

Chapter 1 : World Music Network " News

The Rough Guide to the Netherlands is the definitive guide to everything this small country manages to pack in, from canalside strolls to world-class museums, deserted sandy beaches to all-night clubs.

When South Vietnam became an independent republic in 1975, Saigon retained its status. It was renamed Ho Chi Minh City once the country was reunified in 1976 and lost its standing as the premier metropolis. From exploring its complex past to marvelling at its new-found modernity, read on for seven of the best things to do in Ho Chi Minh City. The secret is a thick layer of condensed milk. Stir it up through the strong, drip filtered coffee to sweeten it to your taste. Grab a cup to takeaway from a stall near Tan Tao Park and stroll along as you people watch for a gentle awakening. Thinking of planning a trip to Vietnam? Our new will pair you with a local expert who can organise a fully personalised itinerary for you. Its wide tree-lined boulevards were planned in meticulous detail in the 19th century. Inside its yellow exterior, the walls are adorned with hand-painted maps of the city as it was in colonial times. Next, head to the nearby Saigon Opera House. Finish up with a look at Notre Dame Cathedral, created in the 1920s to emulate the Parisian icon. Step back in time at Reunification Palace Preserved almost exactly as it was in 1975, Reunification Palace also known as Independence Palace was the official residence of the president of South Vietnam during the war. Reunification Palace is also located in District One so see if you can squeeze it in before 4 p. Alternatively, opt for one of the free guided tours that run every 15 minutes. Take a load off by spending some time with your head in the clouds at the Bitexco Financial Tower. Entry to the Skydeck will cost you roughly the same as a drink at the bar above so it really is a no brainer. Luxury cocktail in hand, admire sunset views over the city through floor-to-ceiling windows. This vast exhibition is a harrowing account of brutal war. Nor does it pull any punches. Save the lower level for last and let the global anti-war movement display help you leave on a brighter note. After browsing through crafted lacquered wood, bright embroidered fabrics and plastic kitsch of all varieties, make your way to the food stalls. Built to worship the goddess of the ocean, the temple was built by a community of Chinese traders who arrived by sea. For a small fee, light incense and watch as your prayer sails up to the rafters on fragrant smoke. The action takes place on a water-based stage and is narrated by singers and musicians seated at each side of the stage. But the beautifully painted wooden puppets and their ingenious choreography will entertain none the less. Shows last for about 50 minutes and there are multiple performances each evening.
