that was characterized by an electric sound and a strong beat. The popularity of the genre was propelled by successful films featuring the music and lifestyle, such as Saturday Night Fever. The last of the most successful styles of music was rock. In general, rock music became edgier during this time as a response to the lighter, peppier offerings of the disco genre. The decade saw the passing of many great musicians, some of which include: The first is Michael Jackson. The album Thriller has yet to be unseated as the best-selling album of all time. The other artist is Madonna. It was her second album, Like a Virgin, that catapulted her to the top of the charts. Her controversial lyrics and behavior quickly made her a household name, while her look influenced fashion throughout the decade. Metal and hard rock were influential styles during the 80s. Although it was in the 70s that the genre began, it was during the 80s that hip-hop really gained momentum. One style having a powerful influence was alternative rock, an umbrella term that encompasses a number of different sub-genres such as indie rock and grunge. Some of the most notable alternative rock groups of the decade include: Grunge music, which combines rock, punk and metal sounds, was popularized in the 90s by groups such as Pearl Jam and Nivana. Pop punk, another strand of alternative music, gained mainstream popularity thanks to the success of groups such as Green Day, Blink, and Weezer. Country music enjoyed major growth as a genre during the decade as newcomers such as Garth Brooks and Trisha Yearwood. Reba McEntire was one of the most successful female solo artists of the decade, selling over 20 million albums throughout the decade. Pop music was driven by many European artists through the decade. Britney Spears and Christina Aguilera had their first chart-topping hits in the late 90s, and their careers boomed in the s. Paula Abdul, Hanson, and R. Adult contemporary music was popular in the form of soft-rock and singer-songwriter styles throughout the decade. Lilith Fair exemplified the singer-songwriter style and provided an outlet for a feminist wave. Whitney Houston and Mariah Carey topped the adult contemporary charts in the early 90s. Adult contemporary music continued to remain strong on the scene thanks to contributions from artists such as Alicia Keys, Daughtry,
