Kicking off our Mainstage season is the full-length Broadway version of Hans Christian Andersen's beloved story and the classic animated film, Disney's The Little Mermaid. It is a hauntingly beautiful love story for all ages.

Synopsis[edit] A beautiful, but spoiled and shallow princess rudely criticizes all her suitors because she is too proud. She is impressed with the last one, but her pride will not let her accept him. He leaves in anger. Her father, exasperated and angry at how she scorned them all, vows that the first man who comes to the palace the next day will become her husband. Meanwhile, an unknown stranger overhears the conversation. He disapproves of marrying her immediately as she does not look strong nor does she appear to be capable of any practical work. However, he notes the poor cannot be choosy and agrees to marry her. She opposes vehemently because he is a commoner, but the king has given his word. She marries him and he takes her away from the palace to his home. They arrive at his home, a house fit only for swine. He treats her as though she was a commoner and she is upset now that she must work for a living. He has her doing practical chores and selling pottery, at which she is completely inept. Thoroughly annoyed at her, he tells her the only job left for her is to work as a servant at the nearby castle of a young king: The princess is initially ashamed that she must work in the palace of a suitor she so harshly scorned and deeply regrets doing so, but puts her pride aside when she realizes that her husband is depending on her to help out with the household. Eventually, she swallows the last of her pride and becomes so compassionate that she throws scraps of food to the mice who live in their home because she realizes they are hungry too. Just as her life is going smoothly, the princess discovers one day that King Thrushbeard is getting married. She is forced into the great hall by him for a dance. It causes her pockets containing scraps of food to burst open, which spill all over the floor and everybody laughs. She is so embarrassed that she flees the hall crying. Dressed in finery is the minstrel, who smiles and asks why she is crying on her wedding day. She is shocked to discover he is really King Thrushbeard. Her ordeals were meant to cure her of her proud, spoiled ways and punishment for her cruelty towards him. She is ashamed of herself and thanks him for teaching her to be compassionate to others, telling him that she is not worthy to be his wife. But he forgives her as he has seen that her experiences have changed her. They marry with her father at the wedding. She asks before the whole court that he grow his beard back. He, from then on, is known by no other name but King Thrushbeard and they all live happily ever after. King Thrushbeard, directed by Walter Beck. Who is going to believe a con artist? Everyone, if she [he] is good. Two decades later, the motion picture was turned into a musical for the stage. As the play opens, we discover a debonair, regal-looking gentleman named Lawrence Jamieson and his assistant or perhaps bodyguard, French chief of police Andre Thibault milling about a casino near the opulent French Riviera. Later, aboard a train, Jamieson sees an American named Freddy Benson attempt to scam a woman into buying him a meal. Intrigued, Jamieson invites the man back to his mansion. Jamieson soon realizes, however, that Benson is a force to be reckoned with, and he suggests the two make a deal. As the two try to one-up each other, surprises abound and hilarity ensues. The cast of *Dirty Rotten Scoundrels* is incredibly strong. As Lawrence Jamieson, Brian Binney is a tour de force. As the ultimate con man, Binney stealthily slides into whatever character suits the situation complete with varying accents and manners. With that kind of smoothness, he could sell ice to an Eskimo. He also has an excellent singing voice. Though he is the consummate straight man, the character has moments of high comedy, and Adams handles those brilliantly successfully layering the drollery with the staidness of the role he is playing. As Freddy Benson, Shane Conrad steals the spotlight over and over again with his comedically gawky movements across the stage and quippy line delivery. He and Binney have great chemistry together. With excellent comedic timing and a fabulous singing voice, Winkler really shines. Truly, the entire cast is amazing and musically talented. Roberts and Ryan Ronan utilize it to the utmost. Painted backdrops are hidden in the fly space and are smoothly lowered at the appropriate times. There is also a solid black curtain to conceal everything whenever the scene calls for it. The quality of the singing and dancing is outstanding. Kudos go to both musical director Chris Pinder and choreographer extraordinaire, Rikki Howie Lacewell, for their Broadway-worthy efforts. Veteran costumer Linda Swann dresses the cast in high style. The costumes are absolutely gorgeous from the beautiful dresses and accessories the women in the ensemble wear to the impeccable suits that Lawrence Jamieson dons. Overall, the look and feel of this production is magnificent. Now, at this point, you may be wondering to yourself if this raving review could possibly be a hustle in and of itself. No show could possibly be THAT good, right? Truthfully, this fabulous production should not be missed! Approximately 2 hours 45 minutes with one intermission. She drew upon her own childhood experiences in rural Prince Edward Island , Canada. She said she wrote the novel in the twilight of the day, while sitting at her window and overlooking the fields of Cavendish. Marilla and Matthew had originally decided to adopt a boy from the orphanage to help Matthew run their farm at Green Gables , which is set in the fictional town of Avonlea. Through a misunderstanding, the orphanage sends Anne instead. Anne is highly imaginative, eager to please and, at times, quite a dramatic individual. However, she is defensive about her appearance, despising her red hair and pale, thin frame. She is often quite talkative, especially when it comes to describing her fantasies and dreams. As a child of imagination, Anne takes much joy in life and adapts quickly, thriving in the close-knit farming village. Her imagination and talkativeness soon brighten up Green Gables. For that, he earns her instant hatred, although he apologizes many times. As time passes, Anne realizes she no longer hates Gilbert but cannot bring herself to speak to him. Episodes include her play-time with her friends Diana, a calm girl named Jane Andrews and a good-natured but often hysterical girl called Ruby Gillis, and her run-ins with the unpleasant Pye sisters Gertie and Josie; and domestic mishaps such as dyeing her hair green while intending to dye it black, and accidentally getting Diana drunk by giving her what she thought was raspberry cordial but turned out to be currant wine. She obtains her license in one year instead of the usual two and wins the Avery Scholarship for the top student in English. This scholarship would allow her to pursue a Bachelor of Arts B. Matthew takes a liking to Anne from the start and the two become fast friends. Anne and Diana become best friends from the moment they meet. Anne admires Diana for being pretty and for her amiable disposition. A handsome, smart, witty and chivalrous classmate who has a crush on Anne the moment he sees her. He makes several attempts to apologize, the failure of all of which do not seem to mar his admiration. He attempts to apologize one last time when he saves Anne from drowning; Anne crassly rebuffs this attempt, only to regret it almost immediately. Years later, he gives up his job offer of teaching at the Avonlea school so that Anne may live at Green Gables, upon which the two reconcile and become good friends and eventually marry. Having several "grown up" sisters, Ruby loves to share her knowledge of beaux with her friends. Ruby is portrayed as traditionally beautiful with long golden hair. She is hysterical and suffers from consumption tuberculosis. A neighbour of Matthew and Marilla, Mrs. Lynde is an amalgamation of vices and virtues. Lynde is industrious and helpful, and does work for the church, yet she is famous for being nosy and condescending. Although she and Anne start off on the wrong foot, owing to Mrs. Lynde is married and has raised ten children, although her husband, Thomas Lynde, is mentioned briefly and never speaks. Phillips is unpopular with students, because of his boring and crude ways. He is described as lacking discipline, and "courts" one of his pupils openly. She forms a special relationship with Anne, who views her as a mentor. The minister and his wife also befriend Anne, with Mrs. Allan becoming particularly close. She is described as pretty. Barry has a severe personality, expecting her children to follow strict rules. After Anne accidentally gets Diana drunk, Mrs. Barry rejects the girl, forbidding Diana to have anything to do with Anne. This sanction is repealed after Anne saves Minnie May.
