When you run a race, such as a marathon, it is your race to win or lose. Living for Christ is different. Just as our relationship with God is totally dependent on what God has done through Jesus Christ, so the power to live a dynamic Christian life also comes totally from God. A computer has all the potential to do what it was created to do, but it has no power of its own. Similarly, through your new identity in Christ, you have all the potential you need to live as a new creation in Christ. But, you must continually draw from the proper power source. But stay in the city until you have been clothed with power from on high. With him, you can do anything and everything through Christ who gives you strength through the Spirit. What does Jesus promise to those who come to him? Discover more about the Holy Spirit and his role in your life!

1. Who Is the Holy Spirit? Even though he is invisible, the Holy Spirit is a real Person and completely God. What do these verses say about the Holy Spirit? You will never be alone! To give you life. The Bible describes your life before Christ as being dead in your sins. Think of it as having a disease sinfulness that led to death no life. You are healed of the disease. What is declared about you now in Ephesians 2: To give you a new beginning. Read 2 Corinthians 5: What is declared about you? You may not always feel or act new. What will the Spirit do for you? Read 1 Corinthians 2: Your own hormones and desires will crave to be filled. What freedom does the Spirit give to you? To bring your needs to the Father. How does this make you feel? To transform you into the likeness of Christ. Is this something you desire for your life? To produce fruit in you and through you. Which of these qualities would you most like the Spirit to begin developing in your life? What else does the Spirit equip you to do? To be a witness means to share with others what you have seen and experienced yourself. Sadly, not every believer experiences the power to live this life as God intended. Some are unaware of the treasure of the Holy Spirit living inside them. Living by the Spirit is a choice!

3. Living by the Spirit Is a Life of Faith The Life-Long Battle As long as you live on earth, you will not only have the Holy Spirit living inside you, but you will also have your own flesh still with you and its desire for self-gratification. The Answer The Holy Spirit is a greater power than your old nature. Choosing to listen to the Spirit and follow his leading will always be the right choice! What is the choice given? Faith is how you turn your life over to the Spirit and trust him on a daily basis. The Spirit-filled life is trusting God to produce in you the fruitful life he promised. I no longer desire to follow my sinful thoughts and actions. I give you, Holy Spirit, control of my thoughts, attitudes, words and behavior today. Fill me with yourself and show me how to live a life that pleases Christ. The Spirit-filled life is one of adventure with Christ. Are you ready for the adventure? When you think of what God has done for you and how much your God loves you is there any other choice? Faith is how you received Christ and his Holy Spirit giving you new life. Chapter 2 : THE POWER INSIDE YOU BY PASTOR CHRIS OYAKHILOME – Christian Daily Devotiona

All of us at NerdOut are HUGE fans of the power rangers so we couldn't let this opportunity slip! We had to make a song to celebrate the movie!

God is asking you to be expectant today! Prepare your spirit soul and body as He is ready to pour His spirit upon you and endue you with power from on high for His glory. Power is the ability to do or act; capability of doing or accomplishing something. However, in the OT, the exercise of this power was limited to select individuals and for a relatively brief period of time for a specific purpose such as prophesy, deliverance, conquest, etc. The purpose of the Holy Spirit for purification could be illustrated by how, in Ezekiel This is the new age when we as individuals and as a body of Christ has become the temple of the Holy Spirit 1 Corinthians 6: The book of Acts uses several expressions to describe the baptism in the Holy Spirit: So whether it was Paul, Luke or Jesus talking about the Holy Spirit, the central theme that ran through all their teachings was the power of the third person of the Trinity. So, why was the early church able to effectively harvest the power of the Holy Spirit? Whole-hearted devotion There can be no real power with half-heartedness. God does not bless half-hearted service, or partial obedience. Jesus says love the Lord your God with all your heart, soul, mind. There is no room for half heatedness. If we limit God in our lives, His power will not be available to us in its fullness. In other words, when we tell God that He can only have so much of our lives, or he can only go into certain areas of our hearts, we will be unable to have all of him. Whole-hearted devotion to God will result in His Work having priority and this in turn makes us command the fullness of His power. Unity among Believers Acts 1: Satan tries hard, and oftentimes succeeds in bringing disharmony in the church. A legion is a division of the Roman army, usually comprising to soldiers. And soldiers are always disciplined, even unto death; they are united in purpose and action. This tells me that demons are always united, thinking alive, planning the same way, working in one accord and doing things the same way! How good and pleasant it is for the brethren to dwell together in unity Psalm Prioritising the Word of God Ac 1: Without the Word, there is no power.
