The New Sex Bible is the complete lover's guide to all things sexual, with a balance of science and anecdote, theory and hair raising practice. While the mechanics of sex remain largely the same, our knowledge and attitude towards it shifts every few years based on popular culture.

Genesis "And Adam knew his wife; and she conceived. Well, maybe he married his mom. In any case, Cain and the mysterious Mrs. Cain have a son another blue cigar! His name is Enoch and he builds a city population 3. His son, Ham, happens to see his father in this condition. When Noah sobers up and hears "what his young son had done unto him" what did he do besides look at him? Did he just look at his naked father or was there something more to it than that? In the Bible, it is the women who are barren, never the men. She sends Abram into her handmaid, Hagar, so that she can "obtain children by her. And ye shall circumcise the flesh of your foreskin. She asks God if she will "have pleasure" with her "Lord" [Abraham], when both are so very old. God assures her that he will return and impregnate her at the appointed time. He tells the bunch of angel rapers to "do unto them [his daughters] as is good in your eyes. This was because, so say the Christian Right, some homosexuals lived there See Just another wholesome family values Bible story. Of course "putting his hand under his thigh" is just a polite euphemism for "holding his testicles in his hand. Jacob asks for Rachel so that he can "go in unto her. Finally they worked things out and Jacob got to "go in unto" Rachel, too. He loved Rachel more than Leah. But luckily she has an idea. She says to Jacob, "Behold my maid Bilhah, go in unto her. And Bilhah conceived, and bare Jacob a son. And so, when Jacob came home, Leah said: And he lay with her that night. Her brothers trick all of the men of the town and kill them after first having them all circumcised , and then take their wives and children captive. And the thing which he did displeased the Lord; wherefore he slew him also. One of these was Pharez -- an ancestor of Jesus Lk. He rejects her advances, but she claims he "came in unto" her. Luckily for Moses, his Egyptian wife Zipporah "took a sharp stone, and cut off the foreskin of her son, and cast it at his feet, and said, Surely a bloody husband art thou to me. So he [God] let him go. God then punishes them mercilessly for following their divinely appointed religious leader. Thank God this is in the Bible. And of her that is sick of her flowers, and of him that hath an issue, of the man, and of the woman, and of him that lieth with her that is unclean. Just ask them to keep their clothes on while you are around. Nowhere in this list, or anywhere else in the bible, is sex between a man and his daughter or, more generally, between parent and child forbidden. Then God tells Moses to hang their dead bodies up in front of him; God says that this will satisfy him. They kill all the adult males, but take the women and children captive. When Moses learns that they left some live, he angrily says: Kill every male among the little ones, and kill every woman that hath known man by lying with him. But all the women children, that have not known a man by lying with him, keep alive for yourselves. In this way they got 32, virgins -- Wow! Even God gets some of the booty -- including the virgins. And all the people shall say, Amen. And Samson said unto his father Get her for me; for she pleaseth me well. The mob refuses the daughter, but accepts the concubine and they "abuse her all night. The Levite puts her dead body on an ass and takes her home. Then he chops her body up into twelve pieces and sends them to each of the twelve tribes of Israel. She tells her to wait until he is a bit drunk and has fallen asleep. Then "go in and uncover his feet [a biblical euphemism for male genitals], and lay thee down; and he will tell thee what to do. Saul had only asked for foreskins, but David was feeling generous. When Michal criticizes him for exposing himself, God punishes her by having "no child unto the day of her death. Tamar, knowing that she now belongs to him since she was a virgin , expects him to marry her, but he refuses. But Solomon had him murdered instead.

For it is from within, from the human heart, that evil intentions come: All these evil things come from within, and they defile a person. The acts of the sinful nature are obvious: I warn you, as I did before, that those who live like this will not inherit the kingdom of God. All other sins people commit are outside their bodies, but those who sin sexually sin against their own bodies. Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies. Now concerning the matters about which you wrote: The husband should give to his wife her conjugal rights, and likewise the wife to her husband. For the wife does not have authority over her own body, but the husband does. Likewise the husband does not have authority over his own body, but the wife does. Do not deprive one another, except perhaps by agreement for a limited time, that you may devote yourselves to prayer; but then come together again, so that Satan may not tempt you because of your lack of self-control. It is good for them to stay unmarried, as I am. But if they cannot control themselves, they should marry, for it is better to marry than to burn with passion. The temptations now may be greater than ever because people are delaying marriage until their late 20s or 30s. However, the Bible consistently teaches self-control rather than self-indulgence Galatians 5: In Biblical teachings, the privilege of having sex requires the commitment of marriage. Sexually-transmitted diseases, unintended pregnancy, and emotional pain are too often the price paid for sex without marriage. Marriage traditions in Biblical times were very different from today. Marriage was neither a civil nor religious event. The fathers of the bride and groom made a marriage contract known as a betrothal. After a year-long betrothal, the man took the woman into his home, and they consummated the marriage with sexual intercourse. However, once married, the religious laws and customs of the time strongly prohibited adultery and provided physical and financial protections for the spouses and their children Exodus Merely having sex or living together does not fulfill the functions of the Biblical model of marriage. One Old Testament passage Exodus A decision about marriage must be made with prayer and with unselfish consideration for everyone involved, especially children.

Enslavement[edit] In the Ancient Near East, captives obtained through warfare were often compelled to become slaves, and this was seen by the Deuteronomic Code as a legitimate form of enslavement, as long as Israelites were not among the victims; [17] the Deuteronomic Code institutes the death penalty for the crime of kidnapping men to enslave them. She would shave her head and wear no jewelry or cosmetics to mourn the friends and family whom were killed in the war. While the term may be different depending on how many were lost, it would be for a minimum of one month. After the grieving was over, then he was free to make wedding plans. If he wished to end the relationship, the code stipulated he must free her. Because he forced her by the point of the sword or tip of the spear into a sexual relationship, he forfeited the option to sell her into slavery. Foreign residents were included in this permission, and were allowed to own Israelite slaves. The authorities intervened first and foremost to protect the former category of each--citizens who had fallen on hard times and had been forced into slavery by debt or famine. In the ancient Near East, wives and non-adult children were often viewed as property and were sometimes sold into slavery by the husband or father for financial reasons. Evidence of this viewpoint is found in the Code of Hammurabi , which permits debtors to sell their wives and children into temporary slavery, lasting a maximum of three years. The Holiness code also exhibits this, allowing foreign residents to sell their own children and families to Israelites, although no limitation is placed on the duration of such slavery. Like the name implies, these individuals sold themselves into slavery in order to pay off debts they may have accrued. Chattel slaves, on the other hand, were less common and were usually prisoners of war who retained no individual right of redemption. These chattel slaves engaged in full-time menial labor, often in a domestic capacity. Men assigned their female slaves the same level of dependence as they would a wife. Close levels of relationships could occur given the amount of dependence placed upon these women. Marriage with these slaves was not unheard of or prohibited. Sexual slavery , or being sold to be a wife, was common in the ancient world. Throughout the Old Testament, the taking of multiple wives is recorded many times. It is understood by Jewish and Christian commentators that this referred to the sale of a daughter, who "is not arrived to the age of twelve years and a day, and this through poverty. If she does not please her master, who has betrothed her to himself, then he shall let her be redeemed. He shall have no right to sell her to a foreign people, since he has dealt deceitfully with her. And if he has betrothed her to his son, he shall deal with her according to the custom of daughters. If he takes another wife, he shall not diminish her food, her clothing, and her marriage rights. And if he does not do these three for her, then she shall go out free, without paying money. If he took another wife, then he was required to continue supplying the same amounts of food, clothing, and conjugal rights to her. You cannot in any case sell her; you must not take advantage of her, since you have already humiliated her. Such were bought to be betrothed to the owner, or his son, and if that had not been done, they were to be allowed to be redeemed. If the marriage took place, they were to be set free if her husband was negligent in his basic marital obligations. Working conditions[edit] The Ethical Decalogue makes clear that honouring the Shabbat was expected of slaves, not just their masters. This codification extends the basic lex talionis The Covenant Code clearly institutes the death penalty for beating a free man to death; [80] in contrast, beating a slave to death was to be avenged only if the slave does not survive for one or two days after the beating. Fugitive slaves[edit] The Deuteronomic Code forbids the people of Israel from handing over fugitive slaves to their masters or oppressing them, and instructs that these fugitives should be allowed to reside where they wish. For example in the Epistle to the Ephesians 6: The Epistle to Philemon has become an important text in regard to slavery; it was used by pro-slavery advocates as well as by abolitionists. Philemon is requested to treat Onesimus as he would treat Paul.
