

## Chapter 1 : The Secret Lives of Baba Segi's Wives by Lola Shoneyin @ ifreebooks

*The Secret Lives of Baba Segi's Wives is a scandalous, engrossing tale of sexual politics and family strife in modern-day Nigeria. Lola Shoneyin 's bestselling novel bursts on to the stage in a vivid adaptation by Caine Award-winning playwright Rotimi Babatunde.*

Plump and prosperous, he has seven children, but his desire for more just might be his undoing. The first will stop at nothing to rule the house. The second is shy and timid - her life is shadowed by fear. The third is a schemer with crimson lips and expensive tastes. This book has made me feel like I have just discovered the underground railroad to African literature and culture. I now feel like part of a secret underground network and family of African literature lovers. The book was recommended to me by a Nigerian friend Tite , who in turn had it recommended to her by her Nigerian friend Naomi. I had never heard of the likes of Chinua Achebe and Buchi Emecheta. Perhaps if I had, their books, those of other African writers, and the beauty of African stories would have enriched me as a person and contributed to my life lessons growing up. I am now soaking up these books with such speed and relish Whilst reading the story, I was trying to imagine the characters and how they looked and sounded. I imagined them with various features and mannerism of aunties and family members. The good, the plain wicked and the ugly! Especially if you are of African specifically Nigerian descent. I imagined Iya Segi as a tall thick woman with a disapproving face, and a deep authoritarian voice. I imagined Iya Femi as attractive, but in a dark cruel way - a schemer for sure. I imagined Iya Tope as small and simple, with a gentle demeanour and soft voice but as weak and disloyal. Well you can imagine my disappointment when I found out that the stage adaptation of the book had just completed a successful run here in London over the summer! For those who are in Nigerian and want to watch it If you are one of the lucky ones who got to watch the stage adaption either here or in Nigeria As far as the book is concerned, I loved it. It has also been reviewed as of today.

## Chapter 2 : The Secret Lives of Baba Segi's Wives review " a swaggering spectacular | Stage | The

*The Secret Lives of Baba Segi's Wives takes place in present day Nigeria and tells the story of Baba Segi and his four wives and seven children. Much of the novel is narrated by Bolanle, the last wife.*
