*Lawrence Sanders has written a different kind of book with "The Seduction Of Peter S." It is edgy, but is also filled with humor. Some of the vignettes of the male prostitutes and their female tricks are very funny, as are many of the characters and their foibles.*

More Upon reflecting on the nature of prophecy, the difference between modern prognosticators of the religious and political stripe and the biblical prophetic word should be increasingly apparent. But have you ever asked yourself what will it look like, the fulfillment of prophecy that is? Within the Christian tradition, you can find as many opinions on the subject as there are people in the church. Part of the dilemma is hermeneutical biblical interpretation and part of it is its fulfillment. Admittedly, most of the time, unless the Bible gives a specific date or historical referent place, person, event it is difficult to understand the significance of any one event until later. The events of 31 A. First, as we have a deeper biblical understanding and its consequent practical implication our relationship with Jesus grows deeper. Second, as we look back on other contemporaneous world events it helps us put prophetic events into a larger context, thus deepening our understanding of its universal import. Every biblical prophecy should start with, speak about, and end with Jesus Christ and His majesty. Else, we run the risk of thinking like and being seen as mere fortune-tellers who follow cunningly devised fables 2 Pet. Every prophecy in the Hebrew Bible looked forward to the Messianic era where the hoped-for and promised Seed Gen 3: They also represent those who will be resurrected and those who will never experience death because they will be alive when Jesus returns. When Peter wrote this, there were others alive who could and did verify what he was relating to the church Matt Did you notice that only those of faith heard the pronouncement clearly? At His baptism, the text says that the heavens were opened to Him, and He saw the Spirit descending like a dove. We are not told in the text if anyone else heard it. The Story of Redemption, p. The Spirit that inspired the written word is the same Sprit that gives the faithful people of God the eyes of faith to understand prophecy 2 Pet. Christianity is not Gnosticism. He describes prophecy in a specific way; it should give clarity to the darkness of this sin-sick world. It was and still is possible to look back on the events surrounding the death and resurrection of Christ and understand its powerful impact in a world where the substitutionary death of someone and the resurrection from the dead is seen as suspect. He will sustain us through hardships 2 Pet. The righteousness by which we are sanctified is imparted. The first is our title to heaven; the second is our fitness for heaven. For Peter and for us Jesus must be central to our prophetic understanding. How do we recognize the counterfeit to salvation? Knowing Jesus personally and understanding His salvific work in type and symbol OT and in fulfillment and expectation NT. The darkness of deception will only be exposed by the true Light. In fact, the second chapter of 2 Peter shows us how the Light of Life shines brightly and reveals the folly of the wicked. Yes, we must be on our guard. We are not fortune-tellers, and only as we acknowledge the true Light will He lead us, and so we should follow. Prophecy has a moral purpose for Christian growth! First Impressions, [6th prin.
